Wm. D. McGregor, 9th line, Trafalgar, has presented the Champion with a stalk 14 feet long. Can anybody beat it? It is unfortunate that these oats are not strong enough for fishing poles as there would be money in corn canes for the farmers.

Special harvest services will be held in Grace Church on Thursday, Oct. 10th. The special music will be repeated on the following Sunday, when Rev. Mr. Walsh, of Brampton, will preach.

A meeting of the Halton Women's Institute was held in the Town Hall on Tuesday. The ladies who did not attend that meeting missed a treat. Three excellent papers were read. Miss Mary Hollinrake's was on "Music," Mrs. S. R. Bews's was on "Women as Home Makers," and Miss McGregor's on "The Pan-American."

Salaries Raised.—At the last meeting of the school board the teachers' salaries were raised to the following figures: W. F. Inman $780, Miss Pattison $470, Miss McLean $315, Miss Lawrence $250, Miss Bowes $205. The first two were raised $30 each, and the remainder $15 each. The new rates are to commence at the beginning of the year.

The following special prizes have been added to the Fair list: A handsome bread board and knife, valued at $2, by Wm. Clements, for the best collection of pies and cakes (this prize is given in place of Society's prize); an extra fine cloth brush, valued at $2.50, by P. W. Clarkson, of the firm of Meakins & Son, Hamilton, for the best display of embroidery of all kinds.

Appleyard, who was recently fined $10 and costs for polluting a spring running into the Georgetown reservoir by allowing his cattle in the field in which the spring rises, appealed the case, which will be heard here at the next general sessions. He is also suing the village of Georgetown for $1,000 damages to his property, a quantity of earth having been washed away by the reservoir spring.

Mrs Shuert, mother of Mrs S. Dice, died at her home in Nelson on Sunday, 15th inst., at the age of 75 years. Mrs. Shuert was one of the most respected members of the community, and her death after a lingering illness, is much deplored. The funeral took place on Tuesday to St George's cemetery, Lowville. Mr. E. Hartley, assisted by Mr. Gordon, conducted the service.

Halton Old Boys' Association met in the Temple Building and arranged to hold their annual excursion to Milton on the 27th inst., and appointed Messrs. William Robson and Findlay Chisholm to go to Milton to-day and co-operate with the Agricultural Association in arranging for the reception of the Old Boys, as well as the Hamilton Old Haltonian Boys, who will be in Milton on the same day.

James McKenzie, Esquesing, was up before D. Robertson, J.P., and D. Hartley, J.P., on the 9th inst., charged with using offensive language towards Mrs. Mary Wilson, and also threatening to shoot her. It was caused by Mrs. Wilson calling to some stock of McKenzie's on the road, to move on past the Wilson place. McKenzie paid the costs and gave his bond for $100 to keep the peace for a year and the case was dropped.

Chas. Bundy received a telegram on Saturday calling him to Hagersville, his former home. His brother was driving a colt, which ran away on seeing a passenger train. The colt made for the railway crossing and hit the side of the train, being instantly killed. Mr. Bundy was thrown over the train. His skull was fractured, his ankle broken and he remained unconscious for several days. An operation was performed on the skull and Mr. Bundy is expected to recover.

Runaway.—Last Saturday afternoon Mr. Hartley was taking a drill home from Milton tied behind his wagon. Everything went nicely until he reached the top of the hill at Scott's mountain, when the drill broke loose and began a journey down hill on its own hook. It did not bother to turn a curve some distance down, but kept straight on and went over a precipice about 25 ft. high. When Mr. Hartley came up he found both wheels smashed, but luckily no other damage of any account done.

Got Six Months.—On Monday morning, the 8th inst., Robert Holmes was brought before D. Robertson, J. P., charged with vagrancy. Holmes had been brought into town on Saturday by R. Garbutt, of Trafalgar, who found him lying under a tree, where he had been all night, and boys were throwing sods at him. High Constable Jas. A. Frager brought him up, and as he had not been working for some time and had no visible means of support he was convicted as a vagabond and fined $1 and costs or 6 months. Holmes went to jail.

Collision.—After the lacrosse match last Friday, two of the Georgetown boys started home in a single buggy about 8 o'clock. The night was very dark, and when about half a mile from town a double rig, a heavy market wagon, suddenly loomed out of the darkness about 10 feet away, coming towards them. They had time to make a partial turn and then the wheels got mixed up. The heavy wagon was uninjured, but the Georgetown boys came out minus a wheel and shaft. The market-wagon people did not bear spite long and gave one of the boys a ride back to town, tying the horse behind. Liveryman Anderson fitted him up with another buggy.

Shot Himself.—A great sensation was caused in Milton on Monday morning when it was known that Postmaster Sol. Hannant had shot himself. He was in his usual health and good spirits previous to the act and joked with some men outside the office, then went into the back office and shot himself in the head with a revolver. The cause of the deed is still a mystery. Deceased was about 45 years of age and leaves a wife and seven small children, for whom much sympathy is expressed. The funeral, which was private, took place on Wednesday morning. Postoffice Inspector Jas. Henderson was sent for. He made an inspection of the office, which he found satisfactory, and arranged for Miss Hanley of Dundalk, to take charge until another postmaster is appointed.

We have received a prize list for the Exhibition of the Halton Agricultural Society, to be held at Acton, Thursday and Friday, October 3rd and 4th. The Society has been making great efforts this year to surpass all previous fairs. They offer very good prizes for all kinds of stock, poultry, grain, garden and dairy products, domestic manufactures, ladies' work, fine arts and horticultural exhibits. Befides this, they offer big purses for horse races, special prizes for horses and a number of miscellaneous prizes. The chief attraction will be the tug-of-war, for which they are giving a purse of $60. This contest is open to the counties of Halton, Wellington, Peel and city of Guelph. The prize list is got up in attractive form. Send for one to L. Grant, Sec.-Treas., Georgetown.

Judgment has been given on the appeals of the Halton election cases. The morning papers' court news on Saturday contained the following reference to the cases:—

Before Osler, Maclennan, JJ.A.—Judgment (R.) on applications by A. E. Cross and C. E. Ryan for mitigation of penalties imposed upon them for bribery. The court considers that the practice hitherto prevailing should be adhered to and the penalties not entirely remitted, and having regard to the position of the offendor and the circumstances attendant upon the commission of the offence. In the case of Cross the penalty may be reduced to one-half, namely $300, and in the case of Ryan to $50. F. Denton, K.C., for applicants. T. G. Matheson (Milton) for Crown.

A most pleasing event took place at the home of E. G. Paige, Burlington, on Wednesday of last week, when his daughter, Edith, was united in marriage to Robt. B. Galbraith, of Milton. The wedding took place at 4 o'clock the ceremony being performed by Rev. James Kendall, in the presence of only the immediate relatives and friends of the contracting parties. The bride was attired in a dress of silver grey poplin and was given away by her father. After the ceremony the party adjourned to the dining-room, where luncheon was served, after which Mr. and Mrs. Galbraith left on the evening train for Buffalo, to view the great Pan-American. The wedding gifts were beautiful and numerous, the bridegroom's present to the bride being a gold rope watch chain with opal slide, and the present of Messrs. Bastedo & Co. (where the groom is head salesman) being a beautiful china dinner service.

GROWING GIRLS

OCCASIONALLY REQUIRE A TONIC MEDICINE.

It Will Keep the Blood Rich, Red and Pure, Strengthen the Nerves and Prevent Decline.

Mrs. Hiram Rinkler, the wife of a respected farmer in South Pelham township, Welland County, Ontario, says:—"It is with great pleasure that I give this tribute to the health restoring virtues of Dr. Williams's Pink Pills. When my daughter, Lena (now thirteen year. of age), began the use of your medicine, a little over a year ago, she was in a most wretched condition. In fact we were seriously alarmed lest she might not recover. The first symptoms were a feeling of languor and weakness, gradually growing worse. She became pale, lost flesh, had little or no appetite, and was apparently going into a decline. Finally the trouble became complicated with a persistent sore throat, which gave her great difficulty in swallowing. I gave her several advertised medicines, but they did not benefit her. Then she was placed under the care of a doctor, who said her blood was poor and watery, and her whole system badly run down. The doctor's treatment did not help her any, and then acting on the advice of a neighbor, I began to give her Dr. Williams's Pink Pills. The confidence with which this medicine was urged upon us was not misplaced, as I soon noticed a distinct improvement in my daughter's condition. The use of the pills for a few days longer seemed to completely restore her, and from that time she has been a cheerful, light-hearted girl, the very picture of health. I will always recommend Dr. Williams's Pink Pills to other sufferers, feeling sure they will prove quite as efficacious as they did in my daughter's case.

Mothers with growing daughters will make no mistake if they insist upon the occasional use of Dr. Williams's Pink Pills; they will help them to develop properly; will make their blood rich and pure, and thus ward off disease and decline. The genuine pills are sold only in boxes bearing the full name, "Dr. Williams's Pink Pills for Pale People" on the wrapper around each box. None other is genuine, no matter what some self-interested dealer may say. If in doubt send direct to the Dr. Williams's Medicine Co., Brockville, Ont., and the pills will be mailed post paid at 50 cents a box, or six boxes for $2.50.
