

SPOTLIGHT ... on school bus orientation day

Parents and first-time riders learned school bus safety rules and procedures during the School Bus Orientation Day hosted by Halton Student Transportation Services at Christ the King School Saturday. The day featured a classroom presentation on school

bus safety, including a special Winnie-the-Pooh video and a demonstration on a school bus. School bus company safety officers and bus drivers talked to the children about safely getting on and off of the bus, proper behaviour on a school bus, crossing the street to get to a waiting bus and overall school bus safety. In addition, a handout was provided to all young riders with tips on school bus safety.
