SONS OF SCOTLAND CONCERT.—The concert given by the above society on the 25th January (Burns's anniversary) was both financially and otherwise a grand success. The committee had spared neither pains nor expense and their efforts were rewarded with a packed house and a most pleasing and satisfactory concert. The performers, with the exception of Mr. Warrington, were all new to a Milton audience. Mrs. George Furniss, who came with the best notices, fully justified the very flattering tributes that have been paid to her by the press in Montreal and the vicinity. She has a fine soprano voice, full, strong, and of good range, and she sings in good taste and with clear and distinct enunciation. Her Scotch dialect in the songs she sang was also very correct and altogether she made a most favourable impression and will be warmly welcomed back to Milton. Mr. Warrington was in excellent trim and sang his numbers in fine voice and style. His singing of "Scots Wha Hae" was a model of purity of style and dramatic expression, and this grand old song received a most worthy rendering. The dancing of Master Willie Comming, champion boy dancer of America, and Mr. Early, of Toronto, was much admired, as was also that of the Misses McGachie and Farrell, of Woodstock. The playing of Mr. Robert Ireland, Pipe Major of the 48th Highlanders, Toronto, was considered decidedly the best that had ever been heard in the town, and was worthy of the performer's reputation as the champion piper of Canada. Misses Bennett and Dewar played a duet on the piano, for which they received a recall, and, lastly, Mrs. Campbell played the accompaniments in her usual thorough and efficient manner. Taken altogether it was one of the best concerts ever given in Milton.

What so suitable for a Xmas present as a good Fur Cap. Trade for everything else from Boots and Shoes to Overcoats. Cheaper than ever. Beaver and Astrachan Caps, Cor. King & James Sts., Hamilton.

DRAMATIC.—The Milton Dramatic club will give a benefit for the band at the town hall on Thursday evening, Feb. 9th, when they will produce H. J. Byron's farcical comedy, in three acts, "Uncle," and the roaring farce of "The Area Belle." See posters.

TIMBER SALE.—Remember the sale to be held at the Wallace House, Milton, on Feb. 11th, at 2 p.m., of timber belonging to D. R. Laidlaw, Esq., Nassagaweya. The owner will reserve the right of offering in one parcel or in four separate parcels. Terms made known on day of sale. 34-2t.

MISS LUND, of Woodstock, who has been for five years a missionary in Japan, will give a lecture on Mission Work in that country in the school-room of the Methodist church on Wednesday, Feb. 8th, at 8 p.m. Refreshments will be provided at 7 o'clock. Silver collection.

KICKED BY A HORSE.—On Tuesday of this week Leonard Robinson, son of Councillor T. W. Robinson, was kicked in the face by one of the horses in his father's livery stable. The lad's lip was cut open and two teeth were knocked out. The little fellow was badly shaken up by the accident, but is now doing as well as could be expected under the circumstances.—Streetsville Review.

HE DECIDED TO STAY.—Capt. Jas. Quinn has decided to remain in town, and last week purchased the schooner White Oak, built and formerly owned in Oakville. The price paid was $3,500 cash. The schooner has recently been rebuilt and is in excellent condition for the carrying trade. Other vessel men, it is hoped, will follow the captain's example and bring other boats to Oakville.—Star.

BOSTON CHURCH.—The anniversary services of Boston church will be held on Sunday, Feb. 5th, when the Rev. J. G. Shearer, B.A., of Hamilton, will preach. The tea-meeting will be held on Monday, Feb. 6th. Addresses will be delivered by Rev. James Murray, B.D., Hamilton, Rev. James A. Grant, Toronto Junction, Rev. William Robertson, M.A., Puslinch, Rev. Robert Haddow, B.A., Milton, and Rev. R. C. Finney, Mansewood. Tea served from 6 to 8. Tickets 25c.

ICE CUTTING.—A subscriber to the Galt Reporter writes from Kinlough, County of Bruce, and gives ice cutters a hint as to how to fill their ice-houses. He says: "Turn your town water pipe into an ice-house and fill it say an inch or more daily, or just as fast as it will freeze solid. Any ordinary place for keeping ice would do, by packing a little snow around the edges to prevent leakage till the water froze. You would then have ice the purest and best that could be got and at the least expense."

ST JOHN'S CHURCH, STEWARTTOWN.—The congregation at Stewarttown have decided with the full consent of the incumbent to have two services on Sunday. They will commence (D.V.) on the 2nd Sunday in February. Arrangements have been made with Wycliffe students to have one come out every Sunday. This course will largely relieve the Rev. Mr. Fennell, who will henceforth have only two services per Sunday. He will still have charge of the congregation, but with the assistance above mentioned.—Georgetown Herald.

HOTEL CHANGE.—Since Mr. M. E. Mitchell has assumed the proprietorship of the Wallace House it has been completely refitted and refurnished by him. Convenient ladies' parlors have been set apart and handsomely furnished. It is also heated with hot air, making it one of the most home-like and comfortable hostelries in Ontario. It has always borne the reputation of being the leading hotel in the county, and under the management of its present popular and courteous landlord the interests of its numerous guests will be well looked after and the past reputation of this well known hotel will be amply maintained.

HALTON CO. TEACHERS' ASSOCIATION.—The regular annual meeting of the Halton Teachers' association was held in the Central school, Burlington, on Thursday and Friday, Jan. 26th and 27th. There was a large attendance of teachers from all parts of the county, many of whom brought specimens of work done by their scholars from which selections were made by the committee to send to the World's Fair at Chicago. During the day sessions addresses were delivered by Mr. W. Houston, M.A., Director of Institutes, on "Mental Arithmetic," "Notation, Simple and Compound Rules of Arithmetic" and "Fractions," by Mr. J. H. Morrison on "Politeness in Public Schools," Mr. R. N. Shortill on "Physical Culture," and Mr. R. J. Wellwood, B.A., on "Raising H. S. Entrance Standard to that of the P. S. Leaving." On the evening of the first day an excellent musical and literary programme was rendered in the town hall to a crowded house. The Burlington orchestra gave three selections, Japanese fan drill by sixteen of Burlington's fair young ladies, addresses and readings by Mr. Houston, Dr. O'Hagan of Waterdown, Mr. G. E. Hill and Miss Bastedo, vocal selections by Misses Munn and Johnson and Mr. F. H. Deacon. The accompaniments were played by Miss Kautner in excellent style. At the close of the day's proceedings a resolution of thanks to the local committee and the people of Burlington for their very hospitable entertainment was moved by Mr. D[illegible] and seconded by Mr. [illegible] and carried unanimously.
