"FEVER" CHORUS GOT THE PROMINENCE IT DESERVED

FROM A SECONDARY ROLE to the feature spot that's the story of the Spring Fever chorus. The twenty-eight voices under the leadership of Kenneth R. Harrison A.R.C.T., R.M.T. are basically the same voices that comprised the minstrel chorus in the earlier Rotary Club productions and were wedged between comedy routines in the clubs immediate past offerings. This year the emphasis was on music and the chorus was elevated to play a featuring part. The extended pause after every segment was proof the audiences lapped up the extra exposure. In the front row above are Tom Darcee, Vera Walker, Vera MacDonald, Toots Burns, Jean Crawton, Edna Turnbull, Elaine Phillips, Joyce McLean and Crystal Wilson. Second row: Duncan Thompson, Jim Turnbull, Muree Armstrong, Isabel Dobson, Mary Bailey, Kay Chaplin, Marilyn Ottaway, Alva Allen and Fred Hicks. Back row: Janice Burns, Tom Trouten, Jim McBride, Al Lanary, Bill Chaplin, Geoff Bligh, Eric Wallace, Dave Morgan and Bob Pinkerton. At bottom right: conductor Ken Harrison. Missing from the picture are Jean Hargyck and Tom Warnes.

Maple Baptists Plan Vacation School Again

Once again this year Maple Avenue Baptist Church is planning an Easter Vacation School. This year the program will be under the direction of Roger Green, a children's specialist who is originally from Australia. Mr. Green will be bringing with him a full blown puppet show and will be delighting the children with their antics as they perform on the puppet stage.

There will be special stories, tricks and coloured slides as Mr. Green occupies the children with first one gadget, then another. No small feat, when 500 children are involved.

Mr. Green is with the Scripture Union, 3 Cawthra Square in Toronto. The Scripture Union is an interdenominational Bible Reading Organization which began in England and has now spread around the world.

Mr. Green will be speaking at the evening service this Sunday.

Oakville Homemaker Course is Available

A 4 month training course for homemakers is underway in Oakville at present and is available to any ladies in this district who might wish to attend.

It is one of the federal-provincial projects in a retraining program for unemployed adults and is designed to have trained ladies available in a community who can enter into different kinds of homes to serve in emergencies, with duties exceeding normal domestic ones.

The Oakville course, which presently has eleven ladies enrolled, can serve a much larger number, according to George Pew of that town, who is a co-ordinator for the project.

Interested applicants could contact Mrs. Pratt at the Oakville Employment Office for details.

Entrance requirement is Grade 8 or equivalent.

Married Life Spans Atom Bomb, Radium Discovery

Sixty nine years ago while Queen Victoria still reigned over the Empire, Mr. and Mrs. F. C. Freestone of 23 Temple Road were married on April 9th.

During their married life they have seen the discovery of radium by the Curies, who were married the same year as the Freestones, right through to men into space. With the Curie's discovery the way to the atom bomb was opened, and all this was accomplished during the sixty nine years this local couple have been man and wife.

The Gold Rush, the Boer War, the death of Victoria which seems to belong to remote history or at least the late show on TV have been witnessed during the adult life of this still active couple.

They met, married in Australia, homed ship across Mr. Fre[illegible] some was a steward and Mr. Freestone a passenger. Returning to England they were married in 1894. They had fifteen children, two of whom died in infancy.

The couple and six of their children emigrated to Canada in 1930 and settled here in town. Mr. Freestone was employed at Smith & Stone until he retired at age 89. Many members of his family have or still are working here.

There are five generations of Freestones alive, either here or in England. Right here in town, seven of the Freestone children and their families live. They are William, Thomas, Clarence and Eric girls, Mrs. Mary Gork, Mrs. C. Philip, Mrs. R. Martin and Ivy Freestone. Another son, Fred, lives in Toronto.

Now at age 94 and 85 respectively, Mr. and Mrs. Freestone are still in fairly good health and could probably give more advice than Ann Landers on the birth of a baby boy.

The proud grandparents are Mr. and Mrs. T. L. McMeekin. A first great grandchild for Mrs. Archie McMeekin, Brampton.
