## Dry Grass Hazard Fire Chief Warns

Fire Chief Bob Bonfield has asked the Herald's assistance in emphasizing the danger of grass fires that now exists due to the current dry spell.

Chief Bonfield said the fire hazard at the moment is extremely high, and a grass fire at this time could lead to a serious blaze.

He said the department is particularly concerned about children who have recently touched off minor grass fires in the Albert Street area. Neighbors beat out the most recent blaze. The Chief said the names of the youngsters responsible for the fires are known and any further trouble will bring severe action.

LIMEHOUSE

## Suffer Painful Burns When Gasoline Fires

Congratulations to Mr. and Mrs. Ross Shortill (nee Mary Lou Carter) who were married in First Baptist Church, Brampton, on Saturday. They will live in British Columbia where Ross is a member of the RCMP.

Miss Helen Mills, recently returned from a two months holiday in England, spent the week end with her parents here.

We extend sympathy to Mrs. Hill and family, now of Kingston, who formerly lived here for quite a number of years, in the sudden passing of Mr. Arthur Hill on Saturday evening.

Also to Mr. and Mrs. Eldin Askin, Jr., in the sudden death of her father on Sunday.

The W.I. met in Limehouse Memorial Hall on Thursday evening. The 4H girls were in charge of the program and served lunch.

We regret Mr. Thomas McGlashan's unfortunate accident during the week-end. He is in hospital in Georgetown suffering painful gasoline burns to his head, arms and upper half of his body.

Mr. and Mrs. Wilfrid Greenlees of Campbellville visited the A. W. Bentons on Sunday.

Mr. and Mrs. Al Ingles were among a group attending kart races at Waterford Hills a week ago. Al won second in one race being the only winner from the club.

## Back Up Collisions Are Recent Accidents

Cars backing out of driveways resulted in two accidents this past week, and both were investigated by the town force's most recent addition Cst. Roy Henderson.

In the first, on Mountainview Road at Hungry Hollow, a 1960 Falcon Wagon driven by Winston Arthur Prestidge of R.R. 2, Streetsville, was proceeding north on the road when a 1960 Buick driven by Harvey George Hazel of Norval backed out of a driveway. Damage was estimated at $125, all to the Prestidge car.

A similar crash occurred at the corner of Guelph and Main Streets where a 1957 Olds driven by Harold Martin of Orangeville backed out a driveway opposite Kennedy's Klub 7 and collided with a westbound 1961 Ford driven by Louis Paul Barrette of No. 2 Ewing St. Damage to this one was placed at $600 to the Barrette car.

## Firemen Douse Truck In Tuesday Fire Call

A dump truck owned by Ron Saunders, Acton, had to be doused by firemen Tuesday morning after it burst into flames while travelling east on Guelph St. The truck, a 1956 Dodge was opposite the Delrex Market Centre when flames began licking from the hood.

The driver threw sand on the burning motor and kept the flames under control until the fire truck arrived. A battery cable that touched the frame is believed to have showered sparks on the motor, igniting the grease. Wiring and some of the floor matting were damaged.

## COUNCIL BRIEFS

A telephone bill of $296.98 was queried by Councillor J. Young. The mayor explained the total included the police office, his office, the committee room and the front office. "I'm surprised it isn't more," said the mayor, "since I call'd both England and Canton, Ohio in dealing with the Bliss Co."

The mayor stated that a year or two ago the Bell Telephone Co. made a study to see if it would be practical to put in a direct Toronto line. "At that time it wasn't" added the mayor, "but perhaps another request should be made now."

• • •

Five Winter Works employees will receive raises retroactive to their starting time. They had been hired at $1.35 an hour, however, the Union contract stated $1.81 an hour, so the raise was authorized.

"We have no alternative" said Coun. Emmerson.

"I just figured out it will cost us only 11c an hour, due to the government subsidies," concluded Coun. Hildebrandt.

• • •

An attempt will be made to have all town employees take part in the September program of Chest X-rays, sponsored by the Halton County Tuberculosis. Normally an industry with fifty or more employees is required before the Mobile Unit will attend, but Clerk C. Bentham was instructed to see if the town employees could qualify.

## Bill MacCormack Wins Class A Under Lights

Bill Grisdale almost made an auspicious debut at the North Halton Kart Klub track, Wednesday night. Wild William throttled his angry machine to wins in both the heat and semi final in the fast Modified A division and then disappeared from the front runners. When the feature was over Butch Banfield was the winner. Ed Millman captured the place position and Dave Armstrong had the show spot.

In the other sprints under the lights Bill MacCormack piloted his kart to a win in Class A heat only to have Bill Standing come on to claim both the semi and feature. Ron Hauck also had a 2 for 3 night taking the heat and semi in the Hobby class event but following Tom Van Alphen to the wire in the feature.
