AFTER a lengthened illness Mrs. Ann Eliza Hawkins, relict of the late George Hawkins, of Streetsville, and mother of A. St. George Hawkins, of the Listowel Standard, died at the residence of her son, in Listowel, on Wednesday last in her 73rd year. Deceased was a native Canadian, having been born in the township of Toronto, where the village of Streetsville now stands, in 1822. She was a daughter of the late Timothy Street, founder of the village which bears his name, who at that early period had established saw and flour ing mills on the River Credit. The late Timothy Street was the father of thirteen sons and daughters, of whom the deceased was the last survivor. She was married over fifty years ago to George Hawkins, native of Bridport, Dorset, who came to Canada West to Quebec City, where he resided for some years after crossing the Atlantic. For a period after their marriage they lived at Hornby, Halton county, subsequently moving to Streetsville, where her husband died in 1863. Deceased had resided in Listowel for upwards of eighteen years. Two sons, George E. Hawkins, of Streetsville, and A. St. George Hawkins, survive her; also two daughters, Mrs. Wm. Watkins, of Glen Williams, and Mrs. E. R. Green, of Ontario, Southern California.—London Free Press.

THERE is trouble in the congregation of St. Luke's Anglican church, Burlington. The churchwardens for last year, S. C. Colbran and F. R. Davidson, objected to the rector, the Rev. Canon Belt, interfering so much in the temporal affairs of the church, and they declined to accept re-election unless he agreed to refrain. A peace committee was appointed, and the vestry meeting was adjourned until Monday night to see if a settlement could not be arrived at, but evidently its efforts did not avail. On Monday the vestry met again, and the rector appointed W. Ghent his warden, and the people elected John Ireland to represent them. A motion to reduce the rector's salary was lost by a large majority.—Mail and Empire.
