Local Intelligence.

☞ The Town Council will meet on Monday next.

☞ A Sociale will be given by George Marlatt, Esq., back concession, Trafalgar, on Friday next, in behalf of the Wesleyan Oakville Circuit.

☞ The Wesleyan Sociale given by John Appelbe, Esq., Postville, on the 22nd inst., passed off very pleasantly. The sum of $12.50 was realized.

☞ Two youthful lovers were united in the bonds of wedlock in the Township of Nelson last week. The sprightly bridegroom was just two years past sweet "three score and ten," while the blushing bride (a widow by the way) was only 68!

☞ We have to acknowledge the receipt of late English papers from our old friend, Dr. Crooker, formerly of Milton, but at present in London, England.

☞ Mr J. Conrad will deliver lectures on Electricity, Phrenology, and Physiognomy in the Town Hall, on Friday, Saturday and Tuesday next.

☞ On Thursday last a discharged artillery man in the service of Dr. C. Freeman, in the absence of the family attempted violence on the servant girl, who succeeded in escaping and alarming the neighbors—When he was arrested on the deposition of the girl he was apparently attempting to get at the Doctor's money box. He was brought before his worship Mayor Smith, and committed to stand his trial at the next assizes.

☞ A young farmer on Wednesday the 20th, having imbibed too much "needle-gun" broke one of Mr Watson's windows, for which he was arrested and fined.

☞ There will be a Sociale at the residence of John White, Esq., V. P. P., on Tuesday evening next, for the benefit of the Wesleyan Church.

☞ Messrs. Willmott and Magurn are extending their business, having purchased the extensive Drug establishment of Mr. Trotter of Brampton. Mr. Magurn will conduct the Brampton Branch, and we can heartily recommend him in every way to the patronage of the citizens of Brampton.

☞ The Wesleyan Social, at the residence of Thos. Bowes, Esq., on Tuesday last, was highly successful, about 150 being present. Among those present were the Hon. Jas. Aikins and John White, M. P. P. The collection was over $18.

The Magic that he Used

A little affair of love that has recently occurred in a neighboring village has furnished food for gossip for some days past and excited the speculations of the aged spinsters of the locality. It appears that the belle of the village, who has engaged the attention of a throng of admirers, including young men of the highest social position and wealth, recently bestowed her hand and affections upon a youth to fortune and to fame unknown, who recently took up his residence in the village in the humble capacity of a schoolmaster—the choice did not entirely meet the views of the young lady's family, although the MATER FAMILIAS could not help remarking something irresistible in the appearance of her son-in-law. The secret of his winning art has recently leaked out—it was comprised in one of those fashionable fit-outs procured at the establishment of James Hollinrake, Milton. The happy fellow has just ordered a duplicate in order to maintain the peace of the family and excite the ardent affections of his bride. James Hollinrake has a large stock of the same description of goods on hand, selling at the lowest prices. Cutting still under the superintendence of Mr. Bews.

Holloway's WORM LOZENGES

ARE a certain and safe remedy for worms in children and adults. It is a well known and melancholy fact that one great cause of death among children is from worms alone. it cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing and understanding the symptoms and true cause of the disease, thousands of children might be saved from early graves.—SYMPTOMS OF WORMS.—The following are a few of the very numerous symptoms and diseases which are caused by Worms: derranged appetite, emaciated extremities, offensive breath, frequent picking at the nose, grinding of the teeth during sleep, and sometimes convulsive fits, pain in the head and stomach, unquiet sleep, faintings, tremblings, coughs, indigestion, low spirits, frightful dreams, and a gradual wasting away of flesh. They are palatable and self-administered to the child—drive out the worms thoroughly without pain and completely cleanse the stomach—thereby doing away with the necessity of administering Castor oil or other unpleasant cathartics.—Each box contains the fac simile signature of Northop & Lyman, Newcastle, C. W., who are the sole proprietors. N. B. Ask for Holloway's Worm Lozenges, and take no other. Sold by all the Druggists in Canada and medicine dealers everywhere. 2
