ARRAIGNED.—On Tuesday Robert Coon was arraigned before His Honor Judge Hamilton for entering John E. Robert's house in Nassagaweya in 1892 and taking therefrom some articles of clothing and a revolver. He pleaded not guilty to the indictment, and his trial was fixed for Tuesday, Nov. 5, at 11 a.m.

Before buying your new fall hat, call at Treble's and save 25 per cent. The finest stock of fedora and stiff felt hats at the lowest prices.—Cor. King and Jas. streets, Hamilton.

CHURCHVILLE BURGLARY.—Tuesday night the store of L. A. Fogarty, at Churchville, was raided by thieves. Salmon, sardines, tobacco, crackers and cheese, and anything that would eat well was the stuff selected; this, with the fact that the schoolhouse on the hill showed signs of having entertained a festive party the night before, points to local toughs as the housebreakers.—Brampton Banner.

HAVING purchased the late Mr. Gorrie's interest in the pump factory, formerly owned by J. M. Fields, I am now prepared to supply pumps, cisterns, piping, &c. Wells and cisterns cleaned. Repairing promptly done.—W. H. REID, Milton. 49-6m.

SALE.—On Wednesday of this week the executors of the late Chas. Porter, of Nelson, held an auction sale of the surplus stock of the estate, when the following well known horses, with others, were sold: Porter's Hambletonian, to T. G. Easton, for $105; King Tom (green pacer) to Robt. Porter, of Stratford, for $625; Kingfisher to John Orr, of Meadowvale, for $150; George Stanton to E. Fillman, of Hamilton, for $150; Tom Stanton to Mr. Motavish for $96, and the Geneva yearling colt to a Mr. Lee for $225. Geo. Andrew, of Oakville, was the auctioneer.

HAVING secured Mr. Henderson's bakery, I am prepared to supply the public with A No. 1 Bread, Cakes, &c. Something new—Vienna Rolls and Duchess Brown Bread. Give me a trial. Satisfaction guaranteed.—W. HARDY

THE DR. SUED.—Joshua Hixon, of Bronte, has sued Rev. Dr. Wild for $926, for wages as manager of the Dr.'s farm near Bronte.

FARM SOLD.—R. J. Lightle, who advertised his farm in the CHAMPION last month, sold to Owen Robertson the 50 acres adjoining him and the other 50 acres to Jas. Hanley.

CHURCH OPENING.—Posters are out announcing the special services in connection with the opening of the new Grace Church, Milton, which will take place on Tuesday, Nov. 12. Further particulars next week.

BURGLARY.—On Thursday evening of last week the store of M. Beattie, of Campbellville, was broken into, entrance being made by raising some of the boards of the platform in front of the store and opening a window that led into the cellar. A number of overcoats and other articles, to the value of about $70, were carried off, no clue being left that the thieves could be traced or followed.

Nobby fedora hats at $1.00, worth $1.50. Extra quality at $1.50 and $2.00 each. The latest London and New York styles at Treble's, cor. King and James streets, Hamilton.

ACCIDENT.—At the funeral of Mrs. D. Burtch, of Trafalgar, last week, some sudden stoppage was made in the procession shortly after starting that caused Mrs. Henry Carrique to be thrown out of her buggy. Mrs. Carrique received some very severe bruises on the face. Dr. McCrimmon, being present, attended to Mrs. C., and her injuries have progressed favorably.

FISH POND.—A number of the members of the Limestone Fishing Club were out from Hamilton last Friday and let a contract for the excavation of a large pond, which, when finished, will increase their fishing facilities greatly. Among those present were: D. R. Dewey, president of the club; J. Lottridge, of the Grant Brewing Co.; T. Hood, of the Royal Hotel; Mr. Dally, manufacturer, and Mr. White, cigar manufacturer.

ALL citizens of Brampton have now free access to the town library, subject to such rules as the board of management may adopt, without paying any fee as before, the town assuming all expenses for rent, books, &c. The board of management on the part of the town are Messrs. W. H. McFadden, Holden, Morton; by the school board, Messrs. Volmer, H. Roberts, W. J. Galbraith. The mayor is an official member of all committees. The expense to the town for all necessaries will be about $500 a year.—Times.

