THERE is nothing you could give your friends for a Xmas present that would give them greater delight than a watch, brooch, ring, chain, cuff buttons, corsage pin, and many other nice articles which will be found very cheap during this week at E. MARCHAND'S, the Milton jeweller.

ALFRED HOPKINSON, a young peddler, was assaulted and robbed on the Dundas road on Sunday morning. He was stopped by a negro who demanded money, and when he said he had none, struck him and relieved him of his satchel, containing note paper, envelopes and pencils. Hopkinson's head was cut, but he was not badly hurt.

THE death of Wm. Pitman took place suddenly at his residence, Ontario st., on Thursday. Although he had not been well for some time it was hardly expected that he would drop off so soon. He leaves a wife and three sons. One of the sons is at home and two reside in the States—one at Cincinnati; the other at Columbus, Indiana. The funeral took place to Greenwood Cemetery, Saturday.—Georgetown Herald.

A MUSICAL RECITAL was given by the pupils of Prof. Ambrose, assisted by Mrs. Keltie of Hamilton, in the Knox Church school room on Tuesday evening of this week. Those who were present enjoyed a treat and the entertainment was most creditable both to teacher and pupils. The instrumental part of the programme was given by Miss Lawrence, Miss Bennett, Miss E. Dewar and Master Eddie Campbell. The vocal pupils who took part were Miss Johnson, Miss E. Andrews and Mr. Robt. Elliott. Where all did well it would be invidious to particularize. It was very gratifying to the friends of the pupils who were present to hear Prof. Ambrose say that he had rarely had a lot of pupils whose progress on the whole was more satisfactory than the progress of those he had been teaching in Milton. The many friends of Mrs. Keltie were glad, after the lapse of a number of years, to see her once more in Milton, and to hear her cultivated and expressive singing.

CHARGED WITH SEDUCTION.—Last week Edward Sanderson, aged 24, of Esquesing, was brought before Justices G. H. Kennedy and Joseph Barber, of Georgetown, charged with seducing, under promise of marriage, Catharine Louise Bullivant, aged 19, whose father lives at Georgetown. The offence was alleged to have been committed at the Franklin House, Streetsville, where the girl was employed as a domestic. Sanderson was committed for trial under the Charlton Act, brought to Milton and lodged in jail. He was arraigned before Judge Snider, pleaded not guilty and elected to be tried before His Honor. The trial will take place on the 31st inst. It is said that the prisoner does not deny the charge except with regard to the alleged promise of marriage.

THIS IS VERY SAD.—Mr. and Mrs. Christopher Curry were called upon to mourn the death of their adopted daughter, Olive Margueretta, on Thursday last. The fatal sickness lasted but a few days and the death of the little one, who made home happy by her presence in it, is felt very keenly. A circumstance that is, however, doubly sad, we have to record in connection with the home of Mr. and Mrs. T. Galbraith, from which, since last Thursday, two children have been taken. The first, six years old, was taken last Thursday, and early Monday morning the youngest of the family of three, a little girl of four, followed, the trouble in both cases being inflammatory croup. The parents are heart-broken over the double affliction that has come upon them, and need all the sympathy that kind friends are able to bestow.—Georgetown Herald.

TOWN COUNCIL.—On Saturday the council met, when the Treasurer submitted the financial statement for the year, which was signed by the Mayor and directions given for the printing of 100 copies for distribution. The regular meeting was held on Monday evening when the finance committee reported that they had received another opinion from J. W. Elliott, Town Solicitor, advising them that the members of the firm of Geo. Winn & Son could not be counted in as operatives in the shoe factory, so as to make up the average of operatives and wages paid during the year, to entitle the firm to receive the $600.00 bonus, and advised that the matter be referred to Judge Snider to have the same definitely settled. It is said that Messrs. Winn refuse to refer the matter, so that a law suit will be the result, with an application afterwards made to the Court for an order of reference. The council negatived their action as to lighting the town hall by electricity, and directed the payment of a number of accounts.

Masonic.

A Chapter of instruction was held at Oakville on Tuesday evening. Among those present were the following officers of the Grand Chapter:—M. E. Comp. John Ross Robertson, of Toronto, G. Z. R. E. Comp. W. G. Reid, of Hamilton, G. J; R. E. Comp. Birrel, G. S. W, for Hamilton District; R. E. Comp. John Malloy, Hamilton, P. G. S. W. and R. E. Comp. Wm. Panton, Milton, P. G S. W. There was a large turnout of local Royal Arch Masons, many from St. John's Chapter, Hamilton, and a fair turnout from St. Clair Chapter, Milton. The M. M. M. degree was exemplified by Ex-Comp. Hoff, of St. Clair Chapter, Milton, and his subordinates, the M. E. M. degree by St. John's Chapter, Hamilton, and the Royal Arch by White Oak Chapter. The work was well done, particularly that of White Oak Chapter, which the M. E. Grand Z. said could not have been excelled any where in Canada. When their work was over the companions repaired to the Oakville House, where Landlord Murray Williams had a banquet prepared that did him infinite credit as a caterer and could hardly have been excelled anywhere. After the table was cleared the usual loyal and Masonic toasts were proposed and duly honored, the speech of the evening being made by the M. E. G. Z. in response to the toast of the Grand Chapter of Canada.
