NATURE UNSPOILED

YOURS TO PROTECT

The CHESTNUT-SIDED WARBLER is common, yet few people know him. You can tell him by his yellow crown, chestnut stripes, and general olive, black and white color. He eats insects and worms, and deserves protection. He lives in thickets and tangled bushes.

NEW CRUISE SHIP FOR GEORGIAN BAY

The S.S. NORGOMA, newly constructed cruise ship, will be used this season on the 1000 mile boat cruise on Georgian Bay, the St. Mary's River and Whitefish Bay. Cruises leave from Owen Sound and include a complete five day trip or a cheaper week-end excursion. John R. Barber of the Elmer C. Thompson Insurance Service which books cruises locally, says that already he has had several bookings for the summer. Mr. and Mrs. Barber intend taking the trip later this spring.

G.R.C. NEWS

Baseball and Lacrosse Feature Spring Sports

Plenty of activity on the GRC sports scene as teams are lined up for baseball, softball and lacrosse. GRC officials feel that every boy or girl should put their studies first and if any school pupil is letting sport interfere with his studies he may be suspended from participation in GRC leagues.

Softball

Opening night for industrial softball will be Monday, May 22 when all nine teams will be in action. This year Limehouse and a second S&S team have come in the league and Cheltenham Concrete have dropped out. Teams and managers are: Limehouse, Cyril Clarke; Smith & Stone (both teams), Ted Vahl, Glen Williams, Win Wheeler; Norval, Jack Lucas; Alliance Paper, Alf Kirby; Legion, Albert Stapleton; Businessmen, Wheldon Emmerson; Meadowglen Growers, Bill Anderson.

Twelve teams in boys' bantam and midget softball are playing on Mondays from 4 to 8 at the public school. Ten girls' teams, bantam and midget, play Thursdays at the same times at the public school.

Lacrosse League Formed

A four team industrial lacrosse league has been formed and games will be at Norval Tuesday evenings. In this league all cross-checking and body contact is ruled out. There will be six men on a team instead of the usual seven. These changes were made so many newcomers could learn the game.

Teams with managers are: Glen Williams, Ernie Thompson; Norval, Russ Fendley; Businessmen, George Louth; Alliance Paper, Jerry Fendley.

In minor lacrosse, opening games will be played Thursday at the Lions Bowl on Water Street. Ages are the same as in hockey -- Novice under 10; PeeWee under 12; Bantam under 14; Midget under 16, all as of November 1st, 1949.

Juvenile Ball After All

There has been a change of plans and a Juvenile OBA hardball team will be entered in the county league under the managership of Smith & Stone, Ltd. Anyone wishing to try for a spot on this or other OBA teams see the following coaches regarding practices:

Juvenile (under 19 May 1st) — Leigh Bradbury, Ted Vahl.

Midget (under 17 May 1st) Bill James, Bungy Wartl.

Bantam (under 15 May 1st) Jim Sargent, George Tizzard.

• • •

Minor hardball teams will be chosen Saturday morning at 9.30 sharp at the park. There will be two groupings, and all boys are welcome to play. Bantams must be under 13 and Midgets under 16, both as of January 1st this year.

Skating Costumes

Nine figure skaters still have not turned in their Ice Revue costumes to Barrager's Cleaners. Please don't make the GRC call personally at your door. Turn them in today.

Soap Derby Postponed

Plans have not progressed far enough for the soap box derby to be held this spring and it has been postponed until Thanksgiving Day in October.

Lions Will Entertain

The Lions Club is having a hockey night for all winning teams in the GRC minor leagues on Tuesday, May 30th. This is an annual affair, but this year due to the heavy expense of a dinner, it is being planned instead as an evening of entertainment. More details later.

Bowling, Presentations Feature Alliance Party

A week ago Saturday the recreation committee of Local 474, Alliance Paper Mills held a spring get-together with visiting bowling teams from Merrittown and Don Valley. Alliance won the honours in the afternoon's bowling at the Lucky Strike.

In the evening at the Oddfellows Hall, there were presentations, dancing and a buffet lunch. Union president William Engleby made presentations to Robert Muir and Robert Addy, both of whom are retiring after many years service with the company. Thirty year pins were presented by Mr. Clifford Boutelle to James Boyle and Thomas Eason.

Bob Muir's team won the trophy for highest team in the house bowling league and Ruth Goldham and Alf Kirby received cups for the season's high scores.

George Hoare

A good week's fishing is reported around Georgetown. Most of the trout caught had been feeding on dragon fly nymphs, minnows and small leeches.

Lucky Anglers

Bud Varey caught a nice 19" Brown trout on Saturday. It was taken with spinning tackle.

Charlie Hoare also connected with some nice ones on spinning tackle. They ranged in size from 16½" to 20."

Eddie Stapleton also had good luck and caught some beauties, the largest measuring nineteen inches. They were all caught on a Maribou Royal Coachman streamer.
