Please Don't Drink & Drive

Here's What You Can Do To Stop Impaired Driving:

- Resolve to always drive responsibly and sober.
- Never ride with anyone who has been drinking or using drugs.
- When hosting a party, make sure non-alcoholic beverages are available.
- Be a defensive, alert driver, and report any suspected drunk drivers to police.
- Know your limits. If you have had too much to drink, have a friend call you a taxi to safely take you home. Pick up your vehicle the next day.
