HUGHES CLEAVER
Liberal-Progressive Candidate for Halton County

TO THE ELECTORS OF HALTON COUNTY:

In my letter this week I will deal with the effect of high tariffs on the farmers, and in next week's letter with the effect of high tariffs on the small business man and labor.

In my opening letter I recalled to your mind the fact that Mr. Bennett's main appeal to the electors in 1930 was a promise that he would make high tariffs fight for them. He promised markets for farmers and employment for labor by the use of high tariffs.

Our member in Halton caught the spirit of the times and we heard a lot about New Zealand butter. He told the farmers of Halton to take their cream checks with them to the polls when they voted and that never again would the farmers of this country be asked to accept 40c a pound for cream.

Well, Mr. Bennett was swept into power on this high tariff policy. The tariffs were raised and New Zealand butter among other things was shut out. You farmers know the rest of the story. You have never since had the chance to take 40c per pound for your cream. You will not be asked to take your cream checks with you this time when you vote.

When Mr. Bennett promised to make tariffs fight for you, I believe at that time he was quite sincere. He was viewing conditions through the glasses of a millionaire. He was a director of the Royal Bank of Canada, a director of the Imperial Oil Company, a director of the Canadian Pacific Railway, &c. He knew he could make big business prosperous by high tariffs and he apparently thought this prosperity would spill over and we would all be prosperous. He did make big business prosperous, but the "spilling over" process hasn't worked. He has made paupers out of the middle class.

Immediately after his election he called a special fall session of the house and proceeded to carry out his scheme. At this session both Mr. Bennett and his first lieutenant, his Minister of Trade and Commerce, Mr. Harry Stevens, again repeated their high tariff speeches. We were told that Canada was importing annually about 800 millions of dollars worth of manufactured goods which should be manufactured in Canada, and that if these goods were made here it would give employment to Canadian workmen and we would all be prosperous, so the tariffs were raised.

On plows from 10% under Liberal rule to a total of 25%, including landing charges, tax, &c.

Cultivators and harrows

from	7½% to 25%
Mowers and binders	6% to 25%
Flannelette from	16% to 34%
Woollen blankets	23% to 50%

In almost every instance the tariff was doubled and in some instances trebled, and all of this was done for the expressed purpose of cutting down our trade imports. Well, the high tariffs worked and our import trade fell from a total of over 1,000 millions of dollars annually in 1930 to less than half of that amount in 1932. But there was one thing which apparently Mr. Bennett had overlooked, and that is the fact that foreign trade is nothing more nor less than the exchange of commodities and we cannot sell if we will not buy. If we want to sell our surplus of farm produce, wheat, beef, &c., we must be prepared to take goods in exchange for them. The result was that not only did Mr. Bennett cut our imports in half, but at the same time he automatically cut our exports in half, so that our total world trade was cut in half.

Another result of this policy has been that when the bottom fell out of the prices of farm produce as it did in 1930 the farmer was forced off the buying market because the price of everything he has to buy was artificially maintained by tariffs.

Farmers represent one half of our population in Canada. When one half of the buying public cease buying is it any wonder that we have unemployment?

When the farmers represent one half of our population, it therefore follows that the farmers in Canada are performing annually at least one half of the work necessary to supply our human wants, and yet our trade reports show they are getting less than 21% of our annual wealth.

Until this inequality is remedied we cannot be prosperous in Canada.

Mr. Bennett, in his radio broadcast of last week, proved to his own satisfaction that he has kept practically all of his election promises. He is quite well pleased with what he has accomplished. Are you?

Yours sincerely,
HUGHES CLEAVER.

HALTON PLOW BOYS SELECTED FOR INTERNATIONAL PLOWING MATCH

A coaching practice and plowing competition was held under the auspices of the Halton Plowmen's Association at Guy Russell's farm near Hornby on Tuesday of last week. N. C. McLeod the veteran plowman of Galt was the judge and coach for the event which was open to all young men in the county under 20 years of age. On the strength of the day's work the following were selected to represent Halton in the Inter-county plowing competition at the International Plowing Match at Caledonia on October 18th: Donald McNabb, Esquesing Township; Ray Blacklock, Nassagaweya Township; Stanley Waller, Trafalgar with Craig Reid of Esquesing Township as spare.

Despite the unfavorable soil conditions excellent work was done by all contestants and local plowing enthusiasts are anticipating a continuance of the splendid record established by Halton teams in the past.

