Local Intelligence.

THE Hanlan-Kennedy boat race was postponed from yesterday to to-day on account of rough water.

A VALUABLE HORSE.—Mr. John White has refused $800 for Marquis, the four-year-old brother of Cancellor.

DRILL.—No. 7 Co 20th Lorne Rifles will meet for drill on Monday evening at seven o'clock. A few good recruits wanted.

APPROPRIATELY enough the name of the keeper of a "temperance" hotel in Scottacted Milton is "Lush."—Spectator.

MR. WILMOT, of Newcastle, has been placing 100,000 small white fish and trout in the lake a short distance above Port Credit.

PERSONAL.—Mr. A. F. Campbell, editor of the Brampton Conservator has gone to Denver, Colorado, on a trip. We hope it may prove a pleasant one.

HOW'S THIS?—We observed an express wagon with a cargo of eight barrels of empty ale bottles on its way to the railway station the other day. "Prohibition prohibits," doesn't it?

COUNTY COUNCIL.—The June session of the County Council will be held on Tuesday, when the principal business to be transacted will probably be the equalization of the assessment rolls of 1882.

PERSONAL EXCHANGES.—The Rev. W. Bonnelly, of Palermo, officiated last Sunday at Grace Church, here, and St. Stephen's Church, Hornby, Rev. W. J. Mackenzie took his duties at Palermo and Omagh.

THE lighthouse built at Port Credit last fall was completed by the lantern being placed upon it last week. The light is a very fine one, being a dioptric of the sixth order, and will be visible eleven miles.—Peel Banner.

THE Queen's Birthday passed off very quietly throughout Halton, there being none of the usual celebrations by games, &c., in any of the towns or villages, and pleasure seekers generally went either to the races at the Woodbine Park, Toronto, or to Brampton.

A WOMAN named Robinson was run over last week by a Grand Trunk Railway train going west at Georgetown, near the station, and had both her legs taken off and was otherwise badly bruised. She died during the night. She and her husband had recently moved to Georgetown from Muskoka.

A REPORT of the votes and list of the parties granting a loan of $75,000 to the Hespeler Bros. M'f'g Co'y was made by Messrs. Scott on Monday last. On Tuesday morning he gave it as his decision that the by-law was carried, but promised a more explicit decision in a few days.—Peel Banner.

A PLEASANT entertainment in the town of Oakville Miss Annie Laidlaw, the daughter of the station-master, made her debut. Miss Laidlaw was a pupil of Miss Hilary. She has a rich contralto voice, and with a little more training bids fair to become one of our Canadian celebrities in song.—Ibid.

A VERY handsome quilt made by the Women's Guild of Christ Church is on exhibition at Harvey & Crawford's. The quilt is a compound of rombords of colored silk, with a heavy border of dark velvet, ornamented, with figures. It is said that the quilt is intended as a wedding present.—Peel Banner.

FROST DATES.—Mr. Vennor writes:—"There are 'usual dates' for frosts in May and June, and if the people won't bear the truth manly we must remind them for their own good. So, too, are there dates of storms and disturbances during the summer months. To fix these is my whole argument. Please never couple my name with 'prophecy' or 'prediction.'"

REMARKABLE.—While the Temperance Hotel here has proved a financial failure, the proprietors of the other three Milton hotels have all purchased pianos since the Scott Act went into force. Under these circumstances discussion as to whether liquor sellers should be indemnified for loss of business or depreciation of the value of their property under the Scott Act seems superfluous.

FROM MONTANA.—Mr. J. D. Matheson shares with the ministers of Billings, Montana, the privilege of tying the matrimonial knot, as will be seen by the following item, which we clip from the Billings Post:

On the 13th inst., Mr. Nick Klos was united in marriage to Miss Ella Hanna, both of Billings, the ceremony being performed by J. D. Matheson, J. P. Nick's friends showed their good feeling by giving him an impromptu serenade in the evening, to which he liberally responded.

HALTON LIQUOR CASES.—In the case of Queen v. Walsh a *certiorari* was granted on Friday at Osgoode hall to bring up a conviction, for the purpose of quashing it, made against the defendant, an Oakville hotel keeper, for selling liquor contrary to the provisions of the Scott Act. In the Queen v. Bennett, a case of the same kind, a long argument was heard on a motion to quash a conviction. The chief point was whether or not the convicting Magistrate could amend his conviction after a return had been made. Judgment was reserved.

