## LOCAL INTELLIGENCE.

THE Georgetown Council for 1869 are—J. R. Barber, Reeve, and C. C. Dayfoot; W. R. Brown, J. F. Taylor and Thomas Wilsie Councillors.

THE many friends of William Robinson Sr., of Trafalgar, will be sorry to learn that he is so seriously ill as not to be expected to survive.

AT a meeting held in Kingston yesterday, it was resolved, in view of the denominational grants, to raise an additional endowment of not less than $100,000 for Queen's College. This is the right way of going to work.

We beg to acknowledge the receipt from the Local Government of two documents valuable for reference, viz:—The Report of the Commissioner of Public Work for 1868, and the Speech of the Hon. E. B. Wood, on the Finances.

A MAN named James Buzzard died suddenly in Streetsville on the 8th inst. At the investigation conducted by Dr. Wood, Coroner for the County of Peel, it transpired that the deceased was of intemperate habits, and that his death had been caused by delirium tremens.

ON Thursday last a young man named William George May, met with a sad accident while working with a straw-cutter at his uncle's, Mr. John Cordingly, 9th Line, Trafalgar. His left hand was so mangled that amputation was rendered necessary. Drs. Woods and Crombie operated.

THE Directors of the Trafalgar, Esquesing and Erin Road Company are advertising for tenders for forming the gate at Silver Creek, and there is a rumor that they will shortly proceed to gravel the road to Stewarttown and perhaps Ashgrove. "'Tis a consummation devoutly to be wished for."

TO CORRESPONDENTS.—We have received a communication from a gentleman of Kilbride, reflecting very strongly on the secretary of a Temperance Lodge for his black-balling propensity. We think it better not to publish the letter, as the secresy of the ballot in such matters should be sacred. No good can come of publishing the letter.

DINNER TO MR. WALSH.—The public dinner to be given to Mr. Aquilla Walsh, M. P. for South Norfolk, by his friends and supporters, on the 18th inst., is intended as an expression of confidence in Mr. Walsh as representative, and approval of his appointment to the honorable and responsible position of Railway Commissioner. The dinner takes place at Simcoe.

VICK'S FLORAL GUIDE.—A copy of this beautiful annual has reached us. It is published by Mr. James Vick, seedsman and florist, Rochester. This has become the handsomest of all the publications of its kind, and this year it is graced with an elegant colored plate. The "Guide" is issued by Mr. Vick for the benefit of his customers.

It will be seen from a prominent advertisement in to-day's issue, that Messrs. Shepherd & Kyle have purchased the bankrupt stock of Mr. Romain, of Oakville, and are determined to retail it at rates far below the common. The stock is an excellent one, having been mainly purchased last Fall, and has been bought at figures that enable them greatly to undersell the regular trade.

AT the annual meeting of the Trafalgar Agricultural Society, held at Oakville, January 9th, the following officers were elected for 1869:—President, J. C. Earl; 1st do, Geo. C. Ford; 2nd do, Jos. Tuck; Secretary and Treasurer, H. M. Switzer. Directors, John MacKelcan, Jr., Alexander Aikman, John Toms, R. W. Smith, Frederick Snider, Geo. F. Lewis, John Russell, Samuel Pettigrew, Thomas Brownridge.

ON Christmas Eve last the pupils of the senior department of the Milton Common School, presented their teacher, Mr. Campbell, with two beautifully bound volumes of poetry. We are always pleased to chronicle such affairs, as they show that a proper feeling of affection and respect exists in the hearts of the pupils, and they, at the same time, encourage the teacher in his arduous labors.

WE are called upon to record the untimely decease of the wife of Alexander Brown, Esq., East Flamboro', formerly Warden of the County of Wentworth. But a short time since Mr. Brown sustained a bereavement in the death of his eldest daughter, Mrs. Thompson, of London, and this second calamity, following so closely upon the former, is painfully felt by his large circle of friends, who tender him heartfelt sympathy in his present afflictions.—*Hamilton Times.*

POISONED BY EATING CANDY.—An infant son of Mr. W. M. Nicholson, of the Barrie *Examiner*, died very suddenly on New Year's morning, supposed to be from the effects of eating a piece of candy, commonly called "bull's-eye," which was striped with red and blue colors. The stomach has been sent to Professor Croft, of Toronto, and should the surmises of the child's parents and of the doctor prove true, the manufacturer of the candy will be arrested.

CONCERT.—Professor Beckett, organist of Christ Church, Hamilton, will give one of his popular concerts in the Temperance Hall, Comminsville, on Tuesday evening, January 19th, 1869. The programme will consist of a select assortment of pieces on the piano forte, solos, &c., &c. Doors open at 6½. Concert to commence at 7½. Tickets—25cts. The public are respectfully invited to attend. Proceeds to be applied towards purchasing a melodeon for the use of the hall.

WE are happy to learn that notwithstanding the lull in the Volunteer movement, the Oakville Rifle Company are resolved to maintain their efficiency unimpaired. On the 29th ult. a general muster was convened, and of 47 men, the number present, all without exception cheerfully re-enlisted for the three year's term; 4 new recruits were added, and 11 more of the old members have since signified their willingness to "follow suit." Captain Chisholm is deservedly popular with his men, which accounts for their enthusiasm in re-enlisting.

MR. HENDERSON, recently elected Councillor for the South Ward, desires to state in reply to our remarks of last issue in reference to the manner in which he had obtained his election, that there is on our part an entire misunderstanding of his position. He acknowledges the agreement to remain neutral on the Mayoralty and Reeveship, but he considered himself absolved from such agreement by, previously to the nomination, stating that he would not run on such a condition. He regrets that votes should have been recorded in his favor by any one under a misunderstanding. We cheerfully give Mr. Henderson the opportunity of publishing the above explanation, although we cannot regard the matter in the same light, as we voted for him in the understanding that his agreement was to remain neutral.

