FARMERS—Leave your order at Higginbotham & Co's for any special kind of Mangel Seed you want.

SUNDAY night's frost has done great damage to the fruit crops of the province generally. In this neighborhood the strawberries, grapes and plums have suffered most, and it is said are practically destroyed. Apple and pear blossoms are withered, but some of the fruit may mature.

WASHING MACHINES.—The Knoll washer competed with over 800 other machines at the World's Fair, Chicago, taking first premium and gold medal. A trial will convince you and cost you nothing. STOREY & FREEMAN, agents for Milton.

A. G. HEAVEN, of Oakville, was in the city on Saturday. Recently he fell heir to $50,000 through the death of an aunt in England. A brother of E. G. Barrow, Assistant City Engineer, received $12,000 under the same lady's will, he having married a niece. Mr. Barrow is a clergyman in England.—Hamilton Times.

A NEW FARM IMPLEMENT.—I have secured the right of the Daniel's Folding Hay and Stock Rack, patented Sept. 1st, 1894. The most complete rack ever invented. Send in your orders.—CHAS. BROWN, Drumquin. 48-2m

AN EX-MILTON FIRM.—The Daily News Advertiser, of Vancouver, B.C., of the 8th inst., contains a description of a splendid new store which has been erected and is now occupied by H. McDowell & Co. (Ltd.) druggists and is the finest in the province. Mr. McDowell learned his business in Milton in the establishment of the Henry Watson and one of his partners is Mr. Watson's eldest son, H. H. Watson.

WOOL WANTED.—50,000 lbs. of clean washed merchantable wool, for which the highest price possible will be paid, delivered at the Market House, Georgetown. Deliver early, so that it will be all in by the end of June.—WM. MCLEOD. 48 4t

THE 24TH AT GEORGETOWN.—The horse races at Georgetown on the 24th promise to be even more successful than those of former years. The track there is in first class condition and the excellent grand stand and grounds make it possible to witness the events with great pleasure. The calithumpian procession will be a wonderful affair and the lacrosse and ball matches of more than ordinary interest. The committee are hard at work in their effort to make the day so successful that everybody who goes will be delighted. The railways give single fare, good going 23rd and 24th and returning up to 25th.

HAVING purchased the late Mr. Gorrie's interest in the pump factory, formerly owned by J. M. Fields, I am now prepared to supply pumps, cisterns, piping, &c. Wells and cisterns cleaned. Repairing promptly done.—W. H. REID, Milton. 48-6m.

LACROSSE.—The annual meeting of the Olympic Lacrosse Club held at the Wallace House on Monday evening was the largest and most enthusiastic held for years. The club have good prospects of placing a first-class team in the intermediate series this year. The shedule will be arranged in Brampton on Saturday. M. E. Mitchell will look after the interests of the club at the meeting. The following officers have been appointed for the present year:—Hon. Pres., Col. Campbell; Pres., R. L. Hemstreet; 1st Vice-Pres., R. S. Porter; 2nd Vice-Pres., Thos. Ford; Captain, Chas. Burrows; Sec'y, W. H. Wilson; Field Captain and Manager, M. E. Mitchell; Executive Committee, M. Brush, W. POLICE COURT.—There were two cases this week. C. B. Patterson, J.P., had J. Musgrove up before Magistrates Young, Reynolds and Kelley last Saturday morning charged with shooting with intent to kill. The plaintiff warned the defendant to keep his hens off his place. This was not complied with, so C. B. shot at the poultry, and in turn Musgrove let fire, too, which C. B. thought came too near himself. After hearing all particulars the court dismissed the charge. Then on Monday Thos. Aldwell, of Clarkson, had business in R. S. Appelbe's office. A battle of words occurred, and Aldwell let drive at the lawyer. Mr. Appelbe laid a charge of assault before Magistrate Macdonald, who, with Magistrate T. Patterson, tried the case. Aldwell admitted the offense and was bound over to keep the peace for two years, and had the costs to settle.—Oakville Star.

KARL'S CLOVER ROOT will purify your Blood, clear your complexion, regulate your bowels and make your head clear as a bell. 25c., 50c., and $1.—Sold by J. H. McCollom.

WHILE driving with his family to Cooksville on Sunday, W. Peaker had an experience which might have ended with serious results. When within about a mile and a quarter of the village, he was met by a number of bicycles, and drove as near the ditch as possible in order to allow them the best of the road. When within a very short distance one of the riders fell from his wheel, whereupon Mr. Peaker's horse took fright. The vehicle was overturned and its occupants, seven in all, thrown out. Mr. Peaker received several scratches about the face and other injuries; one of the children had an arm dislocated; the others, with the exception of a few bruises, escaped uninjured. The horses sustained considerable injury, and the buggy was badly broken. But under the circumstances, considering that there were a number of young children in the buggy, Mr. Peaker has a right to be thankful that the results were not more serious.—Brampton Conservator.

WINN VS. MILTON.

It is pleasing to be able to announce that there is some prospect that the law suit between Geo. Winn & Son and the Town of Milton may possibly be settled, and that negotiations with that object are now in progress. It the parties to the suit can come to an understanding and the heavy law costs of the appeal can be saved it will be a good thing for all concerned.

The town council met yesterday evening, when a report from a special committee on the suit was adopted as follows:

To the Mayor and Council Assembled:

The committee appointed to meet Mr. Geo. Winn re terms of settlement beg leave to report—That in consideration of the council withdrawing the appeal and paying him the amount claimed for the year 1894 the said Geo. Winn, for the firm of Geo. Winn & Son, consents to the following during the continuance of the agreement:

1. That Wm. Winn shall not be counted as an operative either as to time or to wages received.

2. That 52 weeks be counted as one year in striking the average amount paid per week.

3. That the company shall not count any operative who works less than 30 hours per week, or in case of piece work, unless they earn at least $3 per week, except in case of those who earn less than this amount when working full time.

4. That all the operatives shall sign the pay roll weekly, showing the number of hours worked and the amount earned per week, pieceworkers to certify only to the amount earned.

We, your committee, recommend a settlement on the basis above mentioned and a stay of proceedings re appeal for a sufficient time to get the matters legally completed.

J. H. MCCOLLOM, Mayor.
D. ROBERTSON, Reeve.
E. F. EARL.
J. S. DEACON.
