LEGION NOTES

by Les Clark

Decoration Day is fast approaching and all members are urged to be sure to attend this great annual event. All living veterans should turn out to do honour to those of our comrades who have gone to the Great Beyond. This year, with the zone holding their parade in conjunction, let's see every member out there on parade.

We believe arrangements have been made and that the whole affair will be up to the standard of previous years. The parade will for at 2.00 p.m. in front of the Legion Hall, for service in the cemetery at 2.30 p.m. Marshal of the parade will be Henry Shepherd. The date is just two weeks away, Sunday, September 9th.

It is expected that the parade and part of the service will be televised.

• • •

This year sees three teams entered from Branch 120 for darts at the Canadian National Exhibition, on the 8th of September.

Harry Bottoms was good enough to get us a list of the teams entered and here they are:

A TEAM — Ken DeRose, Joe Stamp, Alex Korzack, Harry Bottoms, Gord Jamieson, Earl Hornby, Ed McDermott, Rocco Lorusso.

B TEAM — Bil Reid, Bob Muir, Stan Giles, Jim Bradley, Bud Hill, Perc King, Jim Crawford, Bob Hedley.

WOMAN'S AUXILIARY — Nellie McDermott, Kay Grace, Mary Hedley, Joyce Markham, Betty Jamieson, Dorothy Day.

This year, is the first year that we can recall that ladies have entered a team from our branch.. It is to be hoped that the girls will carry on with this innovation, and make it a yearly "do."

Harry has promised to give us the results for this column as soon as possible.

• • •

With the parade being televised, there should be a bumper crowd to witness it.. According to Henry, he is even getting volunteers for the office of "marker" of all things. Says Scotty practically begged him to let him be marker. He says the job needs someone with a "photogenic" personality out there . . . . In Port Credit branch the other night and saw a number of old friends of branch 120 . . . Notably among them was long time legionnaire and past zone commander, Teddy Drew . . . Teddy sends regards to all his old friends up here . . . Saw what was without a doubt the biggest sick list of our experience there, with a terrific list of members laid up . . . Also paid a visit to Oakville and Milton Legions recently, both of which are booming . . . Had our "good will ambassador," Henry Shepherd with us, as well as Marshal Timbers and our esteemed treasurer. We expect to take in Acton and the other branches in the near future . . . . Photographers have been arranged for the parade, and we hope to see a few good shots of that event and the service, making it one of the most photographed days since the anniversary supper a few years ago . . . Owe his worship the mayor thanks for the chance to bring TV to the proceedings . . . 'John T.' found himself talking to the head of the TV crew at the recent gas opening ceremonies, and was asked for any outstanding event that was slated for Georgetown in the near future. So, quick like a flash, and always willing to give the Legion a boost, Jack started proceedings which have culminated in arrangements for Branch 120 and the other branches and organizations taking part to all be TV stars . . . Thanks, John.

There will be a service officers' school in the near future, to be held in Milton, as the most central spot in the zone. Dates will be announced later.

Bill Collier, Art Stamp, Rocco Lorusso and Joe Stamp went to Woodstock last Saturday for the district horseshoe tournament held there. Our boys failed to win, but placed second and third respectively.

Rotary Club Has Visit From District Governor

Walter DeGeer

The Rotary Club of Georgetown was host to Walter DeGeer, Governor of District 246 of Rotary International. He is making his annual official visit to each of the 41 Rotary Clubs in Central Ontario. Monday he addressed the local club and conferred with president Dick Shearley, secretary Jim Ritchie and committee chairmen on Rotary administration and service activities.

Mr. DeGeer is manager of the Sheppard and Gill Lumber Company Limited in Bowmanville, and is a member and past president of the Rotary Club of Bowmanville. He has served as president of the Bowmanville Chamber of Commerce, a member of the Bowmanville town council and as a director of the Ontario Retail Lumber Dealers Association. He was elected as a District Governor of Rotary International for the 1956-57 fiscal year at Rotary's 47th annual convention in Philadelphia last June. He is one of the 248 District Governors supervising the activities of more than 9,100 Rotary Clubs which have a membership of 431,000 business and professional executives in 99 countries throughout the free world.

Wherever Rotary Clubs are located, President Shearly asserted in discussing the Governor's visit, their activities are similar to those of the Rotary Club of Georgetown because they are based on the same general objectives — developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of goodwill, understanding and peace among all the people of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength, president Shearly added. During the past fiscal year, 351 new Rotary Clubs were organized in 48 countries of North, South and Central America, Europe, Asia, Africa and the Islands of the Pacific, and seven countries were added to Rotary's roster — Angola, Iran, Iraq, Jordan, Netherlands, New Guinea, Ruanda-Urundi and Swaziland.

BY-LAW

(continued from Page 2)

is owned by the person so applying and evidence of such ownership together with duplicate copies of the plans of such building and lot drawn on a scale not less than one eighth of an inch to a foot, showing the actual dimensions including radii and angles of the lot to be built upon, all buildings upon the said lot with the heights and dimensions of same, the heights and dimensions of the proposed building the disposition of the buildings upon continuous lots, and other such information as may be necessary to provide for the enforcement of this By-Law and, if such building is designed in a manner, or intended for a use not permitted within the zone concerned, no building permit shall be issued.

(c) No building permit shall be issued for the erection of a building or structure for residential or commercial purposes on land where, by reason of its rocky, low lying, marshy or unstable character, the cost of construction by the Town of satisfactory waterworks, sewage or drainage facilities is prohibitive.

4.15. Certificates of Use and Compliance:

(a) No building hereafter erected or structurally altered shall be occupied or used until a certificate of occupancy, herein referred to as as certificate of use and compliance, has been issued by the Zoning Administrator.

(b) All applications for a cetrificate of use and compliance shall be made on a printed form provided by the Zoning Administrator.

(c) A certificate of use and compliance shall be issued after the request for same has been made in writing to the Zoning Administrator after the erection or structural alteration of such building or part thereof has been completed in conformity with the provisions of these By-Laws and such certificate shall state that the building and proposed use thereof complies with the provisions of this By-Law.

(d) The use of any land or any existing building or structure shall not be changed until a new certificate of use and compliance has been issued by the Zoning Administrator.

(e) A record of all certificates shall be kept on file in the office of the Zoning Administrator and copies shall be furnished upon request of any person having a proprietary or tenancy interest in the building affected. A fee of dollars ($) shall be charged for the original certificate of occupany and a fee of cents (c) each shall be charged for duplicate copies of the certificate.

4.16. Zoning Administrator: The provisions of this By-Law shall be administered by a person appointed from time to time by resolution of the Council as the "Zoning Administrator," provided that whenever no other person has been so appointed, the Inspector of Buildings shall be the Zoning Administrator.

4.17. Right to Inspect: When the Zoning Administrator has reason to believe that any land, building or structure is being used, built, or altered, contrary to the provisions of this By-Law, the Zoning Administrator or any employee of the Town authorized by him may at any reasonable time enter and inspect the land, building or structure.

4.18. Offences and Penalties: Every person who contravenes any of the provisions of this By-Law, or who interferes with or obstructs any person in the performance of his duties under this By-Law shall be liable to a penalty not exceeding $300.00 exclusive of costs for each offence, and such penalty shall be recoverable under the provisions of The Summary Conviction Act.

4.19. Effective Date: This By-Law shall come into effect on the date that it is approved by the Council, subject to the Ontario Municipal Board.

(continued next week)