NORVAL STORE ROBBED

OVER $400 WORTH OF MERCHANDISE STOLEN — INGLEWOOD STATION AND STORE ALSO ROBBED

Some time between Friday night and early Saturday morning thieves broke the lock on the rear door of E. H. Barnhill's store at Norval, and stole about $400 worth of clothing, boots and shoes, tobacco and other articles.

Another burglary, believed by police to have been committed by the same gang, was at the Meadowvale store of Albert Lambe, where entry was gained through a window on the second floor at the rear of the building, and $25 of groceries and cigarettes were stolen. At the same time the C.P.R. station at Inglewood and Donald Sutherland's store, Inglewood, were broken into, but nothing missed.

At Barnhill's store the amount of loot must have necessitated transportation in a truck, the police believe. Almost the entire stock of shoes, about forty pairs, was taken, together with clothes, and a considerable quantity of tobacco and other articles. Barnhill, sleeping in his residence at the rear of the store, did not hear the robbers, apparently an organized gang. The Meadowvale robbery was the second within two years. Provincial Officers T. H. Owens of Brampton and Joe Allen of Cooksville investigated the burglary at Meadowvale and the Inglewood break-ins, and Provincial officer Green of Hamilton investigated the Norval burglary.

Remebrance Service at Glen Williams

The Princess Patrician Service Club of Toronto, of which Capt. Bailey is president, aided by the local war veterans, held a memorial service on Saturday afternoon, Sept. 14th in the United Church, Glen Williams. This was preceded by a parade from the bridge to the church, led by Regimental Sargent Major Jordan, where after the singing of "O God our help in ages past," Rev. W. O. O. Thompson of Georgetown, led in prayer, and Rev. G. I. Stephenson of Limehouse, gave a brief talk to the large audience of veterans and visiting friends, explaining the purpose of the service, the worthiness of the act of sympathy and remembrance, and the value of true friendship, emphasizing also the beauty of world and eternal peace.

After the reading of the names on the Memorial Tablet, which had been erected in the United Church to the memory of the men from this community who had fallen in the war of 1914-1918, Mrs. William Sahill, sister of one of the first men who had been killed in the regiment, carried the beautiful memorial wreath which was placed upon the Tablet. This act of loving remembrance was followed by two minutes silence, after which the lament was played by Mr. John Hepburn, the Last Post and Reveille by a bugler. After the benediction the veterans (about 36) marched out of the church and proceeded to the home of Mr. Fred Weaver, where fellowships were renewed and a picnic was enjoyed by the veterans and their friends.

MR. AND MRS. W. O. GOLLOP CELEBRATED GOLDEN WEDDING

A very pleasant event took place at Evergreen Terrace, on Saturday last when Mr. and Mrs. W. O. Gollop celebrated their golden wedding and were at home to over two hundred friends and neighbors from near and far.

Both Mr. and Mrs. Gollop are natives of Halton, the former being born in Norval and the latter in Nassagaweya. They were married in North Bend, Nebraska, where Mrs. Gollop was living with her brother and Mr. Gollop conducted a saddlery business. They returned to Canada from Nebraska in 1919 and settled in Norval, where their beautiful home and grounds is the show place of the community.

They are members of the Presbyterian Church, and Mr. Gollop is an ardent Liberal. They have one son, George E. Gollop of Montreal, sales manager of the chemical division of the C.I.L.

The delicious four-storey wedding cake was cut by the bride of fifty years ago and served to the numerous guests who conveyed hearty congratulations and best wishes to the worthy couple as they sat side by side in the drawing room.

The home was beautifully decorated with yellow roses, mums and similax. Those assisting in the dining room were: Mrs. Greenwood, Brampton; Mrs. W. O. McClure, Mt. Pleasant; Mrs. Van Buskirk, Toronto, and Miss Prairie Maguire, Norval. Mrs. I. Webster poured tea. Little Miss Connie Greenwood attended the door, while her sister, Miss Doris, looked after the registering of guests.

Entertainment was provided during the afternoon and evening by Miss Maguire, gold medalist, violin selections; Mr. Alex. Watt, of Brampton, vocalist, and Mr. and Mrs. George Gollop, jr. of Montreal, instrumental and vocal selections.

On Saturday night Mr. and Mrs. Gollop entertained the members of the Olde Tyme Society of which Mr. Gollop is president. During the evening the members of the Society presented Mr. and Mrs. Gollop with a beautiful illuminated address.

