To the Editor of the Champion.

The Wesleyan Supposed.

Mr. Editor,—You will pardon my intrusion on your space at the present time, but I feel so elated at the honor conferred upon me by the literary phenomenon of Georgetown, that gratitude for the passing compliment emboldens me to speak. The phenomenon has a very kindly feeling to us Methodists, so has the Gallant Colonel, especially to the Methodist in question poor Brother Ralph, I accept the taunt conveyed in the epithet Brother, the phenomenon intends it as a slur, and as such I retain it, and as such I hold him to it. As it suits his or their purpose, they taunt and sneer at our forms of address to the membership, at our peculiar organization of Class-Meetings and Local Preachers, what they call our cant and confessions. But all we ask of them is to mind their own business, take care of their own churches, heal their own distractions, mind their own morals, carry out their own disciplinary organization, we'll attend to ourselves without the advice or assistance of the Georgetown phenomenon. Brother Ralph is supposed to be the "Wesleyan" who wrote the stricture on the Gallant Colonel, very convenient for the phenomenon or his correspondent to suppose so, but Brother Ralph objects to the supposition, and if the phenomenon had the slightest knowledge of "style" which he ought to have, but which he has not, then he would have known with as much certainty as if he had seen the party write it, that it was not Brother Ralph, who penned that communication. I did not write it. Will that do? I had nothing to do with it. Is that sufficient? But it is very convenient to suppose in order to have a paltry fling at the party supposed, "He was suspended for giving a bad vote on a former election." I suppose that is about as near the truth as the phenomenon ever gets on any ordinary occasion. Truth is not his vocation, slander and detraction have been from the first his stock in trade. I never was suspended from church membership in my life, and I have been a member for thirty years. It is true that after the election at which Mr. Chisholm was so signally defeated, the hatred of his followers to myself knew no bounds. They imposed upon Mr. Thomas Bowes (whom they now designate as "old grey head") by their false representations, and he brought a charge against me before the church, and I met it. In the examination of the first two witnessess who were both strong political opponents, and members of another church, the charge was found baseless, that Mr. Bowes abandoned it, and said he was exceedingly glad he had preferred it, for I had so triumphantly disproved it. So groundless was it in fact, for it is easy to put a false face upon any act, that the President of the board (who is now the President of Conference) ordered every paper connected with it to be destroyed, so that not the semblance of a charge might appear against me. If the phenomenon or his friends can take any comfort out of that refutation he is welcome to it. Let the slanderer apply to the Rev. Mr. Betts the Superintendant of this Circuit, if he dare, and get the record if he can, for in our body we keep records. It is the Church of my choice. I have been in it from a lad, and intend to stick by it till I die. And I can tell the phenomenon he cannot stir up strife between Brother Ralph and the members of this Circuit, the lesson of the past is a lesson sufficient for this Methodistic generation. But does the phenomenon mean to deny that the Gallant Colonel taunted the Hon. Mr. Aikens at Brampton, with going about the country as a Methodist Local Preacher. If he does he had better think again before he denies it. Mr. Chisholm did so, and I'll be bound for it, it has not yet slipped from Mr. Aikens recollection. And I well give that gentlemans reply to the taunt. "He never considered himself qualified to fill such a position, but if he thought he had the talent to be a local preacher he would consider it one of the greatest honours that could be conferred upon him to be appointed to such a position. But Mr. Chisholm will deny it, not a doubt of it, what statement has he made during this canvass so far, that when cornered he has not denied. As far as Mr. Bowes treatment is concerned, I know nothing excepting as I saw it in the *Leader*, and certainly it was anything but complimentary from the Tory party to a brother of the late J. G. Bowes. As far as I am concerned, I would like if the phenomenon would try in one issue, say only one, to speak a little truth, just a little, to give us hope that even such a wanderer as he is may by possibility return to truth and candour. Otherwise his continuance will be counted by a few months at most.

I am yours, &c.,

Brother Ralph.

Holloway's WORM LOZENGES

ARE a certain and safe remedy for worms in children and adults. It is a well known and melancholy fact that one great cause of death among children is from worms alone it cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing and understanding the symptoms and true cause of the disease, thousands of children might be saved from early graves.—Symptoms of Worms.—The following are a few of the very numerous symptoms and diseases which are caused by Worms: deranged appetite, emaciated extremeties, offensive breath, frequent picking at the nose, grinding of the teeth during sleep, and sometimes convulsive fits, pain in the head and stomach, unquiet sleep, faintings, tremblings, coughs, indigestion, low spirits, frightful dreams, and a gradual wasting away of flesh. They are palatable and self-administered to the child—drive out the worms thoroughly without pain and completely cleanse the stomach—thereby doing away with the necessity of administering Gas of oil or other unpleasant cathartics.—Each box contains the fact simile signature of Northrop & Lyman, Newcastle, C.W., who are the sole proprietors. N. B. Ask for Holloway's Worm Lozenges, and take no other. Sold by all the Druggists in Milton and medicine dealers everywhere. 23

J. W. BRADLEY'S

CELEBRATED PATENT

DUPLEX ELLIPTIC

[OR DOUBLE SPRING]

SKIRT.

The wonderful flexibility and great comfort and pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy a small place as easily and conveniently as a Silk or Muslin Dress, an invaluable quality not found in any Single Spring Skirt.

A Lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the single Spring, but will preserve their perfect and graceful shape when three or four ordinary Skirts will have been thrown aside as useless. The hoops are covered with double and twisted thread, and the bottom rods are not only double springs but twide (or double) covered, preventing them from wearing out when dragging down stoops, stairs, &c.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the Standard Skirt of the Fashionable World

To enjoy the following inestimable advantages in Crinoline, viz: Superior Quality, Perfect Manufacture, Stylish Shape and finish, Flexibility, Durability Comfort and Economy, enquire for J. W. Bradley's Duplex or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard against Imposition be particular to notice that skirts offered as "Duplex" have the red ink stamp, viz "J W Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also notice that every hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their Flexibility and Strength, and a combination not to be found in any other Skirt.

For Sale in all stores where First Class skirts are sold, throughout the United States and elsewhere.

Manufactured by the Sole Owners of the Patent.
