ADDRESS

To the Free and Independent Electors of Esquesing.

The Subscriber having for a long time been an attentive observer of Municipal matters in our Township, and having frequently expressed his disapprobation of the general course of the late council, a number of rate-payers have solicited him to offer himself as a candidate for Councillor. As a resident of Forty years among you, I need say nothing of myself as I am known in every corner of Esquesing. My great object shall be to promote economy in the Township finances, and the late Council are especially blamable in regard to the lavish expenditure of our money. The result of this course is evident from the high taxes we have to pay. In Walpole, for instance, 250 acres of good land, 150 of which are cleared, are taxed only $9.50! and this in the face of our not making any public improvements of any account, such as good gravel roads into the middle of the County, or in any other direction.

The Assessor of Erin only gets $48, while we have to pay $150, although I offered to find a good man to do it for $100.

The Clergy Reserve money was loaned out contrary to our By-Law, and a $150 note is in rather a shaky state as I observe there is no interest accounted for on it.

The Collector of Ward No. 1, got $39 until I forced the Council to come down to $15, and plenty could be got to do it at that figure as it is only a four-day job. Again, why are they so late in getting out the Minutes, that the Rate-payers do not get them until the day of the election?

If elected you will get my best services, and if not I will have more time to attend to my own affairs.

I remain,
Yours, &c.,

THOMAS HUME.