ON Wednesday evening, William Hillson, jr., near Abrey's Mill Nassagaweya, was killed by a falling tree while cutting saw logs in the woods. His brother felled a tree, which, striking a dry tree, caused it to fall on the deceased. He was in his 22nd year.

AT the recent installation of officers of St. Clair Lodge, 135 G R C, the following brethren were duly appointed:—

W Bro. H Watson, W M
" W H Street, S W
" David Robertson, J W
" " G Smith, Treasurer
" " R Matheson, Secretary
" James Menzies, S D
" E Vanallen, J D
" J Cartmer, D of C
" W Vanallen, I G
" W Scott, Tyler

YESTERDAY the election of School Trustees took place in Milton, and as usual there was a keen contest in every Ward. In the East Ward, Dr. Robertson was taken up against his wishes and an effort was made to run him again Mr. Robert Willmott, the retiring trustee, but as the Doctor positively refused to run, Mr. Willmott was allowed to walk the course. In the South Ward, Dr. Freeman was elected by six majority over Mr. John Clements, the retiring trustee. In the North Ward, four candidates were proposed, but the real run was between Mr. Joseph Martin and R. Matheson, Editor *Champion*, and resulted in Mr. Matheson's election by two majority.

DEMOREST'S MONTHLY FOR FEBRUARY.—This admirable parlor magazine receives large additions to its list of subscribers, with every returning holiday season, because of its popularity as a Christmas and New Year's gift, and it undoubtedly deserves them, for it is always welcome and seasonable. No better investment can have been made for the New Year than a subscription of the small sum required to secure its monthly visits. To housekeepers, mothers of families, and all those who wish to know how to do woman's work, it will prove a treasury of wealth and knowledge. Three dollars yearly. Published at 838 Broadway, New York.

THE Annual Meeting of the Nassagaweya Agricultural Society was held on the 9th January, 1869. The meeting was the largest ever held in the Township. The following office bearers were duly elected:—Nicholas Norrish, President, Nassagaweya; Jonathan Adamson, Vice-President, Nassagaweya; Samuel R. Lister, Secretary and Treasurer, Nassagaweya. Directors—James Moffat, Peter McLaren, John Cargill, James Weir, William Dredge, David Hutcheon, Josiah Kean, Archibald Campbell, Jun., William Watson.

WE direct attention to the advertisement of Cobbin's Great Family Bible, which gives sixteen valid reasons why it should be taken into every family. We have examined the work, and would guarantee that it is all it claims to be. Mr. Barber is agent for this County, and orders sent to him will be punctually filled. From a long list of recommendations we append the following, from eminent clergymen of the city of Hamilton:

*From Rev. David Inglis, Minister of the McNab St. Presbyterian Church, Hamilton, Ontario.*—The Domestic Bible Illustrated, by the Rev. Ingram Cobbin, has been long and favorably known in England. The present edition appears to be a very *grand* one. The brief comments and practical reflections, and especially the very full and correct Concordance, are features which recommend it as a most useful aid in the study of the Scriptures. I therefore trust that it may have a very extensive circulation throughout the province of Canada.

DAVID INGLIS.

I fully concur in the above, and am happy to subscribe my name to the same.

W. ORMSTON, D.D.

*From J. G. D. McKenzie, M. A., Minister officiating in St. John's Church, Ontario.*—I have used the Illustrated Domestic Bible for several years in my family and have a very high opinion of the annotations and practical comments.

J. G. D. McKENZIE, M.A.

### SIXTEEN REASONS!

WHY

### COBBIN'S BIBLE

Should be in every

### FAMILY.

**First.**
It is a commentary.

**Second.**
It is a Bible Dictionary.

**Third**
It has dates affixed to Chapters, so that the whole Bible can be read through in a year.

**Fourth.**
Poetical Books are in the metrical form same as originally written in the Hebrew.

**Fifth.**
It has Questions at the end of each chapter for examination.

**Sixth.**
It has a Chronological Order, presents every part of the Bible in its own historical connection, showing what portions of the Holy Word were written contemporaneously with each other.

**Seventh.**
It has reflections which will be found attractive and profitable, and from their brevity are better adapted to family reading than more lengthened ones.

**Eighth.**
It has three finely-executed Steel Maps.

**Ninth.**
It contains seven hundred Engravings which are admirable in their character. Instead of being mere imaginary groups of persons, or supposed representations of events, they are views of places, houses and important localities, or pictures of the actual trees, animals, implements, objects of an Oriental character, and hence they materially aid the untravelled reader in understanding the phraseology of the Sacred text.

**Tenth.**
The literary matter that has been compiled from modern sources and the valuable information that has been condensed into the pages of this edition, have enriched it abundantly.

**Eleventh.**
It has many improved Readings, which is the same as a Dictionary to the Bible. The Old Bible is all here. The author has also thrown in, in Brackets, the improved Readings, which will be found of great help to the reader in explaining the meaning of many passages, so that a Dictionary to the Bible is embodied with the work itself. It has a full Concordance.

**Twelfth**
It is not too large and cumbersome, but that it can be held with ease in the lap.

**Thirteenth**
It has all the Bible Helps combined in one book.

**Fourteenth.**
Cobbin's is terse and comprehensive in style

**Fifteenth.**
Paragraphs are not always the same as in the common Bible, and they often divide subjects which should be connected, and confound those that should be distinct

**Sixteenth.**
Their brackets sometimes include whole chapters, which may be omitted in family reading.
