

# Motorcyclists to ride for Chase Sunday

The second annual Chase The Dream fundraising motorcycle ride and show is slated for Sunday (August 25).

The ride, which begins at 11 a.m. at the Terra Cotta Inn (King Street), is a scenic ride through the hills of Caledon to benefit lo-

cal youngster Chase Galea, 6, who has cerebral palsy and hearing loss.

Registration is at 9:30 a.m. and, following the ride, a show and shine will be held at the Inn along with raffles and music by Larry Melton. Admission is \$20 per person. For information visit [www.chasethedream.ca](http://www.chasethedream.ca).

The event, which raised \$36,000 last year, provides Chase with a better quality of life and enables his family to continue his Conductive Education Therapy

(CET) for his necessary development.

In addition to raising funds, however, the event strives to raise awareness of cerebral palsy and the positive effects of CET for the public and especially for other families with children like Chase. Starkey Hearing, a major sponsor, has donated a pair of much-need-

ed hearing aids.

Chase underwent orthopaedic surgery in Erie, Pennsylvania in January 2010 as this surgery is not available in Canada. In addition to the cost of the surgery Chase requires expensive equipment, hearing aids and continuous therapy, none of which are funded by the government.

## CARING FOR OTHERS

You may find yourself caring for the health of another person - a family member or a close friend. When this person needs denture care, there's a lot you can do to help. It may be a little awkward and embarrassing at first, but go slowly.

All dentures - removable or fixed - must be cleaned daily. Check dentures for cracks and stains. Fill the sink with water and scrub removable dentures thoroughly with a denture brush and soap. Rinse removable

dentures in clear water after cleaning. Dentures should be soaked overnight. Be careful when cleaning around metal clasps and framework.

Get the other person to guide you in removing and replacing dentures (with complete dentures, remember uppers go in before lowers).

If you have any concerns regarding your dentures, feel free to give our office a call.
