Park School Wins Inter-Meet For Second Time in a Row

Park Public School has won the Annual Georgetown Public School Field Meet for the second time in a row.

The results were announced by Wrigglesworth Public School Principal William Kinrade, to a screaming, cheering throng of public schoolers who passed a ten minute wait by the park band stand, where points were being tabulated, by vocalizing the merits of their home school.

The cheering contest halted when Wm. Kinrade, Wrigglesworth principal stepped to the edge of the bandstand and announced the name of the winners. That touched off a demonstration by Park pupils who were led in a cheer by their green and white garbed cheerleaders.

Each group of cheerleaders in turn led their school mates in a rousing yell as their position was announced. Geo. Kennedy Public School was second, Wrigglesworth was 3rd, Chapel St. 4th and Harrison was 5th.

Later after more figuring Park Public Schools track and field star Jane McNally was declared all-around champion and recipient of the Lions Club Trophy for the second year in succession. It is the first time that the trophy has ever gone to the same athlete twice.

Plan Crafts Exhibits Sale at Norval Riviera

The Arts & Crafts of Georgetown held a committee meeting last Thursday to discuss plans for their sale this Saturday.

It was reported that excellent coverage has been given via newspapers and TV, with a number of members appearing on television shows, and giving demonstrations of their various crafts.

A report was also given on the choice of locale for their exhibit and sale, the Norval Riviera. The ladies had made a trip to the Riviera and were loud in their praises of it as the perfect spot for their event.

The event special convener announced that three outstanding people had been obtained to demonstrate crafts, and that this year the number of exhibits being demonstrated will be much larger than ever before.

The social convener gave a report on her plans for the tea, which will be served to everyone attending. The affair opens at 10:00 in the morning to the public and will run until 4:30 in the afternoon.

There will be exhibits of all crafts practised by members, including leather work, pottery, metal working, jewellery, weaving, painting, sketching and other crafts too numerous to mention.
