Miss Ethel Sheppard, teacher in the third department of the Milton public school, died on Friday after an illness of several weeks, greatly regretted by the people of the town generally. She was not only a successful teacher, but she was beloved by her little pupils, in whom she took a great interest outside of their studies, often joining in their games. She was a member of the congregation of Grace Church, a valued church worker and a teacher in the Sunday School. She will be greatly missed in the congregation. The funeral took place from Grace Church to Evergreen cemetery on Sunday afternoon, and notwithstanding the constant and heavy rain the attendance was large, filling the church.

GRACE CHURCH.—Rev. A. J. Belt, of St. James's Church, Guelph, has resigned. He will take the position of rector of Grace Church, Milton.—Hamilton Spectator. In the Champion's report of the recent visit of the Bishop of Niagara it was stated that he proposed certain changes to the meeting of a representatives of Grace Church. Particulars were not given, as it was not certain that the changes would be carried out. It appears now that they will. That announced on Tuesday evening by the Spectator was one of them. Another was the addition of the parish of Palermo to that of Milton and Omagh, Rev. Mr. Piggott of Palermo having resigned some time ago. A third was the appointment of an assistant, in deacons orders, to the new incumbent. The meeting assented to all three propositions, which, however, did not originate here, there being no trouble in the parish, and Rev. W. E. White, the present incumbent, being very popnlar with his parishioners. He offered to make way for Rev. Mr. Belt because he did not feel able to undertake the extra driving involved by the addition of Palermo. His departure will be a subject of general regret. Rev. Mr. Belt is an able preacher and an energetic worker. He is well known in Milton and vicinity and his appointment will be popular. It is possible that Mr. White will succeed him at Guelph.

Mrs. Holgate, relict of the late John Holgate, Esq., died at the residence of her daughter, Mrs. F. Armstrong, 68 Collier street, Toronto, on Friday, 5th inst., aged 78 years. She was born at Portsmouth, England, and came to Canada with her parents when very young. Her family lived for many years at Quebec, where she was married to Mr. Holgate, who died a few years ago, at the age of 80 years. Mr. and Mrs. Holgate had thirteen children, of whom seven survive. Their two eldest children were born at Quebec, from which city they moved to Hamilton, and thence to Acton. After a short residence at the latter place, they came to Milton in the 50's and remained here until 1870, when they removed to Georgetown and thence shortly afterwards to Toronto, where they both resided for the remainder of their lives. Mr. and Mrs. Holgate were members of the Church of England and when in Milton Mrs. Holgate, as well as her husband, was a prominent worker in Grace Church. The news of her death was received with great regret among her old friends in Milton. The funeral took place on Sunday afternoon, from the residence of her daughter, Mrs. Watson, to Grace Church and thence to the old cemetery. Though the weather was wet, the church was crowded. The pall bearers were Hon. G. C. McKindsey, S. Dice, James Hollinrake, Robert Coates, G. E. Bowes and Wm. Panton.

FOUND DYING.—On Saturday afternoon James Cartwright, town line, Trafalgar, came to town and notified Chief Constable Bradley that there was a sick man lying by the side of the road about 300 yards this side of Bell's school house who had been there for several hours. The constable went with an assistant in a democrat wagon to the place named and found the man there. He had a pack of old clothes and rubbish fastened with straps and ropes on his back, and a large tin pail stood beside him also filled with subbish. The man was lifted into the wagon after the removal of his pack and it and his pail were brought with him. He was still breathing when the jail was reached, but before he could be lifted from the wagon he died. The body was not taken in but was brought to the shop of Charles Jones, undertaker. A number of people were shown the body but none of them recognized it. It appeared to be that of a man of about 70 years of age. Notwithstanding the warm weather the man had on him when found three pairs of trousers and three shirts, with a shawl worn underneath his coat. The clothing was very shabby, and judging from the load of rubbish he carried with him the man could not have been in his right mind. In his pockets were found four packages of money, totalling $1.00, each package being wrapped in seygral pieces of paper. There were other packages similarly wrapped up, but they contained nothing more valuable than buttons. All the pockets were fastened with pins. There were two walking sticks. One of them seemed intended for a weapon. It was about two inches thick and an iron bolt about ten inches or a foot long was attached to its lower end. Dr. McColl, coroner, considered an inquest unnecessary, there being no indication that the man had died from any but natural causes. He ordered the burial of the body.

