

The new Georgetown Volkswagen

VW dealership gets major makeover

Although Georgetown Volkswagen is undergoing a major renovation, it's business as usual at the Guelph St. dealership.

Dealer Richard Steckly said while the front of the building has been torn down to make way for a new, larger facility, Georgetown Volkswagen's service is operating at 100 per cent capacity and a showroom and sales department is temporarily located in a tent set up on the back of the property. When

the weather becomes too cold, sales will be relocated into a trailer.

Steckly said the new building will be about 2.5 times the size of the previous one and will be consistent with Volkswagen's new design theme. It will house a brand new showroom, parts department, parts warehousing, administration and a two-lane service drive-thru for customer reception. Steckly added it will be a "much more

comfortable environment" for customers.

"We're very excited about the new building," said Steckly. They are anticipating to be operating out of the new building early next year.

Georgetown Volkswagen is located at 203 Guelph St. and open for sales and full service Monday through Thursday from 8 a.m. to 8 p.m., 8 a.m. to 6 p.m. on Friday and 8 a.m. to 5 p.m. Saturday.