The members of the Presbyterian Church presented Mr. and Mrs. Gollop with a beautiful bouquet of fifty yellow mums.

The Herald extends heartiest congratulations to Mr. and Mrs. Gollop and wishes them long years of continued health and happiness.

ACTON

FAREWELL TO REV. AND MRS. EASTER

The regular weekly meeting of the B.Y.P.U. of the Baptist Church, Acton, was held jointly with the Young Women's Mission Circle at the home of Mr. and Mrs. Wm. Melly, Brock Avenue, on Tuesday evening. Rev. G. R. Easter resumed his series of talks on "Th Life of Abraham," during the devotional period.

As Rev. and Mrs. Easter and children are leaving shortly for Yorkton, Sask., Miss Barbara Plank, on behalf of the Women's Mission Circle, expressed words of appreciation to Mrs. Easter, who was the founder of that organization. Mrs. Chas. Landsborough, President of the Young Women's Mission Circle, then presented Mrs. Easter with a beautiful leather purse as a tangible token of this appreciation.

Although taken completely by surprise, Mrs. Easter made a suitable and feeling reply, and gave the Mission Circle a few words of encouragement and advice for future work.

On behalf of the B.Y.P.U., Mr. Stanley Cripps, their President, addressed Rev. Mr. Easter. Mr. Charles Landsborough then presented Mr. Easter with the book, "In the Steps of the Master," by H. V. Morton. Mr. Easter also replied, regretting their removal, but feeling conviction that their work was in their native heath, in Western Canada. The remainder of the evening was spent in games and a social time. Before departing a bounteous repast was partaken of.—Free Press.

FOUR CANDIDATES RUNNING IN HALTON

M. N. ROBINSON OF BURLINGTON, RECONSTRUCTION PARTY CANDIDATE—P. SHAW KEITH, C.C.F. STANDARD BEARER

The Reconstruction Party convention was held at Milton on Monday night when a large number of representatives were present from the different wards in the county.

Col Cowens, presided, and after a short introductory speech called on the gathering for nominations when the following candidates were proposed:—

James Waldbrooke, Oakville.
M. N. Robinson, Burlington.
Col. James Ballantine, Georgetown.

On the first ballot, Mr. Waldbrooke was eliminated and the second ballot resulted in a tie between Mr. Robinson and Col. Ballantine. The presiding officer was called upon to give the deciding vote and the same was cast in favor of Mr. Robinson, making him Halton Reconstruction Party's candidate.

Those in the field in Halton up to the present are:—

GEORGE CURRIE—Conservative
HUGHES CLEAVER—Liberal.
M. N. ROBINSON—Reconstruction.
P. SHAW KEITH—C. C. F.

W. C. T. U.

Friday afternoon last at the home of Mrs. Walter Peck, King St., the W. C. T. U. met to resume work following the vacation period. The president, Mrs. Vannatter warmly welcomed all present, especially the new members, visitors, and those, who through illness, have been much missed for some months, from our circle.

Miss Coventry, assisted by Mrs. Reeve conducted the devotional period. The study "Jesus and Ourselves" by Walmsley was continued, this month's subject being "The Humanity of Jesus." Here the writer clearly showed that the picture familiar to us of Jesus as the Man of Sorrows presented by artists and poets, has overlaid the portrait of the Man of Joy portrayed by the gospel writers. Jesus attracted the common people, the mothers with their little children, the publicans and sinners, but aroused the criticism of the long-faced Pharisees for his lack of asceticism.

During the business period two appointments of interest were made—Mrs. Hector Bird as superintendent of Temperance Education in Sunday schools, and Mrs. H. H. Wright, as pianist to succeed Mrs. A. J. O'Neill, whose removal from our community is so much regretted by all. Mrs. Vannatter and Mrs. Marshall were chosen delegates to the Provincial Convention at Harris, Oct. 1st - 4th.

The program of the afternoon was most interesting and helpful. Mrs. G. I. Stephenson of Limehouse was the guest speaker, and gave a brief talk on "Practical Methods in Child Training," quoting extensively from Dr. May C. Hurry's books on that subject which were published some years ago by the Parents' Association, New York. Quoting Tennyson's words, "Self-knowledge, self-reverence, self-control, these three alone lead life to sovereign power," the speaker impressed the thought that only when such knowledge, reverence and control are the offspring of God knowledge, God reverence and God control can these words of the poet be true. The one who said: "All power is given unto me," said also, "Of mine own self, I can do nothing." To bring the child to know, revere and give loving obedience to God should be the parent's supreme aim.

