ANGLICAN.—Rev. T. G. Wallace was incumbent at Norval some years ago, and went to Ireland, whence he had come. He has returned to Canada and has been appointed incumbent of Georgetown, Norval and Glenwilliams.

Wm. R. Kitching, of Nassagaweya, left on Saturday for Listowel to take a situation in a cheese factory. On the eve of his departure a party of young people assembled at his home to spend a few hours in social intercourse prior to saying farewell. About thirty persons were present and a most enjoyable evening was spent.

Jean Ingelow's "SONGS OF SEVEN," a representation of which will be given at the Knox Church concert on MAY 14TH, is one of the most delightful poems in the English language. In it she has portrayed with a truth and sympathy unexcelled a woman's life with its many joys and sorrows. Admission 25c. and 35c. Plan of hall at W. H. The clergy of the Halton Deanery held a special meeting in Milton on Tuesday. The purpose was a two-fold one. 1. To receive the statistics of the deanery in preparation for the synod, and 2. To make arrangements for the annual Sunday School Convention. This is to be held in Oakville on Tuesday, 28th inst., and an excellant programme of subjects is being arranged. Those present were: Revs. Canon Worrell, J. K. Godden, C. P. Sparling and A. J. Belt.

LICENSE COMMISSIONERS.—The board of License Commissioners for Halton met at the Court House yesterday to consider the applications which were left over for future consideration from the former meeting. Only one was refused, that of C. J. Seivert, of the Lakeview House, Burlington, for renewal. The board gave Mr. Seivert 3 months to sell out his stock. The Hotel Brant, Burlington, was granted a six-months' license, which was what it asked for, and the following were renewed for a year: R. Agnew, Acton; D. J. Collins, Oakville, and R. H. Garbutt, Norval.

HOLIDAY ON THE 24TH.—On the opening of the House on Monday Sir Wilfrid Laurier announced that it was the intention of the Government that the 24th of May should be observed as a public holiday. He said: "I stated some time ago that I would make the announcement this day upon the celebration of the 24th of May. The Government, I think, is right in assuming that it is the general, if not the unanimous wish of the people of Canada that the 24th of May, which has long been celebrated as a national holiday, should continue to be so observed as in the days of Queen Victoria."

MASSEY-HARRIS COMPETITION.—The Massey-Harris Co. will offer handsome cash prizes, open to Canada only, at the Toronto, London and Ottawa fairs, for the benefit of the agricultural and horticultural community. The prizes will be given for judging dairy cattle, judging beef cattle, judging sheep, judging swine, for the best collection of injurious Canadian weeds, the best collection of insects injurious to agriculture or horticulture, for the best amateur or professional photograph agricultural landscape showing Massey-Harris machines at work, four poultry competitions, bareback riding, plans for farm barn, plans for farm house, and best collection of grains. Catalogues and entry forms will be furnished on application.

SEED CORN.—Having bought a car of Ulriche's best seed corn before the recent rise in price, we will be prepared to supply our customers at the very lowest prices. We have also on hand a supply of all kinds of seed grain—barley, different varieties of oats, clean goose wheat, white peas, grass peas, speltz, mangold, turnip, rape, and all kinds of garden seeds; a full stock of bran, shorts, feed corn, barley, oats, peas, &c Clark's celebrated Maple Leaf flour continues to give the best of satisfaction, and a trial of it means you will always use it. Given in exchange for wheat. Highest cash prices paid for all kinds of grain at elevators at C. P. R. stations at Milton and Hornby.—Brain & Co. H. F. Naisbitt, Mgr. 44-3t

ADJOURNED VESTRY MEETING.—The adjourned vestry meeting of Grace Church was held at the school-house on Monday evening and the proceedings could not have been more unanimous. The auditors' report was received and adopted. It showed that the finances of the church were in a satisfactory condition. The total church debt, which was $2,734.50 a year ago, has been reduced to $2,298.73, though an additional liability of $220 in connection with the organ was assumed a short time ago. Messrs. H. G. Heaven and John Maxted were elected sidesmen, in addition to those elected on Easter Monday. The vestry put on record its appreciation of the services of Rev. J. E. Morrell-Wright during the winter, and those of the Sunday school superintendant, organists, choir master and choir during the church year.

Westworth and Halton will hold a W. C. T. U. convention at Oakville next month.

GOLF.—A golf club is being organized in Milton and the links will be on the flat near the old rink.

Justus Roedler removed his family yesterday to Delhi, where he has leased a tannery and has good prospects.

A number of Indians are congregating on the farms on the Burlington plains, having been scared from the reserve by the smallpox epidemic.

COAL WILL BE DEAR.—The Hamilton Post says that the dealers of that city expect coal to cost 75 cents more per ton than it did last winter.

Rev. Father Slaven, of Dundalk, formerly of Oakville, and later of Galt, died at St. Joseph's Hospital, Guelph, on Sunday of cancer of the stomach.

Fred Chisholm, who has been employed for some time with W. H. Lindsay, resigned his position on Saturday evening and has followed his parents, Mr. and Mrs. Finlay Chisholm, to Toronto.

FINED.—The New Era says that six Oakville young men were fined from $2 to $6 each for disorderly conduct and obstructing Constable Sumner. Two others were let off on suspended sentence.

An examination of the books of the Township of Nelson, Halton county, is now under way, and the report of the official engaged in the task, Mr. John McEachren, will be made in a few days.—Globe.

The Bishop of Niagara administered confirmation to a class of 14 in Grace Church on Tuesday evening. There was a large congregation and the following clergy were present: Revs. Canon Worrell, J. K. Godden, C. P. Sparling, Henry Softley, and the rector.

GONE TO COLLINGWOOD.—Geo. Evans left for Collingwood on Monday. He had been employed in George Storey's hardware store for about two years. He was a member of the band and of the choir of Grace Church, and was a general favorite. His uncle, Wm. Askin, manager of the Northern Nagivation Co., has given him a good position.

THE TRADERS' BANK.—There was a small run on the Traders' Bank at Hamilton on Monday, started by a workman in a city factory. There was no cause for it and it amounted to very little. The assets of the bank are $10,500,000 and are steadily increasing. Its last half-yearly dividend was 6 per ct., and its next is expected to be the largest in its history.

Brampton band has lately undergone some changes. J. M. Crawford, who has so long and so ably filled the position of leader, with satisfaction to the people and distinction to the town, handed in his resignation a short time ago and retired. Emerson Downs, who has been one of Mr. Crawford's most promising pupils, has been chosen to succeed him.—Conservator.

Some unknown miscreant has damaged the fine plate glass windows of W. B. Clements's hardware store by scribbling on it and scratching it with a diamond. As small boys are not apt to carry diamonds the mischief seems to have been done by some one old enough to know better, perhaps the same person who wantonly destroyed several thermometers on Main Street some time ago.

J. A. McCargar, late lessee of the flour mill here, who removed to Bracebridge a short time ago, is in town to-day. He says he is greatly pleased with Bracebridge, which is a flourishing town. Its trade is very heavy and business generally is run on a cash basis. He has a 100-barrel mill and a large proportion of the wheat handled by him is grown locally. Farmers are yearly increasing their acreage of wheat and he expects that within a few years they will grow enough to keep his mill busy without imported grain.

ANOTHER HORSE SHOW.—Galt will have its first annual horse show on Friday and Saturday, 17th and 18th inst. It will be similar to that at Toronto last week, except that it will be a horse show, pure and simple, without any military features. Very handsome prizes are offered. Entries will close on the 13th inst. Special arrangements for reduced passenger and stock rates have been made with the C.P.R. and G.T.R. Send to D. Hughes-Charles, Sec'y-Treas., for a copy of the handsome programme of the show.

MILITIA DECORATION.—Her late Majesty Queen Victoria having instituted a new decoration for "long and faithful service," for officers of the colonial auxiliary forces, all officers of the Canadian militia who have given service for 20 years or over will be eligible for it. The following officers of the 20th Lorne Rifles have served the required number of years: Lieut.-Cols. Goodwillie and Appelbe, and Majors Fox, Panton, Moore, Barber and Grant, besides Lieut.-Cols. Allan and Kerns, retired, and perhaps others.

SUING REV. DR. WILD.—Rev. Dr. Wild, the famous ex-pastor of the Bond Street Congregational Church, Toronto, is the defendant in a lawsuit in which a Hamilton lady is the plaintiff. Acting for Miss Nina A. Hixson, of this city, a sister-in-law to the doctor, Staunton & O'Heir to-day entered suit in the High Court against Dr. Wild for $3,200, claimed as due Miss Hixson on a promissory note, and for services rendered by her while acting as agent in the management of Dr. Wild's farm at Bronte. The services were rendered during the four years the doctor was residing in California.—Hamilton Times.

A counterfeit $1.00 bill, issued on the Bank of the Dominion of Canada, was handed in at the Bank of Montreal on Monday. It is a photographic production and not likely to pass those accustomed to handling money. The date it bears is Ottawa, March 31st, 1898. On one side is the log rolling scene vignette, and on the other the Parliament Buildings at Ottawa. The paper is of a very poor quality, and the imprint for the Minister of Finance is omitted under the signature. These bills have been circulating quite freely throughout the country and those who wish to avoid receiving them should watch for bills answering this description.—Guelph Herald.

John Fletcher, a highly respected resident of Nassagaweya, died on Sunday morning at the General Hospital, Guelph. About a month ago Mr. Fletcher was taken to that institution suffering from appendicitis and underwent an operation. He had almost recovered and intended returning home on Saturday last. On Thursday evening last he took a relapse and was compelled to return to bed. A second operation was performed, which revealed the fact that the bowel had become knitted and it was impossible to do anything to prolong or save life. The family were summoned and were at his bedside as he passed away.—Guelph Herald.

FIRE AT BURLINGTON.—Baxter & Galloway's flour mill and granery and Baxter's bank, adjoining the mill, were destroyed on Friday morning by a fire which originated in the mill and the cause of which is unknown. The loss on the mill, machinery, 10,000 bushels of wheat and a quantity of flour, was $35,000. Insurance, $18,000. Loss on bank property, $1,000, covered by insurance. Both buildings were of brick. When the alarm was sounded the fire brigade turned out, but it took about an hour to get the steam fire engine into operation, and by that time it was useless. If the wind had not, fortunately, been blowing towards the lake, the whole town might have been wiped out. It is in a bad way for fire protection, and as Friday's was the second large fire within a short time at which this was demonstrated, it is to be hoped that the required protection will soon be provided.

Baseball.

The Milton Baseball Club was reorganized last Thursday evening, with officers as follows: Geo. Hume, Hon. Pres.; Wm. Panton, Pres.; A. Duff, Vice-Pres.; L. Smith, Sec'y-Treas.; E. F. Earl, D. S. Robertson, Neil Patterson, J. Irving and W. I. Dick, executive committee; Jas. T. Jarvis, manager.

The Milton Baseball Club may enter either of two proposed leagues, one to be composed of Halton teams and the other to include the following clubs: Dundas, Waterdown, Freelton and Milton. The chances are in favor of the latter. There seems to be little prospect that there will be enough senior Halton clubs to form a league, but those named above have all been organized for several years and play pretty fast ball.
