280-Mile Nature Trail Routed North of Town

Plan Offers Retreat For Campers, Hikers

This summer the first 10 miles of a proposed 280-mile Bruce Trail project are to be completed and opened to hikers, campers and picnicers. The 10-mile stretch in the Burlington - Milton area will be ready for use by June 1, David B. Webster, managing director of the Ontario Federation of Naturalists said last week as the project was first officially announced to the public.

Work on the trail, will be made possible by a $12,500 grant from the Atkinson Charitable Foundation, established by the late Joseph E. Atkinson, former publisher of the Toronto Star and Star Weekly.

Through Area

Exact site of the trail through this district has not been announced, but it is felt the trail will follow the Niagara Escarpment from Queenston to Tobermory on the tip of the Bruce Peninsula. This would mean the trail would go north from Mount Nemo area, through Lowville, Rattlesnake Point, Glen Eden Conservation Area, and north to Speyside then across No. 7 Hwy, at Georgetown.

Featuring a sylvan paradise of hidden waterfalls, musical brooks and colorful songbirds, the trail will offer a retreat from the harsh pavement for campers, hikers and nature lovers. It is expected that by the time Canada celebrates its centennial in 1967, the whole route, complete with overnight hostels and lean-tos for campers, will be ready.

The project is unique to Canada, although Britain, Europe and the eastern United States boast similar facilities.

It will touch such points as Niagara Falls, Dundas, Fall Hamilton Mountain, Webster Falls, Georgetown, Credit Forks, the Blue Mountains, Flesherton, Owen Sound, Colpoy's Bay and Lion's Head.

Mr. Webster said he hoped the Bruce Trail would get Canadians "back on their feet again."

"No longer will Ontario have to be behind the U.S. and Great Britain in establishing a trail for those people who wish to walk, ride horses and enjoy the scenic beauties of our countryside without having to resort to the automobile."

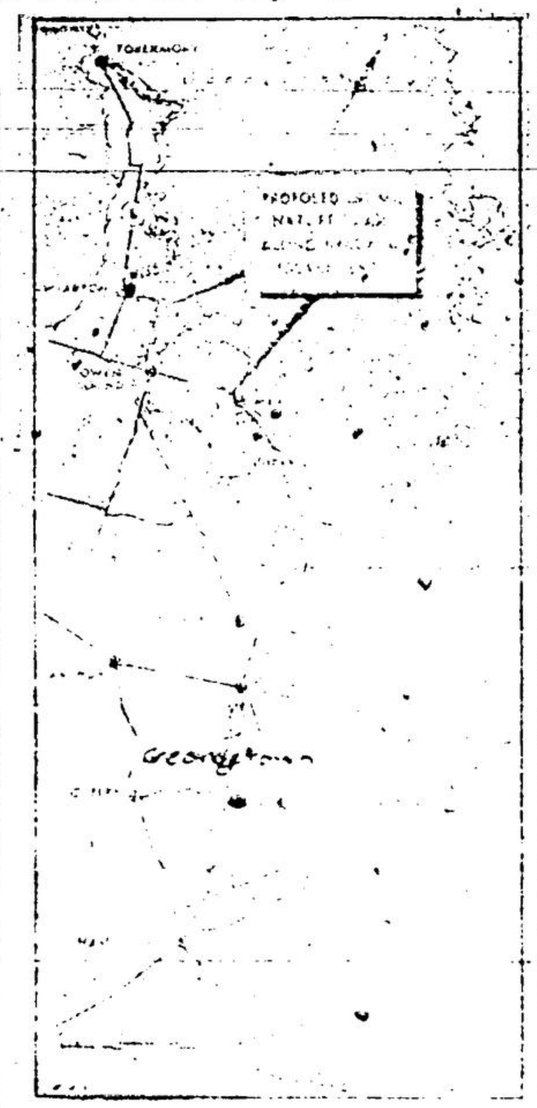
Hostelers To Help

The group will seek help from the Canadian Youth Hostels Association which is interested in establishing hostels -- offering inexpensive overnight lodging as a national objective, and cooking facilities [illegible] the route. There will be a [illegible] number of access points so people may start in different places on the trail.

The committee points out that within a 30-mile load on either side of the proposed route are six of Ontario's five million people and [illegible] can be reached comfortably in less than half an hour by one sixth of the total population of Canada," Mr. Webster added.

Nature lovers will be marvelling at the beauty [illegible] by [illegible] Hostels will be [illegible] for a young students doing physical fitness [illegible] vocated by the federal government.

He said that at a time when [illegible]



Merchants on Skids Now But Lookout in Playoffs

Rapped by Raiders, Guelph

Milton Merchants, the club which considered folding up earlier in the season, is the club with a problem in the C.O.H.L.

