Interpretative Shakespeare

"He Is Well Paid That Is Well Satisfied"

A "bull's-eye" that needs no interpretation—a reiteration addressed to our many customers who are satisfied and pleased to be among our honored patrons.

MAY CONSOLIDATE NORTH SHORE LINES

Authority for the consolidation of the Chicago, North Shore and Milwaukee railroad and the Chicago North Shore and Northern railroad was asked in a petition filed with the Illinois Commerce Commission at Springfield Wednesday. This is believed to be part of the plan of the North Shore line to operate its railroad extension along the North Shore under one head. A permit to make an extension from Chicago along the North Shore to Waukegan, a limited train route, was made by the Chicago, North Shore and Northern railroad. To consolidate the two companies would bring both under the same head.
