MM MODEL "Z"
TODAY'S MOST REFINED TRACTOR

All the operating features you have wanted for years are yours with the new MM "Z". The fore-runner of modern tractor engineering this popular model has been the first in the MM line to offer revolutionary developments. Recall the first "Z" had the exclusive MM engine with 150 fewer operating parts. More progressive changes make the "Z" better than ever. *Latest improvements give 10% more power on draw bar and belt.* Where is the man that can't appreciate the advantages of extra horse power?

Improved appearance for "Visionlining" further promotes visibility. Permits better operation on every job. *Speed range has been increased to provide most suitable field speeds.* A practical change in keeping with the times. *Hardened sector gear has been adopted on all "Z" models except the standard tread which has redesigned steering arms and tie-rod located at rear of axle.* Result is improved steering ease and longer life steering gear.

Differential now features the Rovacycle tooth form. A precision gear with increased strength.

Easy, comfortable operation features include Lazy Back air cushion seat, adjustable steering wheel, "wobble stick" gear shift lever, improved easy braking action and Uni-Matic tool control. A new era begins with this obedient, easy to handle new "Z" tractor. When you know all about the new Z, which is so far ahead in its own power class, you will want no other tractor.

BAPTIST CHURCH HIGHLIGHTS

Preparing the way was the subject for Sunday morning. The text was taken from Matthew 3;3. Prepare ye the way of the Lord, make his paths straight. John the Baptist came forth from the wilderness preaching. Repent for the Kingdom of Heaven is at hand. John was the forerunner of Christ. The people might have accepted him as king but he said he was only a forerunner of a greater. He told of a Kingdom in which righteousness entitled a man to be a member. John prepared the way for the coming of Christ. We too must so live that we are preparing the way for Christ to come into our community and the hearts of men. We all have a place, the great lesson is for us to prepare the way for Christ somewhere, somehow.

At the evening service the text was taken from 1 Cor. 10; 13. God will make a way to escape. We are all tempted but God is faithful and through Him we can overcome temptations. Because temptation is universal, we should not submit to it.

If we are going to understand Christ's way, we must repeat and believe in Christ. If a man will arise out of sin, God will be by his side. We must believe that what God asks us to do, he will enable us to do it. The only way to escape from temptation is to have our hearts occupied with something else. The things of the world are in our hearts until they are put out.

A captain of a boat was once asked if he knew all the sandbars. He said no, but I know where the deep channel is. It is not necessary that we know where the temptations are, but quite necessary that we know the straight and narrow way. There is no temptation we cannot escape from by the energy of faith.

The mission band held their monthly meeting on Monday at 4.15.

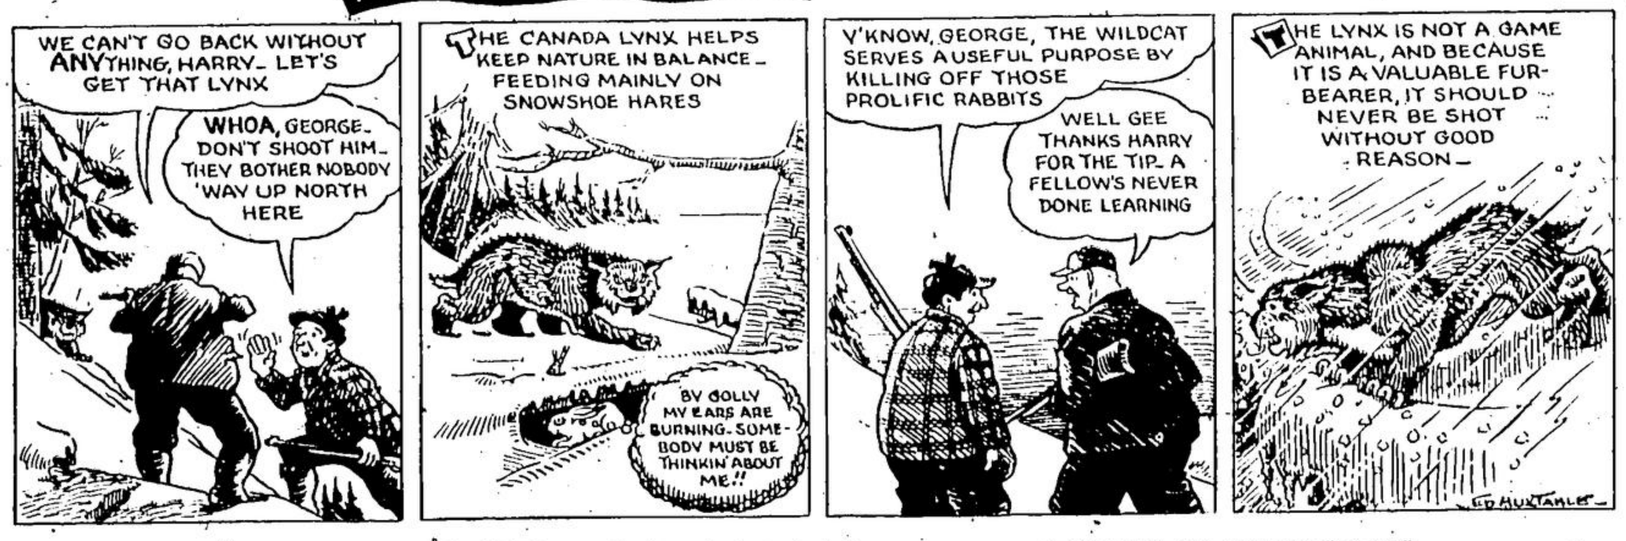
The Sr. B.Y.P.U. held their meeting on Monday evening with Norma Thompson in charge of the programme.

ELECT HARVEY SPEERS REEVE

Harvey Speers was elected reeve of Caledon township in Monday's elections, defeating the former office holder, Ambrose McCormick. The vote was Speers 731, McCormick 360.

Jack Scott, Belfountain, was named deputy-reeve by acclamation.

CARLING'S CONSERVATION CORNER



This is one of Nature's "food-chains" which keep animals and plants in their right proportions, or balance. Before killing what may appear to be a pest, think of what it means to you. Remember—Nature in balance is Nature unspoiled.
