

School bus orientation days at CTK and Acton on Saturday

As the first day of school approaches, Halton Student Transportation Services and area school bus operators are moving into high gear to assist parents and first-time riders in understanding the importance of school bus safety by hosting their annual "School Bus Orientation Day" on Saturday, Aug. 24 at 9 a.m.

Local sessions will be held at Christ the King Catholic Secondary School by First Student Canada (905-335-7010) and at Acton District High School by Tyler Transport Ltd. (519-853-1550).

Parents are encouraged to bring their children to the free sessions,

which will feature a classroom presentation on school bus safety, including a special Winnie-the Pooh video and a demonstration on a school bus. School bus company safety officers and bus drivers will talk to the children about safely getting on and off of the bus, proper behaviour on a school bus, crossing the street to get to a waiting bus and overall school bus safety. In addition, a handout will be provided to all young riders with tips on school bus safety.

To register students for a preferred time slot, parents should call the host bus company at the numbers above.

TOWN OF HALTON HILLS

NOTICE OF STUDY COMMENCEMENT & COMMUNITY INFORMATION SESSION

The Vision Georgetown Study

The Corporation of the Town of Halton Hills is undertaking a Planning Study to prepare a Plan to guide the future development of the expansion to the community of Georgetown (area shown on the key map).

The purpose of the Study is to identify urban land use designations, a natural heritage system, transportation/servicing infrastructure, and detailed policies to guide the development of the Study Area, which was designated 'Future Residential/Mixed Use Area' through the Town's Official Plan Amendment 10. The Study is in accordance with Regional Official Plan Amendment 38, which includes the subject lands as part of an expansion to the Georgetown Urban Area.

The Study (called 'Vision Georgetown') is being undertaken as an Integrated Planning Project. It will involve a Land Use Planning Study under the *Planning Act*, a Subwatershed Study, which deals with all aspects of the natural environment, and improvements to infrastructure in accordance with Schedule B of the Municipal Class Environmental Assessment (EA) Process.

As part of the "integrated approach" (as set out in Section A.2.9 of the Municipal Class Environmental Assessment), *Planning Act* and *Environmental Assessment Act* requirements are combined. Phases 1 and 2 of the Municipal Class EA will be addressed. The Study is expected to result in the preparation of a Secondary Plan that will be adopted as an amendment to the Town of Halton Hills Official Plan.

Get Involved!

Community engagement is a significant part of the 'Vision Georgetown' Study. You are invited to attend an introductory Community Information Session, which will provide background and general information on the 'Vision Georgetown' Study, which is expected to take 3 years to complete.

Date: Monday, September 16, 2013
Start Time: 6:30 PM (Presentation at 6:45 PM)
Location: Cultural Centre Gallery,
9 Church Street, Georgetown

The Community Information Session will provide an opportunity for local residents, property owners, and other interested individuals to meet the Project Team, discuss the scope and goals of the study, and provide input into the identification of key issues.

Please RSVP:

In order to assist with planning this event, you are asked to register in advance with Town staff at visiongeorgetown@haltonhills.ca or 905-873-2601 ext. 2214.

If you are unable to attend the Community Information Session but would like to obtain further details about the Study or provide comments, please visit the Planning, Development and Sustainability Department, Town of Halton Hills, 1 Halton Hills Drive, Halton Hills, Ontario L7G 5G2, email us at visiongeorgetown@haltonhills.ca, or contact:
