Sisters Held Swim School In Their Backyard Pool

Two young sisters, Denise and Sue Milne, 18 and 16 years old respectively, have taught swimming in their backyard pool at 5 Lyons Ct. all summer, and have seen their pupils passed by Red Cross swimming examiners.

The classes started informally when the girls taught neighborhood kids just to give themselves something to do during the summer. As more kids asked to be taught, the girls decided to start regular classes.

Denise is a qualified Red Cross swimming leader. She will take her instructor's test when she is the regulation age of 17.

This year the classes were recognized by the Red Cross Society and the pupils were tested by Red Cross examiner Lynda Clipsham.

A total of 115 children and adults was taught by Denise, assisted by Sue. The classes finished Aug. 24.

The success has encouraged them to continue the classes next year.

The following is a list of successful candidates in the Red Cross swimming tests, conducted at the Milne pool this summer.
