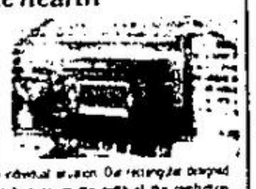
The Knight
for the hearth



The knight can be directly connected to the fireplace flue and comes with a stainless steel flue connector which can extend up to 10 inches into the fireplace chamber. The flue connector can also be shortened to fit varying depths according to each individual situation. Our rectangular designed flue extract allows for a more even burn across the width of the combustion chamber.

The glass front is set in a large heavy cast frame assembly with an easy drop out feature designed for periodic cleaning. The glass is protected with permanent log guards to allow for burning full loads of wood.

This unit is CSSP approved for the sitting of grant

FAMILY BUSINESS OPPORTUNITY

Build your own local, diversified business dealing directly in industrial, institutional and domestic sales and service contracts.

Our Company is over 65 years in business and desires a better market share in your area. This is an excellent opportunity for an ambitious couple. No heavy financial commitment is necessary, only your time and desire to build and establish a profitable business centre in your community. We will supply support for your entrepreneurship with inventory, training, sales back up and site supervision. You would supply enthusiastic sales representation, distribution and heated inventory storage which can be as simple as a heated garage in the beginning. We recognize that it may be necessary in some cases for a spouse to remain employed elsewhere while your business is being established.

For more information, please send a brief resume to