A Splendid War Souvenir.

The Family Herald and weekly Star of Montreal have announced their two premium pictures for this season. One of them will be particularly pleasing to Canadians. It is entitled "Home from the War," a picture of one of Canada's soldiers returning home from the South African campaign. It ought to be a strong favorite in Canadian homes. The other is perhaps the most noted picture ever painted. It is a reproduction of the famous Hoffman's "Christ in the Temple." The Family Herald and Weekly Star Company certainly give subscribers a big dollar's worth. If they keep on every Canadian home will have their paper. Subscribers get both pictures with a year's subscription for one dollar.

Five thousand pilgrims assembled at the St. Nikander monastery, in the Porkhoff district of Russia, for a religious festival. During the night one of the upper floors collapsed, and many of those sleeping there fell upon those below. A panic occurred and four men and thirty-six women were crushed to death, many others being injured.

WONDERFUL RESULTS.

From Taking Dr. Clarke's Wonderful Little Red Pills.

To the Editor of The Champion:

Sir,—I feel it a duty I owe to my fellow sufferers to say that after 12 years of indescribable torture from indigestion and debilitated constitution, I am now, I believe, thoroughly well. I spent hundreds of dollars seeking relief that never came, until I tried Dr. Clarke's wonderful Little Red Pills, 12 boxes of which did the work. I am now in perfect health, and want the world to know what cured me. E. S. Smith, St. John's, Newfoundland.

Chas. Richie writes—"I believe if it had not been for Dr. Clarke's Little Red Pills I would have now been in my grave, as I was a long sufferer from stomach troubles. They are the greatest remedy on earth.

Dr. Clarke's Little Ked Pills are a positive and certain cure for rheumatism, asthma, paralysis, catarrh, coughs, lame back, indigestion, all stomach and liver troubles, female complaints, even when the diseases have been standing for many years, the most stubborn cases will yield. For sale by A. E. Rowan, druggist, Milton, or sent direct by mail, by addressing Canada Chemical Co., Peterborough, Ont. 50 cents per box, or 3 boxes for $1.00.

Dr. Clarke's Sure Cure for Catarrh, same price. $100 will be paid for any case that it will not permanently cure.

At Bridgetown, N. S., Howard Wade and Alfred Chandler, the latter a colored boy, were going rabbit-shotting, when a controversy arose in respect to the number of rabbits Chandler had shot the day before. Wade called him a liar and shot him in the breast with a 32-calibre rifle. Chandler expired within ten minutes.

Beyond Doubt

THOUSANDS GIVE TESTIMONY.

Letter upon letter pours in from every point in Canada testifying to the marvellous power of Dr. Pitcher's Backache Kidney Tablets to cure kidney and bladder troubles, both of young, middle aged and aged, and such other troubles as find their origin in the faulty kidney action, and they are many. Such a mass of evidence puts its power to cure these afflictions beyond a doubt, and shows that the Tablet is the right thing in the right place.

This is what Mrs. J. W. Hutchins, 82 Portland St., Toronto, has to say: "I cannot say too much for Dr. Pitcher's Backache Kidney Tablets. Before using them I had a gnawing pain in the back all the time, and an acute lameness across the loins. I had not so much aching in my head as between my shoulders and in the back of my neck. Since using the Tablets my back is as it used to be, and the rheumatism in the shoulders has disappeared. Formerly when I did a washing I was utterly tired out, not having a bit of energy; this morning I did my washing in two hours and I did not mind it. I have no hesitation in recommending Dr. Pitcher's Backache Kidney Tablets, for I never had anything to do me as much good."

Any reader of this paper can test the merits of Dr. Pitcher's Backache Kidney Tablets free by enclosing two cents postage for trial package to The Pitcher Tablet Co., Toronto, Ont. Regular size, 50 cents per bottle. For sale by Higginbotham & Co.
