THE CHAMPION

MILTON, OCT. 6, 1898

THERE were 4939 votes polled in Halton last March in the Barber-Kerns election for the Ontario Legislature. Last Thursday there were only 3166, or 1773 less, recorded for and against prohibition, the same voters' lists being used. The vote being so small, the majority of 622 for prohibition carries no weight.

Toronto, Sept. 30.—The Dominion of Canada voted on the question of prohibiting the liquor traffic within its borders. The majority of the electors who voted recorded themselves as in favor of the affirmative side of the question. According to latest returns that majority is 17,929.

The reports show that the election was conducted quietly, indeed, almost apathetically. The following is the vote by provinces:

At Winnipeg.

Winnipeg, Sept. 29.—(Special.)—It is estimated that prohibition carried in Manitoba by about 8000 majority, a falling off as compared with the vote of 1896. In this city the total vote polled was 2376, of which 1451 for and 925 against.

British Columbia Returns.

Victoria, B. C., Sept. 29.—In Nelson a larger vote was polled than generally expected 191 for, 120 against prohibition. Ymra 9 for, 14 against. Following are the majorities: Wardner, 1 against; Rossland, 19 for; Revelstoke, 21 for; Kamloops, 57 for; Robson, 11 against; Balfour, 4 against; New Denver, 23 for. Three Forks, 3 for; Ainsworth, 10 for; Kuskanook, 2 for; Sandon, 11 against; Slocan City, 20 for; Nakusp, 4 for; Kaslo, 5 for. There are a few other outlying points not yet heard from.

Toronto, Oct. 4.—The Prohibition plebiscite returns from a number of constituencies are still incomplete, so that it is impossible to give the total vote, but according to the latest figures the majorities by provinces are as given below. Later returns have increased Quebec's majority considerably, thus decreasing the grand total in favor of prohibition by several thousands. Summary:

	Majorities For	Against
Ontario	17,840	
Quebec		51,290
Nova Scotia	17,840	
New Brunswick	13,715	
Prince Edward I.	6,160	
Manitoba	5,099	
N. W. Territories	1,992	
British Columbia	538	
	62,926	51,290

Total Dominion majority for prohibition 11,636.

Bowman, Oct. 4.—The official count of the plebiscite in West Durham gives 908 majority in favor of prohibition. The total vote polled was 1984, the registered vote being 8995, so that 2011 votes were not cast out. This is significant, for West Durham is preeminently a temperance riding. The prohibitionists are terribly disappointed over the result and strongly condemn the electors for their stolid indifference.

The Prohibition Plebiscite.

Elsewhere will be found a statement of last Thursday's vote on prohibition according to the reports telegraphed after the closing of the polls. These will be changed more or less when the official figures come out, and later returns show a reduction in the majority for prohibition at first estimated. It is now figured at 11,636.

The official figures for this county, as announced yesterday by Returning Officer McLeod, are as follows:—

The County Fair.

The 46th annual exhibition of the Halton Agricultural Society was held here last Thursday and Friday. The weather on both days was exceptionally fine and the fair was one of the most, perhaps the most, successful in the history of the society. The attendance was large, the gate receipts being between $560 and $570. This sum has been exceeded at former exhibitions here, but at none were the exhibits finer than they were at that of last week, while the number of entries was much larger than ever before. In horses alone there were over 300, including many of the prize winners at the Toronto Industrial Fair, there was a particularly fine show of hogs, 80 entries, sheep 140, and poultry about 500. The exhibit of cattle might have been larger, but a number of extra choice animals were shown.

The display of grain and roots, except potatoes, was the best ever seen in the county, and that of fruit was excellent, while it is doubtful whether that in the fine arts department could have been equalled in any other county in Canada. The exhibits in the dairy, domestic, apiary and ladies' work departments were never better or more numerous.

There was good sport in the forenoon of Friday at the races on the half mile track of the society, the result being as follows:

3-Minute Trot or Pace—T Williams's "Jimmy C," Jos O Hall's "Frank C," S Dean's "Duffy."

Open Race—G C Clark's "McCormack," J W Rattenbury's "Grit," H Fuller's "Annie D."

Hurdle Competition—A R Curzon, C W King, J W Riggs.

A pleasing feature of the exhibition was the absence of gamblers and fakirs, due to the vigilance of Chief Constable Bradley and his assistants at former fairs here. Of these gentry only two pickpockets turned up. As soon as they made their appearance they were recognized and interviewed by Mr. Bradley and they accepted the warning. No purses were lost. The absence of drunks was another agreeable feature.

Great credit is due to Secretary Clements and the directors for the success of the fair.

Halton Fall Assizes.

The autumn assizes for Halton opened on Monday before Chief Justice Sir William Ralph Meredith.

The grand jury, of whom Wm. McLeod, of Georgetown, was foreman, in their presentment congratulated his Lordship on the usual absence of criminal cases on the docket, and reported that they had inspected the jail and had found it clean and orderly. They recommended that a portion of this institution should be set apart for the exclusive use of the aged poor, so that they could be saved from all contact with criminals.

There were only two cases on the docket, which were as follows:

Mary Hanna vs. Frederick W. Barber and John Hilts, action to recover possession of real estate. Dismissed. G. S. Goodwillie for plff.; Shilton, Wallbridge & Martin for defts.

A. J. McKinnon vs. The Manchester Fire Ins. Co. Action to recover amount of damages by fire to premises at Acton. Transferred to Toronto.
