Intermediates Take Opening Game Here by 8 - 2 Score

Orangeville Sextette No Match for Fast-stepping Georgetown Team — Go to Fergus Friday, Acton Here Tuesday.

Still smarting from a 18—4 trounsing in Orangeville last Thursday night, the Duffertnites invaded the local arena Monday evening with a little good natured revenge in their eyes only to take a further spanking from the Georgetown Intermediate team. While the Orangeville squad battled terrifically to make the game as interesting as possible for the large crowd on hand for the opening game, they found themselves on many occasion trailing Eric Thompson's fast-skating puckster, and ended up on the short end of an 8 - 2 score.

The local team had all eyes glued on them from the moment they hit the ice, but they did not disappoint their admirers — and unless some of the other teams in the group have an ace up their sleeves, Georgetown's 1947 edition should go far. Their bursts of speed, fast passing plays and stellar defence work, left their opponent in a state of bewilderment. Had it not been for the untiring back checking of the Gillespie boys and the fine goal-keeping of MacDonald the score on Monday night might have been even more one-sided.

The local boys were taking no chances and went out and scored four goals in the first period, three in the second and Orangeville retaliated with two counters in the last session. to the Georgetown team's one. Hurst and Ferri were responsible for two goals each, while Bertwistle Beaumont and Bradbury had singles. Walter and Ralph Gillespie were the Orangeville scorers.

The gamt's three stars, while rather hard to pick due to some fine efforts on the part of most players, rates Art Hurst in first position for some marvellous skating and stick-handling ability; Jack Shropshire in second place for a fine defensive game and the Orangeville goalie for stopping a barrage of pucks although beaten eight times. He was tireless in his efforts.

The home team moves into Fergus on Friday night and Acton play here next Tuesday. We understand both teams carry a little more weight than the Orangeville opposition so these games may be more of a testing ground for our Papermakers.

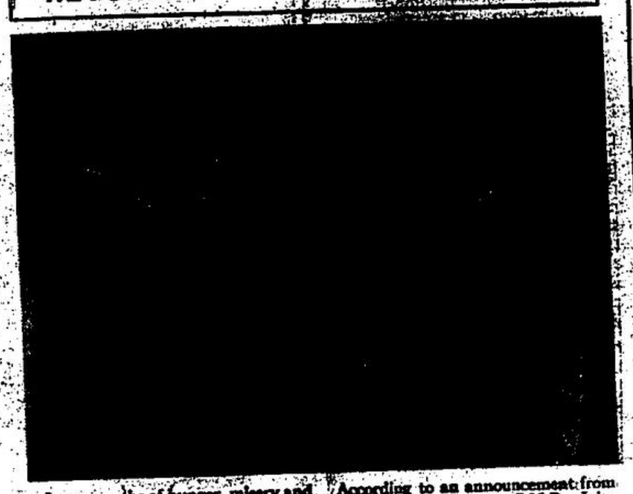
RETURN TO POSTS IN ORIENT



Long months of hunger, misery and privation as prisoners of the Japanese have apparently not dampened the enthusiasm for the Orient of J. H. A. Middlecoat, left, and S. P. Healey, right, for they are now returning to resume their duties as traffic agents of the Canadian National Railways. Both men were interned at the fall of Hong Kong and subsisted from Christmas 1941 until June 1942 on a diet of six ounces of rice daily with an occasional small piece of buffalo meat at Camp Stanley. They were finally released because of their connections with the C.N.R. which earned them semi-diplomatic status, and repatriated on the Jap liner Asama Maru, completing the trip on the Gripsholm. According to an announcement from headquarters of the C.N.R. John Middlecoat will re-open the office at Hong Kong he was forced to vacate and Stanley Healey goes to Calcutta, India, to establish a new branch of the C.N.R.'s world wide chain. An American citizen, Healey, who had been stationed at the Railway's Yokohama agency before being transferred to the Hong Kong office, joined the United States Navy after his release from internment and served at sea in the Pacific area. Middlecoat, a native of Australia, entered the service of the Railway in Vancouver in 1927 and subsequently represented the Company at Shanghai, Yokohama, and Hong Kong.

HAPPY GANG POST

One of the charter members of "The Happy Gang" is Bert Pearl, who was at the mirrophone in CBC's Toronto studios when the programme first went on the air in June, 1937. The 34-year-old radio artist is heard as pianist, vocalist and master of ceremonies on the Gang's daily half-hour program.

SHE KNITS SOCKS FOR BING

Mrs. Lou Renaud, of Ottawa, considers herself a very privileged knitter, for she has just completed the last of eight pairs of finely knitted socks for that famous screen personality, Bing Crosby. "Lou", as she was known to the hundreds of staff and guests at Jasper Park Lodge where she worked this summer, met Bing while he was at Jasper during the filming of the latest Paramount movie "The Emperor Waltz". While buying wool in the specialty shop of the Lodge, she asked the singer, who was present, for his autographed photo, as she was an ardent Crosby fan. In return she promised, when finished, the pair of hand-knit socks she was carrying with her. Two days later she had her cherished photo and a personal note of thanks from Bing for the two pair of colorful socks she had sent, also enclosed was full payment for the socks.

Shortly after the actor returned to Hollywood, Mrs. Renaud thoughtfully sent two cards of matching mending wool to him with a note of admiration for his work and attitudes. Much to her surprise another personal note by airmail welcomed the wool and requested more socks if it was possible to supply them. So Lou happily turned to knitting and now the singer's wardrobe sports ten pairs of vari-colored Canadian hand-knit socks.

In the photograph "Lou" displays the socks with the Crosby photo autographed "To my friend Lou".

Royal Bank Will Open Branch in Georgetown

The Royal Bank of Canada will open a branch in Georgetown. This fact was announced in a Toronto daily newspaper last Thursday, only a few days after representatives of the bank had been in touch with Mayor Joseph Gibbons about purchasing the Municipal Building. On Saturday, representatives were again in town, looking over, and measuring the building, and we are reliably informed that a tentative offer of $35,000 was made for its purchase. Town officials favor asking $35,000 which they feel is a good buy under present property values. While it is rumoured that the bank has at least two other properties in mind, we cannot even hazard a guess as to where they may be, as there are no business properties vacant in town at the present time.

The Municipal Building, built originally as a bank building, has everything in its favour. It has the necessary space, vaults, and is strategically located at the main corner of the business section.

On February 14th, 1943, two weeks after the Bank of Montreal here was closed in accordance with the government's war-time policy of merging banks in the smaller towns, the property was purchased from the bank by the town at a price of $11,000 including fixtures. Since then it has been slightly remodelled and now is the centre of municipal business, containing offices for the town clerk, police department, tax collector and assessor. The large central room has been used as a Council Chamber and for innumerable meetings of groups such as the Local Council of Women, Rehabilitation Council, Red Cross, Recognition Committee and this year for the first time was used for the nomination meeting. A two-room apartment and bath upstairs, formerly used as living quarters for members of the Bank staff are at present rented as an apartment to a Georgetown war veteran, William Tennant.