MELANCHOLY DEATH.—On Thursday last Mr. John Swackhammer, sr., met with a very untimely death by drowning, in the stream running a few yards from his own door. The old gentleman, who had lately become very feeble, went out for a walk in the forenoon, and having been gone for an unusually long time his friends went to search for him, finding him lying on his face in about four inches of water. It is supposed that while walking beside the creek he had stumbled, falling into it, and not having sufficient strength to remove himself, was drowned. He was eighty-seven years of age, and one of the pioneers of this district, and was respected by all. The funeral was held on Sunday and was largely attended.—Acton Free Press.

SOCIAL.—The ladies of Zimmerman Methodist Church will hold another of their popular socials at the residence of Mr. Amos Dorland, Town Line, on Thursday evening, June 7th. Supper served from seven to nine, after which an excellent musical and literary programme will be contributed, far surpassing what is usually looked for on such occasions. In addition to our well-known local talent, considerable outside assistance from Waterdown and elsewhere is confidently expected. Mr Dorland's residence and grounds are among the finest and most commodious on the Town Line, and afford rare facilities for an evening's social enjoyment. Mr. Dorland and family will be pleased to see their friends upon the occasion.

COURT OF REVISION.—The Milton Court of Revision has been sitting this week, having about eighty appeals to take under consideration. Party feeling runs high and the court has been constantly crowded. It is more than likely, as a number of the applicants whose cases have been disposed of express themselves dissatisfied, that His Honor Judge Miller will have the final disposal of their appeals.

SHOOTING ACCIDENT.—On the Queen's Birthday William Sitzer, a boy about twelve years of age, in the employ of Messrs. Hemstreet & Bastedo, and son of Mr. Edwin Sitzer, of Trafalgar, was amusing himself and celebrating the day by shooting at a mark with a revolver, in front of Mr. R Trick's residence, where he was boarding. The boy had the revolver cocked and was about to fire a shot when someone approached, and he desisted and endeavored to let the hammer down to half-cock. It slipped and discharged the pistol, and a 32 calibre ball struck him on the inside of the upper part of his thigh going downwards and lodging somewhere among the muscles of his leg, where it still remains, as the surgeons who probed for it were unable to find it. Though the wound is a very serious and dangerous one, we are happy to say that the boy, under the care of Drs. Robertson and Bennett, is doing very well, and it is hoped that he will soon recover.

THE entertainment held in Bell's School on the evening of May 24th proved a grand success. The singing of the Carey family exceeded the expectations of those present and will not soon be forgotten by those who had the pleasure of hearing them. By special request they sang the "Fire Bells," which was a treat in itself. Mr. Morse's rendering of "Peek-a-Boo" was so amusing that it led to the question, "Is he a married man?" Messrs. Kennedy and Aitkins were well titled "Humorists." The orchestra was highly appreciated The amateurs performed their part remarkably well. Rev. Mr. Keefer fulfilled the duties of chairman in a very pleasing manner. After a vote of thanks to those who took part, the entertainment was brought to a close by singing the national anthem and giving "three loyal hearty cheers." Amount realized, $47.54.

ON the evening of the 18th May an extended programme of readings, dialogues and songs was rendered by the scholars of public school, section No. 9, Trafalgar, in the Grange Hall, to an overflowing audience. This affair was apparently of more interest than the ordinary exhibitions of the kind. The pupils had their parts up well and all of them presented and delivered themselves in good style and in a manner much appreciated by the spectators. The teacher, Mr. Maas, appears to be a success as a teacher, and devoted to the interest of the school, and the section appreciates his painstaking and efficient services. Miss Minnie Williams and Bessie Appelbe contributed songs for the occasion. Only a nominal admission fee was charged. The receipts, to be expended on prize books, were $23.50.

ROBERTSON VS. ANDERSON ET AL.—This was the most important case which came up at the sittings of the Division Court held on Friday, the matter in dispute being the price of a horse which the plaintiff alleged he had sold to defendants, while the latter contended that he had commissioned them to sell it for him. The case was adjourned until July 6th.