KILLED AT WINONA.—A fatal runaway accident occurred at Winona on Thursday afternoon. When Mrs. Switzer was driving down the Smith mountain road with her daughter, Mrs. W. J. Paterson, and another married daughter, the horse became unmanageable and ran away. The three ladies were thrown out, Mrs. Switzer receiving severe injuries about the head, and died almost immediately. The other ladies were not seriously injured. Mrs. Switzer lived near Streetsville. She had been visiting her daughter, Mrs. Paterson, and was on her way to the station to go home when the accident occurred.

STOCK STOLEN.—On Friday or Saturday night last some person or persons stole from the farm of Squire Crawford, 3rd con., east, Chinguacousy, six head of cattle. On Wednesday they were seen on Yonge st., Toronto. The detectives are after the thieves. About the same time Jesse Watson lost a number of sheep. Last year a great deal of thieving of the same kind was carried on in this county. If the guilty parties are discovered an example should be made of them.—Brampton Conservator.

ATTEMPTED BURGLARIES.—On Sunday evening last an attempt was made by some parties to gain an entrance into the store of W. H. Lindsay by cutting with a diamond a pane of glass at the rear of the store; but from some unknown reason no entrance was effected. On Wednesday morning, about 1.30, Mr. Johnstone, furniture dealer, returned from Freelton and on gaining the rear end of G. A. Hemstreet's store, in the alleyway next the postoffice, a revolver was shoved up into his face and he was told to stand, when immediately the shooter went off. Mr. Johnstone went back to Main st. met Nightwatchman Downey, and together they went into the alleyway and saw three men running through the rear yard and down Mary st. east, where they were lost sight of. A one-horse rig passed over the Main st. bridge, going north, shortly after the shot was fired, and it is supposed it belonged to the burglars. On examination it was found that the rear cellar door of Messrs. Head & Co's shoe warehouse had been forced open and an entrance made, but Mr. Johnstone, coming on the job so suddenly, before they had time to make their way out of the cellar into the shop, they were frustrated in their designs.

We can safely say that the position and stock that of Bristol purchasers gave sales in Milton is now to be seen in Higginbotham & Co's show cases. Call in and see the display.

A NEW KIND OF TRAMP.—On Monday a well-dressed man arrived in town and represented himself as a railroad foreman with a gang of five men. He was looking for a boarding house for himself and men and found one in the heart of the village, where he put up for night and breakfasted; he then found one up town and, after completing arrangements asked the lady of the house for a lunch for one of his men, which he received, together with a lunch basket. He has not been seen since; neither has the basket.—Streetsville Review.

SHILOH'S CURE, the great Cough and Croup Cure, is in great demand. Pocket size contains twenty-five doses only 25c. Children love it. Sold by J. H. McCollom.

WATER.—Last week our waterworks committee, believing that an additional water supply to the reservoir was necessary on account of the number of ratepayers asking for the same, secured B. Walbrook, of Oakville, and had him "gi" over the ground in rear of reservoir and on the face of the mountain to ascertain if an additional supply could be obtained by digging for it. Mr. Waldbrook went over the ground, examining it carefully and pronounced a running stream of water running parallel with the mountain. After this opinion we expect to see the committee commence operations forthwith and trust that Mr. Waldbrook's opinion will be verified.

JOHN'S GIFT.—The old gentleman of Springfield-on-the-Credit who received the gift of an infant from an unknown, with the alleged compliments of "son John," was in town on Monday. The old gentleman had the source of trouble with him and was looking for advice as to its disposal. He claimed to know the young lady to whom it belonged, and threatened to leave it at her home, but a friend advised him to go slow and not say too much or he would have a suit for slander on his hands, for he cannot prove the mother. At last the Springfield man went away resolved to pass along the present to the township council, and the next thing we may hear of is Sir Melville with his arms full.—Brampton Banner.

