Who Can Beat It?

We are informed that Mr. W. McClelland, Hornby, from half an acre, threshed 33 bushels of Diehl wheat.

Sale of Land.

The attention of our readers is called to the advertisement of Mr. Wass, of a sale of some valuable property in Oakville.

Sermon.

On Sunday last, the Rev. Mr. Ewing, Georgetown, preached a sermon in memory of the late Dr. Burns.

Hops.

We have seen some hops grown by Mr. Samuel McNaughton, Esquesing, fully three inches long. The crop, we believe, promises to turn out well.

Divine Service.

Rev. R. J. Laidlaw, of Princeton College, N. J., is now on a visit to his friends in Esquesing, and will preach in the Established Kirk, Milton, on Sunday evening next at half-past 6.

Mend Your Ways.

"Pedestrian" writes this week about the condition of the Main Street sidewalk. We quite agree with him as to its dangerous plight, and hope that the matter will soon be remedied.

Church Bell.

As none of the Milton Churches has a bell, the Town bell wil be rung every Sunday for Divine Worship, at 10:30 a. m., 2:30 and 6:30 p. m. This will be a great convenience to church goers.

Mangolds.

Mr. Clark, 3rd Con., N. D. S., Trafalgar, brought into town 4 mangold wurtzels, which weighed 35lbs. Each of them was about 21 inches in circumference. Of course they are not much more than half grown yet.

Returned.

We are happy to learn that Mr. John Stewart, formerly of Milton, but more recently stationed at Dundas, in the Excise department, has received the appointment of Excise officer for this County, and will again take up his residence in Milton.

A Big Crop.

We are informed by the very best authority that Mr. Richard Delworth, Lot 11, 6th Con., N. S., Nelson, threshed 110 bushels of Diehl wheat from 2 acres. The grain was honestly measured, as also was the ground, by those engaged at the harvesting.

New Dominion.

The *New Dominion Monthly* for September is before us, as usual replete with interesting reading matter. This number completes the second year of its existence, and the present is therefore a good time to subscribe.—Only $1 per year. John Dougall & Son, publishers, Montreal.

Music.

Books, sheet music, stationery, photographs of the Wesleyan Conference and the Baptist Convention, wools, toys, threads, needles, oils, beads, pocket knives, books, combs, brushes, music stools, meleodeon covers, sewing machines, melodeons, organs and pianos, at W. Leslie's, Georgetown.

Nelson.

The By-law dividing Nelson Township into polling sub-divisions, is as follows:—First division, the 3rd and 4th Concessions, S.D.S., Wellington Square, and Brant's Block; second division, the 1st and 2nd Concessions, both North and South D. S.; third division, the 1st, 2nd and 3rd Concessions of the New Survey; fourth division, the 4th, 5th, 6th and 7th Concessions, N. S.

Boots and Shoes.

New Fall boots for ladies and gentlemen are arriving at G. Smith's, who is selling off at very low prices. His grocery department is also well stocked, and his teas deserve particular attention; a tip-top tea at $1.00 per lb.—Glassware and crockery in great variety—odd pieces for chamber setts, &c. Give him a call. See advertisement.

Quoits.

A match of quoits was played, on the 18th inst., between the Acton and Guelph players, in which, after an interesting game, Acton was victorious by 63. The players were:—Acton—Messrs. Crane, Chas. Symons, Jas. Symons, Agnew, Cameron, Smith, Leishman and Grant. Guelph—Messrs. Lillie, Deady, Atkinson, Sunley, Nichols, O'Connor, Horning and Maddock.

Godey's Lady's Book.

We omited last week to notice editorially the receipt of the September number of this excellent fashion book. It contains a neat steel engraving "My cottage home" and the usual fashion plates. The literary part contains "A true story," "For Love's Sake," &c. &c. Terms, $3 a year. Address, L. A. Godey, corner Sixth, and Chestnut Sts., Philadelphia, Pa.

Annual of Phrenology and Physiognomy

For 1870, now ready, contains 50 engravings of leading Editors—Bryant, Greeley, Bennet, Brooks, Marble, Dana, Raymond, with portraits. The Male and Female Form; Why children resemble their parents; Gen. Grant and his Cabinet, with portraits; How to choose a Helpmeet; What is Man? and much more in this rich and racy annual, which sells for 25cts. S. R. Wells, publisher, New York.

An Old Veteran.