Once the Raiders' equal in Intermediate A and prior to that Intermediate B competition, the Merchants have slipped badly this season, and will be nestled in 5th place when the league officials mercifully drew the curtains on the 1961-62 schedule Sunday.

The demise of the greenshirts isn't entirely the club's fault. In fact changes in Halton county's geography is probably having a larger bearing on Milton's toboggan ride than poor recruiting.

Milton's drawing area is being threatened by the amalgamation of Burlington and Nelson on the west and Oakville and Trafalgar on the east and on an up to date map would appear as an island of land between the two giants communities on either side. If the OHA was a little flexible in redrawing the county town's limits, they should be able to regain their lost calibre in short order.

As long as Milton has players like Jack Price and Terry Schaber in their line-up they'll score goals but with their present defence they'll practically absorb a lot more. Friday, the Merchants scored five times by Paris South, but even that couldn't Georgetown's [illegible] which produced a dozen tallies and a decisive victory.

In Guelph Sunday, Milton took a 5-3 bumpee from the lowly Guelph Biltmore Gardens team to further mar their unattractive record.

Milton [illegible] before the surprisingly [illegible] crowd at the home of Guelph [illegible] Price [illegible] 29 before 4 minutes [illegible] Barry [illegible] Georgetown [illegible] 9:55, [illegible] minutes later [illegible]

Even Period

[illegible] within 2[illegible] minutes of [illegible] Beaumont [illegible] number 2 from Richardson and Blake Inglis at 19:27 of [illegible] Georgetown [illegible] Beaumont [illegible] over Rodgers [illegible] shoulder at 17:6. The period ended with the clubs on even terms.

Georgetown outscored Milton [illegible] in the middle period. Last 44 in the faceoff while county town [illegible] lost to their foes [illegible] Demerse and Wayne Thompson [illegible] Raiders into a 2-2 [illegible] the second period almost [illegible] as Milton started [illegible] in the first, both scoring within the first five minutes.

On-Target

Jack Price romped around the Raider defence for Milton's only [illegible] of the period at 5:22. Raiders were held at bay for a [illegible]

minute span at mid game, but resumed their on-target shelling with less than four minutes to go. Demerse from Dunn and Galand, Richardson from Beaumont and Blake Inglis, and Galand unassisted, constructed a comfortable 8-4 lead before the frame ended.

Georgetown scored four more times before Milton could retaliate with Blair Constantine's second tally with exactly one minute to go in the no-contest affair. Fraser Dunn, from Galand and Demerse, Blake Inglis from Junior Beaumont and Richardson, Gord Thompson (after Derarter and Galand had both taken shots), and Wayne Thompson from Joe Autier supplied the final coat of shellac.

If Georgetown meets Milton in the first round of the playoffs, and all they've got to do is finish second to arrange that, they be up against three times the team they handled Friday. Throughout the word "playoff" around in front of a Milton Merchant is like dropping a red steak in front of a starved lion.

Provincial Employee First War Veteran

A Provincial Paper foreman and veteran of the first war, Andrew Wesley Hunter, 64, died suddenly at his home in Glen Williams on February 19.

120th Battalion

Mr. Hunter, who was the son of the late Hubert and Phoebe Ostrander Hunter, was born in Norval. After serving overseas with the 120th Battalion, he returned to Norval where he worked in the Norval Flour Mills. He lived in Windsor for a short time, then settled in Georgetown where he was employed at the old lower mill of Provincial Paper Ltd. During the second war he was employed at Malton then returned to work for the Provincial firm at the coating mill.

He was a member of Branch 120, Canadian Legion.

Twice married, he was predeceased by his first wife, Frances Marchment and by a son in infancy.

Greenwood Cemetery

He leaves his wife, Daisy Thompson, a daughter Phoebe (Mrs. Norman Fendley) and three grandchildren in Norval; three stepchildren, Harold Thompson, Mrs. Jean Miller of Brampton and Ernest Thompson and brothers and sisters, Bert of Norval, Stanley of Maryland; Nixon and Clarence of Chicago; Tillie (Mrs. Ivan Monk) of Toronto and Reese (Mrs. William Davidge) of Sherbrooke, Ont.

Rev. Lloyd Freel conducted the funeral service last Wednesday at the Harold C. McClure Funeral Home. Pallbearers were Ed Hall, Cecil Sewer, Bill Hunter, Clarence Ostrander, Gordon McMurchy and Pat Mullen. Toronto. Interment was in Greenwood Cemetery, Georgetown.

Pole Topples, CNR Lineman Severely Injured

A CNR telegraph crew man is in Georgetown Hospital with multiple injuries, the result of an accident on the CNR line west of the station last Friday.

Joseph Brown of 632 Ontario St., Toronto was working with 5 other crewmen erecting new telegraph pies when one of the huge poles slipped and fell on top of him while he was running directly away from it. The pole struck him square in the back and he struck his head on one of the rails when he fell.

