Ladies league weekly draw don't know what effect Sonja has on your ball when you use it for a shampoo, but John Industrial Commercial Bears has the details. This will stir up memories with the old timers. For "Tat Tat Roll Ball" Buffin was in the "Lanes" the other night. It's a lively and hearty, working and living in Hamilton what else is new? Even the Bowling Lanes have "stripes" that winds it up once again, my friendliest to allies antigos and goodies. Concord City.
