NASSAGAWEYA COUNCIL.

The Municipal Council met pursuant to adjournment, on Monday, the 6th day of December, at the usual time and place.

Members all present except the Reeve, who arrived a short time after.

The minutes of last meeting were read and confirmed.

On motion, a petition of Mr. George Abrey and twenty-four others was received and read, praying the Council to close the road now running at the upper side of his grist-mill, on the east half of lot no. 3, 4th concession, and establish the road passing at the south side of said mill, it being more convenient for the travelling public.

The road committee, composed of Messrs. B. Kean and Easterbrook, presented their report, stating that they had examined the side-line between lots 15 and 16, 6th concession, and recommend a grant to Wm McGlaughlin, the sum of $3, to make a culvert, and a farther sum of $15 to make a causeway; also, the sum of $20 to Wm. Cusick, to build a bridge across a creek between lots 15 and 16 in the 1st concession.—

The Tavern Inspector presented his report, to the effect that he had inspected the several taverns in this municipality, in the months of February and November, and found them all correct according to by-law.

Mr. Elliott moved, seconded by Mr. Kean, that the sum of $6 be granted to George Easterbrook, to be expended in aid of Ann Alcock, and a farther sum of $2 to Andrew Kerr, for the funeral expenses of Ann Springsteen.—Carried.

Mr. Easterbrook moved, seconded by Mr. B. Kean, that the petition to the Ontario Legislature, praying for the erection of an asylum for the instruction of the blind of this Province, be received and read.—Carried.

Mr. B. Kean moved, seconded by Mr. Easterbrook, that the petition to the Legislature of this Province, just read, be adopted, and that the Reeve be instructed to sign, and the Clerk to countersign the same, and forward to the several branches of Parliament forthwith.—Carried.

Mr. Elliott moved, seconded by Mr. B. Kean, that the sum of $6 be paid to D. Wingrove for plank, and for repairing a bridge on the cross-road between lots 10 and 11, 2nd concession.—Carried.

Mr. B. Kean moved, seconded by Mr. J. Kean, that the sum of $3 be paid to Jas. Monoghan, for labor performed on the Guelph Road.—Carried.

Mr. B. Kean moved, seconded by Mr. Easterbrook, that a by-law providing for the municipal election of this township for the incoming year, be read a first time.—Carried.

By-law read accordingly,

Mr. Easterbrook moved, seconded by Mr. B. Kean, that the by-law just read be read the second and third time and passed.—Carried.

Said by-law was then read the second and third time and passed.

Mr. Elliott moved, seconded by Mr. J. Kean, whereas an application has been made to this Council to establish a road leading past the southerly part of Mr. Abrey's grist-mill, and also to shut up the present travelled road—resolved, that the Clerk be instructed to publish a notice in one of the County newspapers to that effect, so soon as the petitioner agrees to pay the expenses thereof.—Carried.

JOHN EASTERBROOK,
Township Clerk.

ODDS AND ENDS.

A Southern negro dandy tried a preparation of glue to take out the "kinks" and it took them out—also took his hair off.

The Indians are not so bad after all—their desire to collect human hair is only to be in fashion, and it is cheaper to secure it on the spot than to go over to Europe.

An Irishman took the cars at Boston for Worcester. On jumping from the cars he remarked that "if he had known he could have made the journey in so short a time he would have walked afoot."

Suppose a canal-boat heads west northwest for the horse's tail, and has the wind abeam with a flaw coming up in the south, would the captain, according to maritime law, be justified in taking a reef in the stove-pipe without asking the cook?"

A school committee had a school marm up for an outrageous whipping of a boy. They said that the punishment was not actuated by malice, but was occasioned by an undue appreciation of the thickness of the boys pantaloons, and brought in a verdict of "Not guilty, but mustn't do it again."

TIMELY NOTICE.—In the midst of your Christmas revelry do not forget McDougall—cabined, cribbed—at Pembina. A Governor without a Governorship, is very much like a plum pudding, in which the plums have rebelliously refused to be controlled by the suet!—*Diogenes.*

The San Francisco News Letter gives the following in reply to a correspondent:—Young Mother—Your little poem upon "Baby" is a gem, and we regret that we have not space for so exquisite a tit-bit. If you have a fault it is the trifling one, common to all young writers, of sacrificing melody to hard sense. The third stanza is a striking instance:

Duxury doodle um dinkle um dum,
Tum to its muzzery muzzury mum;
Tizzery izzery bouncy boo,
No baby so sweet and so pity as oo.

EPITAPH.—From Sheham near Sunderland, on Joseph Blacket, a shoemaker and poet:

Stranger! behold interred together
The *souls* of learning and of leather.
Poor Joe is gone, but left his all
You'll find his relics in a stall.
His works were neat, and often found
Well stitched and with morocco bound.
Tread lightly—where the bard is laid—
He cannot mend the shoe he made.
Yet he is happy in his hole
With some immortal as his sole.
But still to remove he has no [illegible]
And back to resume on the last
Then was [illegible]
We only [illegible]
For [illegible]
And if he did, [illegible]