THE best proof as to the virtue of any medicine is the public verdict. Our increasing sales for Binges' Compound Syrup of Horehound for coughs and colds proves it to be a first-class remedy. Try it. Large bottle 25cts.—Higginbotham & Co.

SLEPT IN THE SHED.—A Nassagaweya farmer came to town Wednesday, with a load of new wheat, and took home a load of old rye—in the liquid state When he got to the second stone school house on the York road, he lost his bearings, also his hat. The horses turned round and made back to Dick Mac's. Dick was in his bed—his head resting on that safest of all pillows, a good conscience—and did not hear the arrival. Next morning the Nassagaweya man and his horses and wagon were found in the shed. The wagon was empty, but the man was still full, and he wasn't fanning himself to keep from suffocating either.—Guelph Herald.

KARL'S CLOVER ROOT will purify your Blood, clear your complexion, regulate your bowels and make your head clear as a bell. 25c., 50c., and $1. —Sold by J. H. McCollom.

A FUNNY POLICEMAN.—It is a queer man Brampton pays a salary to act as policeman. For three days of this week a drunken moulder went about the streets berating unoffending citizens with his dirty tongue. Every day he had two or three victims of his alleged grievances. If the bonused shoemaker had made a pretence at doing his duty the blackguard would have been put away to cool his heels. Can it be true, as said, that the bombastic chief is afraid of the fellow! What a difference there was in the agility of the chief when somebody told him a boy owned the dead horse lying in John st. He was after that boy like a house afire and, metaphorically speaking, could be heard over the whole town bawling "Where is Bob ———." You see Bob is only a kid, and had he been the guilty owner must surely have died of fright.—Brampton Banner.

We have a magnificent line of note paper, envelopes, writing tablets and stationery of all kinds. Give us a call when wanting anything in that line.—Higginbotham & Co.

BURLINGTON YOUNG LIBERALS.—The Young Men's Liberal Club of Burlington held its re-opening meeting on the evening of Oct. 22nd. There was a good attendance and all were in good spirits. The present outlook is suggestive of the good work done last winter. Nominations were made for officers, and the elections are to be held Tuesday, Nov. 12th. The following gentlemen were nominated: President, D. A. Ghent; Geo. Martin; First Vice-President, A. Moffat, W. F. W. Fisher; Second Vice President, A. Lindley, P. Haney; Third Vice-President, M. Griffin, W. H. Easterbrook; Secretary, M. Hatton (acclamation); Corresponding Secretary, E. H. Cleaver (acclamation); Treasurer, W. Thomas (acclamation); Executive Committee, H. Sneath, H. Rowsom, O. S. Springer, J. N. Ogg, H. Douglas, Dr. R. J. Husband, W. F. McGiverin, W. J. Brush, D. Jardine and F. Douglas. The nominees are arranging themselves on two tickets, and a vigorous but kindly contest is expected.

Captain Sweeney, U. S. A., San Diego, Cal. says: "Shiloh's Catarrh remedy is the first medicine I have ever found that would do me any good." Price 50c.—Sold by J. H. McCollom.

LAST Saturday afternoon saw the funeral of one of the pioneers of Esquesing. After an illness of several weeks, William Preston, aged 68 years, died last Friday morning. Deceased was highly respected by all. In religion he was a Baptist and had been a pillar in the Baptist church at Carlton until it was closed a few years ago. Since that time he has been a consistent adherent of the Presbyterian church. In politics he was a Liberal, also a strong advocate of the temperance cause. The remains were interred in Ashgrove cemetery. The funeral service was conducted by Rev. G. T. Tough and Rev. Mr. Clark, Omagh. The deceased leaves a widow, two sons (James M., who lives at home, and Thomas P., professor in Forest Hill School), and one daughter, Miss M. J. Preston, who also lives at home. The sorrowing friends have the sympathy of many. Mrs. Preston and Miss Preston were unable to attend the funeral, but are slowly recovering.
