Kid Hockey

by K. A.

Special Notice: Saturday hockey has been cancelled Feb. 27th due to a special function of the skating club.

Next Saturday will see the windup of the American League regular schedule with the NHL and Junior A leagues playing an extra Saturday. After that the playoffs.

It is hoped the semi finals will be a two out of three series with total goals to count then a two out of three game series for the finals.

Well there is not much to report around the arena this week, except to thank those same staunch and familiar supporters who have been so faithful all season.

Some boys have not yet turned in their pink registration cards. Now fellows, you've had all season to get these cards in so don't be surprised if you are not allowed to play in the playoffs.

On Saturday an unfortunate accident occurred in one of our NHL games. A hard check left Trefor Smith with a broken collar bone. Trefor's stick rammed the corner of the boards and the ice causing the butt end to spear into him. This is a very painful injury as anyone who has suffered one will know, and I will go on record right here in saying no man took it any better than did Tref. He is probably out for the rest of the season and his teammates will miss him. Tough luck, Tref, but we wish you a speedy recovery without too much suffering.

Kemshead Spearheads Glen Blanking Norval 4 to 0

Spearheaded by sharpshooter Jack Kemshead, who currently reigns unrivalled in the Industrial League scoring race, Glen Williams perpetrated a bit of mild thievery Sunday Jan. 30th stealing the league lead from Norval by blanking the former pace setters 4-0.

Kemshead was responsible for all four tallies. Doug Ward assisted on three.

In the second half of the twin bill, Combines came on late in the game to shade Smith and Stone 3-1. Paul Marshall put the Combines 1 up in the second period, but Paul Ferguson tied it for Estaness about a minute later.

Dryden counted the winning goal on a pass from Ritchie in the late stages of the third and a tally by Dickeson clinched it for the redshirts. Yowart and Peterson picked up the assists.

With Norval and the Glen jockeying for first spot, and just two games left, the race for the wire is developing into one of the tightest in many seasons. Take a look in Sunday afternoon. Game time is 2 p.m.

Glen, Norval Battle for First Hockey Place

Wins by the top clubs Sunday sewed up third and fourth places but left the number one spot undecided in Industrial League hockey action. One game remains in the regular schedule.

Defeats on the weekend cemented the Combines in third with 9 points and S&S in the cellar with just six. First place goes up for grabs this Sunday at 1.45 p.m. in the Memorial Arena.

In the first game Hearne sparked Norval to their 5-3 win over Smith and Stone with a two goal effort. Ken Richardson, Hamada and McLean were the other Norval snipers. Alf Norton and Turner tallied for S&S.

A Combines rally fell one goal short of tying the high flying Glen Williams team is a hotly contested 5-4 squeeker. Doug Ward potted two. Paul Ward, McCosh and Webster one apiece for the winners, while Burns, George, O. Webster and Ritchie tallied in a losing cause.

Revolver Club Now Has Lady Members

Who's the fastest shot in the family?

That's the question that may soon be bandied around the households of Georgetown Revolver Club members following a motion passed last week to allow members' wives into the club.

The ladies were armed for the first time officially Sunday in a practice session at the club's Limehouse range, and aerated the targets with surprising — or frightening — accuracy.

The ladies will later compete among themselves and probably eventually take part in interclub competitions. They will meet separately at the range one night a week.

ENROUTE TO WORK CAR CATCHES FIRE

The interior and engine of a late model Fiat were damaged last Thursday morning in a car fire at Norval.

The car, driven by D. R. Vignale of 83 Raylawn Cresc. was eastbound on the highway and just past the Hollywood House when the fire started in the motor. The Georgetown Fire Department township truck was called to the scene.

The fire broke out at about 8 a.m. while Mr Vignale was on his way to work. He was uninjured.

Raiders to Bradford for League Playoffs Sat'day

A win over the Bradford Ford's here Friday would be a key one confidence wise for the Raiders who start the league playoffs against that same team in Bradford Saturday night.

Bradford, who chose to meet the Raiders in the first round rather than Milton or Port Credit at a meeting in Stouffville on Sunday may have committed their biggest mistake of a season in which they haev erred very little, at least on the ice.

