Halton Hills swim team took to the water last Sunday in a rematch against Caledon. They tried their hardest and put in excellent performances, but they couldn't defeat Caledon in their home pool. The final score was Halton Hills 425, Caledon 513. Most of the Acton swimmers came home with a number of ribbons.

Mark Bray picked up two firsts for 9 and 10 25 metre backstroke and freestyle. Julia Mullins, Tina Brading, Nancy Patterson, John Vadeika and Dave Hannah each earned a second place ribbon for their various individual events. Julia also swam to a first place finish in 9 and 10 25 metre breaststroke. Cathy Ashley, who coaches as well as swims, received three first place ribbons for her efforst. The date for the next meet is not certain, but the swimmers will be back in the water Thursday, training hard for their next victory.

Heater broken

The pool heater broke down again on the weekend, and water temperatures dropped to 72 degrees F on Sunday forcing us to close the pool for all public swimming. The situation, however, has been remedied and although the water temperature will be a bit on the cool side for a couple of days, the pool will remain open.

Posters will soon be up around town, reminding you that Saturday, April 3, is your last chance to register to learn to swim before the summer. If you already know the basics, there are courses to improve your endurance and technique. Swimming is one of the best sports to partake in, if you're interisted in achieving total physical fitness. It is also one of the most demanding energy wise—so overweight persons take note.

Please phone the pool at 853-3140, evenings or weekends to find out further information.

Crunchers win opener

Georgetown's 4-town midget hockey team, the Neilson Crispy Crunchers will carry a four goal lead into the second game of a total goals qualifying series with Streetsville, as a result of their 8-4 victory in the first game.

To All Canadians:

No matter what creed, race or religion you are, in this day and age we all have our cross to bear. It is my opinion that Pierre Elliot (Laval) Trudeau and his lackeys must go.

The Liberal party of Canada has eroded our way of life and while there is still some steel left, we must join together to fight this scourge — Trudeau and his leadership.

You have all been hoodwinked. His oath of allegiance must have lost a lot in translation from French to English. His ridicule of religious groups, no matter what denomination, must be condemned.

We pride ourselves as Canadians that we do not condemn any human, no matter what race, creed or religion they believe in. If you fall into the above groups, I ask you to call or write your MP. It may be your race, creed or religion that may be up for ridicule today or tomorrow.
