HIGHWOOD

Answer the question who can: Why was Mike Gibbs' saloon closed last Sunday and all others wide open?

The electric stops at the Ladies Bazaar, where you'll find the best line of holiday gifts on the north shore. Mrs. G. Bohl, Prop.

In spite of "Dead-Beat Galyard's" endeavors to the contrary, the Waukegan Gazette keeps on roasting Highwood by rather regular weekly roasts.

The M. E. Sunday school has to its credit one Christmas gift already, in the shape of a "V" sent by Lieutenant Israel, who is at present stationed in Manila.

The Ladies' Sewing Circle met with Mrs. Keeley, and the very important "sock social" was discussed. So be prepared for lots of fun when the event comes off.

The postoffice is going through a siege of house cleaning. Although no attempt has been made to beautify the place, there is the satisfaction of having pulled everything to pieces and putting it all to rights again.

Locks on chicken-coops is the order of the day. A friendly word to the pilferers: There is a law against stealing, and if caught there is one man who will push it to the very limits if he catches the party who has helped himself once too often.

The Waukegan Gazette tells of the coming good work to be done by the citizens of Lake Forest to aid this place of many objectionable vices. Good for Lake Forest. Now is the time for all good citizens to take off their coats and get into politics, instead of standing back for some other man to do the work. As Lawyer Charles Alling says, "It is just as much a duty for a citizen to vote and see that proper people are put up for office as it is for him to guard his home."

One little boy in town said he always knew when Christmas was getting near at hand, "because ma always bought such a lot of raisins and currants." Another boy said he knew the signs of Christmas, "because ma always kept all the closets locked and also the bureau drawers, and carried the keys around with her." Another boy said his mother "always baked loads of cookies but he was not allowed to eat them, so he wished specially that Christmas was three days instead of three weeks away." Poor, dear boys; how our hearts ache for them from now until Christmas, and how their little stomachs will ache after Christmas.

You will find the best assortment of Holiday gifts on the north shore at the Ladies Bazaar.

CHRISTIAN ENDEAVOR SOCIAL.

On Thursday evening at the home of Mrs. Ed. Hintz, was a social, given by the Young Peoples' Christian Endeavor Society, of the First United Evangelical church. It was an event well worth remembering for, as the young people had pledged themselves to earn a dollar or as much more as possible to help pay on the church debt, and at this social to turn in and give an account of how it was earned, which was most interesting, after this several vocal selections were rendered. All kinds of games were freely indulged in and refreshments served to the goodly crowd, numbering about eighty.

Women and Jewels.

Jewels, candy, flowers, man—that is the order of woman's preferences. Jewels for a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem. then let her fortify herself against the insidious consequences of coughs, colds, bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at G. B. Cummings'. Get Green's Special Almanac. Cg-11-25
