In the championship round Terry Churchill was winner and new champion with 743. Stan Swan lost his title with a 702 count. Shannon bowed out with a 684—in the Colonel Sanders' Kentucky Fried Chicken 5-pin championships, the Acton ladies' team from the Thursday Toppers' league will be bowling in the provincial finals, Dec. 6 at the Sherwood Lanes in Hamilton and who knows, they may make it to the national finals at Calgary in January. Here's hoping—that winds it up once again my friendlies, so adios amigos and goodnite Concord City.

Georgetown hospital wants $125,000 from Esquesing

A request from directors of the Georgetown and district memorial hospital for a grant of $125,000 towards a new addition was received with sympathy but no pledges by Esquesing council.

Denny Charles and Terry Baines ofthe hospital board approached council to get the feeling concerning a grant which they suggested could be added to the taxes of the Georgetown Fire Area. Georgetown council has already voted $350,000 as their share towards the addition but with-held the third reading of the by-law until they know whether Esquesing would contribute.

Mr. Charles described the proposed addition for council and fielded questions with the help of Mr. Baines.

Unique situation

Asked why Milton hospital did not ask for grants, Mr. Baines said there was a unique situation there where a recent addition of 22 chronic beds received 85 per cent in grants, plus $6,000 per bed from the county, making it unnecessary to ask the municipalities for funds. The chronic grants were not available now.

Milton got the grants with the understanding the hospital would look after the needs of chronically ill patients in the area, especially from Milton and Georgetown, Mr. Baines said. Georgetown doctors say, however, it is difficult to get chronic patients from Georgetown into Milton, despite the intentions of the grant.

Not in Georgetown

Reeve Currie reminded the two man deputation that Georgetown hospital was not "even in Georgetown" — but in Esquesing and the deputy-reeve half-jokingly suggested the name should be Esquesing and district hospital. But Mr. Hill said it was his feeling that Esquesing should participate in the drive for hospital funds. Most councillors doubted, however, that the Georgetown Fire Area was a good indicator for limits of the drive since many preferred other hospitals. They felt some taxpayers would balk at the suggested $7.50 a year tax hike.

Councillors Miller and Leslie supported the request for funds with Councillor Marshall suggesting they wait and see how the people involved think about it. The reeve also said he thought the township should give but favored stating no amount at this time. Councillor Marshall said he wished the request could be put on the ballot.

Mr. Baines declared much depended on Esquesing contributing towards the addition. If Esquesing says no he could see Georgetown following suit and the hospital left to its own devices.

Ontario.
Is there any place you'd rather be?

Ontarians are the kind of people who wouldn't be here if there was any place better. We are people who came from a hundred lands and stayed to build. People with backbone and brawn and a hunger to succeed. Men and women who've created a standard of living in decades that other lands worked centuries to build. If we have a flaw it's our chronic modesty. Ontarians may be proud to be Ontarians and Canadians . . . they just seldom tell anyone. From an economic point of view that's wrong. The more people we have boosting Ontario and Canada the better it is. And we've got a lot to boost with. Human rights, for example, are real in Ontario. Our Human Rights code takes what has been theory for centuries and makes it fact. And that's right. As well, we recognize that Ontario senior citizens have a right to more than just a place to live; they need a life to live. This is why in addition to new homes for the aged we've built 17 social and recreation centres specifically for elderly Ontarians. We need a vigorous economy of course, to support these important programs. And, that's where you come in. Though our productivity has doubled in ten years and our incomes in twelve, Ontarian's don't sit on their successes. There's a demanding decade ahead full of challenges and opportunities to make the quality of our lives better yet. To meet these challenges we've got to believe in ourselves. Which when you think about it, isn't such a bad idea.

Everytime you boost Ontario . . . Ontario and Canada get a little stronger.

Government of Ontario John Robarts, Prime Minister.

STRIKES at Youth Bowling

By Margot Matheson

Nov. 21 Sunday, of course was the big day for Bantams Susan Thompson, Karen Tremills, David Dunn and Brian Larsen. For this was the day of the seventh annual Master-Bantam tournament sponsored by the Coca-Cola company. Two hundred and sixty teams, each consisting of either a lady Master-Bowler or a man Master-Bowler with a girl and a boy Bantam Y.B.C. bowler came from all over Ontario from as far away as Cornwallis took part in this event held at the Sherwood Lanes in Hamilton.

Four shifts kept the Sherwood Lanes a whirling, exciting and certainly a noisy scene of action. The top 20 teams won trophies and plaques along with individual awards and the Acton Y.B.C. team of Master-Bowler Bill Anderson, David Dunn, and Susan Thompson, with a team total of 2728, finished in 22 place, just 32 pins away from the charmed circle.

The other Acton Y.B.C. team of Andre Conway, Brian Larsen and Karen Tremills finished with a team total of 2472 farther down the list. Each Master-Bowler bowled three games with his girl and boy bantam partner to make up the team score. The Master-Bowlers bowled scratch while the bantams had the advantage of their Y.B.C. handicaps. Individually the scores were:

B. Anderson 203-307-253 (763), D. Dunn 120-140-138 plus (525), S. Thompson 127-198-130 plus 111 (566), B. Anderson 236-248-290 (874) 2728.

A. Conway 244-279-267 (790), B. Larsen 137-150-181 plus 144 (612), K. Tremills 88-162-105 plus 165 (521), A. Conway 183-170-196 (549) 2472.

One outstanding highlight of the tournament was the bowling of nine-year-old Dianna Drury from Lakeview Lanes in Peterborough. Dianna started off with seven strikes in a row for a game total of 341. This, along with her other games of 153-304, plus her 63 pin handicap, gave her a total of 763. Many an adult would be envious of these scores.

When the last shift was finished it was a tired but happy group of youngsters who wended their way home to the various parts of Ontario.

In the "I Beat My Average" roll, 38 Bantams were successful, 14 Juniors also topped their averages and 15 Seniors qualified to win crests.

In Bantams bowling, Octopus grabbed one game and totals from the Whales. Octopus lost the second game by only two pins! Cats meowed themselves into a two game win from the Penquins. Rabbits hopped over the Sea Horses taking both games with them.

In the Second shift the Snails took one game and totals from the Crabs. Teddy Bears hugged up a one game and total win against the Kangeroos. Donkeys wrapped up the Bantam bowling by taking both games from the Dogs. Donkeys won their second game by only two pins!

The "Top Ten" were Brian Larsen 206-158 (364), Susan Thompson 163-164 (347), Terry Bateman 161-137 (298), Ronald Haefner 177-98 (275), David Dunn 128-145 (273), Delphin Roach 135-131 (266), Patsy Storey 117-138 (255), Bert Post 138-116 (254), Kevin Broostad 102-150 (252), Ricky Van Fleet 109-139 (248).

Bowling best over their averages to win soft drinks were Terry Bateman, Lynne Mellor, Brian Larsen and Debra Spielvogel.

Our most consistent bowler was Jimmy Huxley, who rolled both games of 116 back to back.
