We are pleased to welcome back on the executive Jim Mercer, as he took over the job of vice-president. Dave Hastings, who was originally the vice-president, filled up the spot of secretary which had been vacant up until now.

EQUIPMENT

With regards to equipment, only six more uniforms have to be returned. The rest are in the hands of the equipment manager. Out of the 44 balls which have been returned 36 are in good enough shape to be used next season. Joe Vugts, the equipment manager reported that 50 new balls are to be bought to see us through the coming season. Would parents with any equipment please return it to the coach and-or take it to 127 Prince Charles Drive immediately.
