His sons are in business in Hamilton. Deceased was a veteran of '37.

BRONTE.—The CHAMPION never publishes any correspondence unless the writer sends his name with it as an evidence of good faith. In accordance with this rule a communication received a couple of days ago has gone into the waste basket. We shall be very glad if we can arrange for a regular correspondent at Bronte, who will be willing to comply with the above rule.

TURKEY DAY.—Dawson & Co. received 1500 and 500 geese ducks and chickens last Friday. The price paid for the turkeys was 8c., a cent a pound lower than was paid last year. The total amount paid out was close on $2,000. The birds are all bought with feathers on, are packed in barrels and shipped to England for the Christmas market. The heaviest turkey received this year was a 33 lb. bird; 35 went over 20 lbs. each.

CORRECTION.—Last week's CHAMPION quoted from the Burlington correspondence of the Hamilton Spectator an account of a rumpus at a session of the Burlington town council in which Councillor Renton was said to have taken a prominent part. Through a typographical error the councillor's name was spelled "Kentnor," and Robert Kentnor, of Burlington, has written to say that neither he nor anyone else named Kentnor is a member of the village council, and to ask that we should make the above correction.

BURGLARY.—A week ago last Saturday morning, at about 3 o'clock, burglars drove through the streets of Meadowvale in a democrat wagon, halted at the rear of G. W. Switzer's general store, backed the wagon up to the door, entered the building through a window, selected about $200 worth of goods, loaded them on the wagon and drove off. They also took $5.90 in cash and a quantity of postage stamps. Later in the morning Constable Hurst, of Brampton, found three men feeding a horse in the Revere House sheds. They had an empty wagon. They gave an explanation of their appearance and drove off. They are supposed to have been the burglars; but there is no other clue to them.

CATARRH RELIEVED IN 10 TO 60 MINUTES.—One short puff of the breath through the Blower, supplied with each bottle of Dana's Catarrhal Powder, diffuses this Powder over the surface of the nasal passages. Painless and delightful to use, it relieves instantly, and permanently cures Catarrh, Hay Fever, Colds, Headach, Sore Throat, Tonsilitis and Deafness. 60 cents. At J. H. McCollom.

WHO STOLE THE TURKEY?—A few days ago a young couple in Morriston were united in the bonds of matrimony, followed, of course, by the conventional honeymoon. Word was sent to the young man's old employer that he would arrive home Wednesday night and pay him a visit. The employer set to work to prepare a bang up dinner for the young people, and asked several of their friends to be present. As the time for the arrival of the bride and groom drew near the party assembled in the front room to receive them. Meanwhile some person unknown stole into the kitchen and carried away the turkey that was to fill such an important part in the after proceedings. The question unanswered in Morriston at present is, "Who stole the turkey?"—Guelph Herald.

Glen Miller, in the December Forum, contends that Mormonism is rapidly losing its influence in Utah. In proof of this, he points to the fact that Mormons and Gentiles now belong to the same political parties, that they trade in each others' stores and join the same stock companies. But more significant than all is the fact that, in Salt Lake City, 88 per cent. of the children of school age are in daily attendance at the same schools.