He was treated at the scene by Dr. J. H. Chamberlain and taken to hospital by Georgetown ambulance suffering from injuries to his back, head and right leg. His condition just before press time was described as good.

The accident happened just before noon Friday.

ONLY A FEW DAYS LEFT TO GET CAR LICENSES

With only a very few days left until the deadline, there are still about 60,000 of the years car and truck plates to be obtained.

Deliveries have been poor. Thus yet, there is a trend that people are going to put off the trip to the Department of Motor Vehicles to have motorists obtain their plates early.

Adverse weather conditions have played an important part, with last weekend, for instance, a very busy one, yet only a handful of people obtained plates.

However, it is hoped that a number of people will apply for licences this weekend, before the leagues really begin in earnest. Extra staff are on duty on weekends, and the hours have been lengthened to 8:30 weekdays (each day) and Saturdays from 9 a.m. until 1 p.m.

At the present time there are approximately 2,500 car drivers who have their plates and approximately 7,0[illegible] trucks and station wagons still to be licensed [illegible] and just a little more than a week left.

NEWMAN PIANO STUDENTS RECEIVE EXAM. RESULTS

Piano students from the studio of Marjorie Newman, ATCM were all successful in passing the recent music theory examinations of the Royal Conservatory of Music.

Grade IX Marie Kerr, Ann-Marie Hall, honours.

Grade VII Brian Wicks, honours, Barbara Whitmee, Sharon Pickering, David Brewster, each passed.

Grade V Mary Hall, honours, Michael Hall, passed.

Grade 4 Vicky Beaumont, 1st class honours.

PeeWees Win, Lose In Hespeler Series

PeeWees won one and lost one in the first round of the tri-county round robin series against Hespeler.

Hespeler will now meet Brampton for two games and then it will be Brampton and Georgetown. This is a total point series and the one that ends up with the most points will be the tri-county grand champions in the PeeWee group.

The first game here in town Tuesday, Feb. 20th was a closely played contest. It started off with both teams taking many chances that could have resulted in a high scoring game. Both goalkeeps came up with some brilliant saves.

Scored Frst

Don Stewart scored first for the locals. Gerald Moody shot the puck towards the Hespeler net and a fine save was made by the goalkeeper, but before the defence could clear the rebound, D. Stewart put it into the net.

Georgetown scored again late in the first period and again it was D. Stewart from G. Moody to make it 2 to 0.

Second Period

In the second period the locals went further ahead at the 5:50 mark. G. Moody took a clearing pass in his own end, skated down the left boards into the Hespeler end and shot the puck across the goalmouth to G. Higham who deflected the rubber into the net. That goal was scored while Georgetown was killing off a penalty.

Defensive Hockey

For most of the third period the locals were on the defensive. Hespeler came up with their lone goal at the 10:15 mark. R. Walker scoring for them.

The locals ran out of steam in that period. Had it not been for Rick Peavoy in the Georgetown net, the score could have been much higher for Hespeler.

Not Same Team

In the second game played in Hespeler on Saturday, Feb. 24, the boys from Georgetown did not look like the same team. They did not play the same brand of hockey as a few night's previous, as a result they lost 4 to 2.

In the first period it was Crawford scoring for Hespeler. In the second period Hespeler scored another line counter, this time by Beams.

Not Enough

In the third period the locals gave it the old college try and came up with two goals, but the opposition kept pace with them.

It was Whittaker for Hespeler, G. Moody from N. McFarlane for Georgetown, N. McFarlane for Georgetown, Crawford for Hespeler to end the scoring.

The PeeWees are also waiting for their next O.M.H.A. team, it will be either Oakville or Dundas.

Local Team Wins In Preston Hockey

Novice

Georgetown 5 — Preston 2

The game was played in Preston where the local team participated in a minor hockey night. This is one of the teams that Georgetown might play in a meet in the Guelph Novice tournament which is held this Saturday, March 3rd.

This will be meeting Kitchener in their first game at 9:30 a.m.

In the first period at Preston the local team led two to one on goals by J. Kemshead, assisted by E. Armstrong on his second goal. At the end of the second period it was four to two for Georgetown. R. Inglis from J. Kemshead and F. Dreaters from J. Kemshead.

D. Wiles from F. Gardhouse scored the only goal of the third period.

The novice management made some changes in the line-up for this one. Jack Rhodes was back in goal and Frank Dronters returned to his old position on defense.

Wants Storm Sewers On Delrex Blvd.

Immediate extension of storm sewers on Delrex Blvd., from Rexway corner was advocated by Cr. Fred Harrison to council on Monday.

"I hope the project can be done before the spring thaw," he said, explaining that an expenditure of some $10,000 is anticipated.

Mr. Harrison, who is road chairman, thinks it imperative that the street be sewered and that the expenditure will pay for itself in savings in the road budget.