It will be up to the Raiders Saturday and in the rest of the best of three semi final that the marsh marauders lose their faculties of judgment when they sit down to make decisions, ie, picking Raiders as a stepping stone to the final. As the league leads at the end of the regular schedule — they clinched it last week — Bradford earned the right to name their own competition.

Rather than throwing a pail of water on Georgetown spirits the Bradford decision will more likely react like a bucket of kerosene on the Raider fire which was recently fanned by 1944 and 42 gallops over Orillia and Midland Flyers of the highly lauded northern league.

The second game is scheduled for back here on Friday the 19th and if needed the third game will be in Bradford on Saturday the 20th. Port Credit and Milton start their half of the playoffs this Friday, in Milton. The series shifts to Port Credit on the 17th and back to Milton if needed on the 22nd.

The winners will meet in a best of 5 series for the league title.

If the Raiders get bounced by the Fords they will still be in the running for the OHA Intermediate A honours against Milton and possibly Orillia if that club reconsiders and decides to take part in the playoffs.

Milton, Orillia and Georgetown are A and Bradford and Port Credit B, however Orillia dropped out with 6 games left in their regular schedule after their shellacking last week. If the A clubs: Milton and Georgetown meet in the final by ousting Bradford and Port Credit the ensuing finals for the league title will also be regarded as OHA Intermediate playoffs.

Prices around the league have been upped for the playoffs to 75c 50c and 25c.

Richardson, Cunningham Are High Game Scorers

Doug Richardson scored six goals and Jamie Cunningham four as Raiders grounded Midland Flyers of the northern Intermediate loop 14-2 here Friday.

The Raiders counted 8 goals in the first period, 2 in the second and 4 more in the third, in deflating the Midlanders who were filling in for Orillia, Orillia called it quits after they took the same treatment from the locals in Orillia last week.

Cunningham collected three, Richardson a pair and Wayne Thompson, Jerry Inglis and Junior Beaumont, one each in the merciless initial period. Cunningham and Richardson did the only local scoring in the second, and Richardson triggered three more and Blake Inglis a single in the third.

Merkley was the Midland marksman and counted both his club's tallies.

Richardson could have had 7 but he was off balance after deking the Midland goalie out of his net. His back hand at the open net just trickled by the opposite corner.

DOUG. RICHARDSON

The Raider win was their 12th against 11 defeats. They finish up the regular schedule against Bradford here Friday night.

KENT RIDDALL

A defenseman top scorer? Georgetown Juveniles had one this year in Kent Riddall. Also a unanimous choice for the 1st All Star team in the Tri-County loop, Riddall outshone all forwards in three counties at their game with 19 goals and 12 assists in 14 games.

Bantam Playoffs Tonight in Acton Here on Saturday

Georgetown Bantams took a 3-0 bumping from a heavier Mount Dennis all star club on Sunday night to end their week of exhibition tilts on a sour note after disposing of Acton and Fergus earlier with comparative ease.

Puseyham scored twice and Atwater once for the winners who outbodied the lighter locals to preserve the win. It was one of the roughest games played this season.

Cummins from Lane and Norton; Reid from Gudgeon and Lane; Kemshead from Davison, and Lane unassisted were the Georgetown scoring combinations last Thursday night in their 4-1 win at Fergus.

A week ago last Tuesday, they blanked Acton 5-0 at Acton. Lane from Norton, Gudgeon from Kemshead, Presswood from Kemshead, Presswood from Cofell and Robinson from Adams did the scoring.

Georgetown commence their playoffs in B grouping against Acton tonight in Acton, the first of a two game goals series. The second game is scheduled for here Saturday, game time 5 p.m. The winner will meet either Milton or Hespeler who meet in the other series.

VARIAN BOWLERS

Bill Mair's team opened up a gap of 11 points between themselves and their closest rivals in Varian Association Bowling last week. Mair's team now has 69 points to Charlie Jenner's 58.

Tom Graham had a terrific week to top the men's scores. He registered a 327 single on his way to an 801 triple. Geo. Bent was second with a 229 single and a 615 triple.

For the ladies, Mrs. Bill Hilber's 239 and 596 were tops, followed by Mrs. Pat Barr's 217 and 576. The ladies season's scores went unaltered, but Tom Graham's 327 earned him first in the singles, ahead of Paul Barber's 323 and his 801 bettered his own mark of 742.