Mrs. Speight expressed the thanks of the gathering to Mrs. Stephenson, Mrs. Peck and also to Miss Betty Snyder, whose cheering message in song added much to the pleasure of a very worth-while program.

The next meeting will be held at the home of one of our outpost members, Mrs. Archie Kerr, Acton.

Mr. and Mrs. Lee Ashford and Evelyn of Lancaster were visitors at Mr. and Mrs. Lindley Beamont's on Sunday.

Miss Ethel Brennan of Bowmanville is spending a holiday here at her home.

Mr. Jackson, Rector of Norval; and on Sunday afternoon the Rev. Griffen Thompson, Rector of Holy Trinity, Hamilton, was the preacher. The church was beautifully decorated by the ladies of the Guild.

On Monday evening the A.Y.P.A. of St. Alban's Church held their election of officers. Those elected for the ensuing year are:

Miss Bessie Wagstaffe was removed to Guelph hospital on Friday for an operation. We are pleased to report that she is improving nicely.

The A.Y.P.A. held a euchre party in the Parish hall on Thursday evening. Prize winners were: Cents, 1st Cyril Clarke; 2nd, John Hepburn; consolation, Tom Hill. Ladies—1st, Mrs. Christensen; 2nd, Mrs. Dickensen; consolation, Mrs. Appelyard.

On Friday evening the Liberal Progressive Club held a euchre and dance in the town hall. The prize winners at the euchre were: Cents—1st, Cyril Clarke; consolation, Trevor Williams; Ladies—1st, Mrs. Christensen; consolation, Mrs. Wm. Bennett. There was quite a large company present and a most enjoyable time was had by all.

LIMEHOUSE

Miss Margaret Hall of Hamilton spent the week end with Mrs. Robt. Lane, Limehouse.

Miss Beatrice Lane spent the week end with her brother, Arthur, in Toronto.

Under the auspices of the Women's Association of Limehouse United Church a very happy evening was spent at a corn and weiner supper and entertainment last Friday evening. The excellent program consisted of vocal selections from Miss Betty Speight and Mrs. Vannatter, Georgetown, and Rev. E. M. Morrow, Acton, and Misses Muriel and Isobel Stephenson, Limehouse; violin selections by Miss Helen Zimmerman, Georgetown; readings by Miss M. Grindell, Limehouse, and a most interesting address by Rev. Dr. Morrow.

MILTON

Convicted on a charge of counterfeiting five-cent pieces, Joseph Reid, of Bronte, was sentenced to eighteen months in the Ontario Reformatory by Magistrate L. J. C. Bull, Friday afternoon.

Burglars are continuing to rob stores and garages at Palermo. First it was the general store, the post office and the barber shop, and early last Tuesday morning it was the garages of John Lee and Anson Lucas. Gasoline and two auto robes were taken from Mr. Lee's car. It is thought the robberies took place between 12 and 1 o'clock, because Mr. Lee thinks the thieves tried to enter the house, leaving when they knew they were heard. Tools, sweaters and working cloths were taken from Mr. Lucas' garage. Constable Patterson, of Bronte is investigating.

Archdeacon McIntosh of Dundas, was the guest speaker at Knox Presbyterian Church here Sunday, on the occasion of the annual church parade of Zone No. 13 of the Canadian Legion. Rev. Adams, Long Branch; Capt. W. C. C. Innes, Port Credit, and Lieut-Col. C. O. Brown, Georgetown.—Champion.

ELECTIONS AHEAD

Business men are never very enthusiastic when a general election looms ahead. They say it makes for unsettlement and uncertainty—bad for business. That is perhaps true, but compare conditions under democratic government, as we have it here in Canada, with those in countries in which dictatorship, of whatever kind, is in fashion. With newspapers under rigid control or altogether suppressed and all sources of general enlightenment in the hands of a dispotor an autocratic group, the individual citizen counts for nothing at all in determining the conditions under which he and his family must live. His appraisal of the significance of events, at home and abroad, must be made up on just what the autocrats decide he should know.

How blest are we by comparison! How zealous we should be to exercise the franchise we have, so that those elected to register the popular will in legislative enactment should be the true choice of the great body of electors. Good citizenship may well be stimulated these days by quiet contemplation of what we, of the British Commonwealth, have thus far escaped.—The Blue Bell.