We noticed a short time ago, the death, in England, of a hero of Waterloo, aged 76 years. Those old soldiers are few now. There lives above Streetsville one of them, John Leslie, sen., at the advanced age of 86 years. Recently, he walked from his son's residence to his own, a distance of five miles. Long may he live to recount to his grand-children and great-grand-children the stories of that olden time when England had to bless the Iron Duke and his veteran troops for breaking the power of Napoleon.

Large Potatoes.

We were shown a couple of very handsome potatoes of the Early Rose variety, grown by R. Young, Georgetown, one of which weighed 21 ounces and the other 13. There had been eleven potatoes in the same hill. Their habit, he tells us, is to grow close to the stems. This will make them easily dug, and allow of their being planted more closely in the hill or drill, as the case may be. The Early Goodrich is said however, to be superior to the Rose. Complaints of rot are frequent, but we hope this staple will be little harmed.

The Lady's Friend.

A steel engraving of Portia, the heroine of "The Merchant of Venice," opens the September number of this charming periodical. This is followed by the usual large and brilliant Fashion Plate, by an appropriate engraving of a pic-nic, and by engravings of Children's Fashions, &c. Among the literary matter are "The Prize of Two Men's Lives," by Amanda M. Douglass; "Roland Yorke, by Mrs. Henry Wood, &c., &c. Published by Deacon & Peterson, 319 Walnut St., Philadelphia, at $2.50 a year (which also includes a large steel engraving.)

Comedy.

The Taylor Burlesque Troupe delighted a large audience at Georgetown, on Saturday night. Taylor's "Yorkshire Sam," and "Simple Simon," and in fact his whole list of eccentricities, are comical in the extreme. Although Taylor is a host in himself, the troupe contains beside him, the veteran comedian, Mr. J. R. Spakman, Mr. Geo. H. Barton, and other members of the Holman Opera Troupe, of Toronto. Milton was not favored with their presence, although the commodious Town Hall would doubtless have been crowded if they had performed here.

Heard From.

As many anxious enquiries are daily made as to the location of our aristocratic friends, "The Kings," we publish the following card, which was clipped from the Bay City *Signal*, *free*:—

A. M. KING,
LAW OFFICE.
Office, with Messrs, Witthauer & Evans, Land Agents, &c., McEwan's Block, Water street, Bay City, Mich.

If any of our town merchants have collections to make in that locality, they will maybe send it to Mr. King, or maybe, again, they won't.

Accident.

A serious accident occurred at the Farlton Mills, near Hornby, on Tuesday, to a boy about 14 years old named Ostrander. It seems he was engaged in attending a circular saw in the mill, and when conversing with another person, threw out his right hand, which was struck by the revolving saw and seriously mangled. Dr. Fox, of Hornby, assisted by Dr. Freeman, of Milton, skillfully attended to the wants of the unfortunate boy, and found it necessary to amputate the third finger. It is thought the other fingers can be saved. At last account the patient was doing well.

Cricket Match

The match between the Milton and Brampton clubs took place at Brampton on Friday, the 20th inst. The shocking ground on which the match was played accounts for the small scores made by both elevens. The fielding was particularly good on both sides, and the kind, gentlemanly treatment the Milton men received from their Brampton friends will not easily be forgotten. As will be seen by the following score, the Miltonians were victors by 19 runs.

DR A. TRASK'S MAGNETIC OINTMENT CURES CROUP OR RATTLES

Dr. Bingham, of Utica, New York, says:—I have used Dr. A. Trask's Magnetic Ointment in my practice a number of years, and can say with pleasure I deem it one of the greatest discoveries of the age; for the cure of Inflammation of the Lungs, Inflammation of the Bowels, Inflammatory Rheumatism, and in Childbed Fever, it operates with perfect success.—In cases of Burns, Bruises, Frozen Limbs, it acts like a charm.

Dr. J. P. Kennedy, of Chittenango, N. Y., says:—It has stood the TEST TRIAL, and not been found wanting. Its astonishing cures of Inflammation of the Lungs and Croup, and the wonderful success in subsiding the torturing pains of Rheumatism, and relieving nervous affections, entitle it to a high rank in the list of remedies for these complaints.

Dr A. W. Belding, of Knowlesville, N. Y., says:—I have used it in several cases of Special irritation and for the worst cases of Piles, and sundry other complaints, and find it a superior article and well worthy the notice of all.'

Purchasers should be sure and ask for Dr. A. Trask's Magnetic Ointment, and see that that the words "A. Trask's Magnetic Ointment" are on the wrapper.
