I have two youngsters, and I'll be blessed if they don't hypnotize their playmates. On going into my yard the other day, I found a regular performance in progress. Well, I lectured those young hopefuls of mine, and they promised to be good. She had been a resident of Milton for over thirty years, and her death is mourned by many old friends, who sympathize deeply with her bereaved husband. She left no children. Father O'Reilly conducted the services and preached an impressive sermon.

The Gore District Mutual Fire Insurance Co., of Galt, has a most unusual record. For twelve years past it has paid an annual dividend of 20 per cent. on the moneys contributed by members each year, and cheques for 1901 are now in the hands of Wm. Panton, agent, for distribution. The Company was organized in 1838, and its position has been steadily growing till at the present time it holds securities amounting to $466,000, the bulk of which is in cash and cash investments.

We desire to announce to our numerous patrons that we have recently added to our line pure Manitoba flour, made by the Lake of Wood's Milling Co., which we are prepared to sell very cheap. Our Ogilvie's Hungarian and Ogilvie's Glenora Patent Flours continue to give universal satisfaction, and if you want first-class bread you should give them a trial. 20TH LORNE RIFLES.—The annual meeting of the officers of the 20th Lorne Rifles was held at the court house on Monday, Lieut.-Col. Goodwillie presiding. Committees were appointed as usual and arrangements made for camp at Niagara in June. So far no positive announcement has been made at Ottawa regarding the June camp, but it is feared that the sending of two thousand mounted men to South Africa and 600 men to the coronation may interfere with the holding of the regular summer camps of instruction at Niagara and elsewhere.

JUMPED THE TRACK.—Yesterday evening as a Grand Trunk freight train going south was crossing the line of the C. P. R. here, a car loaded with manure jumped the track at the diamond. It tore up the rails for about fifty yards and before the train could be stopped seven cars were more or less wrecked and most of them completely so. All but the one which first ran off were loaded with lumber. A large gang of men worked all night removing the wreckage and restoring the track, which was not ready for traffic until after 8 o'clock this morning. A large number of citizens visited the scene.

TOLL ROADS.—The county council of Wentworth has passed a by-law, under the Toll Roads Expropriation Act, 1901, to have the tolls abolished on the Hamilton and Nelson Road, part of which is in Halton. Dr. McGregor and R. A. Thompson, of Wentworth county council, have been appointed to confer with that of Halton, or anyone appointed to to represent it, in order to reach an agreement as to the amount to be paid or offered to the owners of the road, and to appoint an arbitrator to act on behalf of the two municipalities. By order of Warden Cook, of Halton, the county clerk of Wentworth has been notified that the council of Halton, at its next meeting, June 17, will be ready to confer with Wentworth's representatives.

Flour and Feed.—Manitoba Flour has been pronounced to be the best bread flour in the world to-day, as against the competition of all other countries. We make a specialty of Manitoba products, and handle the pure Manitoba flour, direct from Ogilvie's Winnipeg Mills. This is the cheapest flour you can buy, as it will by actual test make from 25 to 30 lbs. to the bbl. more than any other flour. We also handle Ogilvie's Royal Breakfast Food and their Manitoba Rolled Oats, which cannot be equalled anywhere. To use these once means you will use them always. We have a full stock of Ogilvie's Shorts, Ontario Bran, and all kinds of feed grain, all of which we sell at closest prices. Salt by the barrel. We have the sole agency for International Stock Food.—Naisbitt & Co.

Halton Agricultural Society.

A meeting of the directors of the Halton Agricultural Society was held at the Wallace House on Saturday afternoon.

The proposition of Mr. Creelman that all fall fairs be amalgamated in circuits and that expert live stock judges be appointed, was considered. The secretary was directed to communicate further with Mr. Creelman on the subject.

The society having had such a successful fair last season, the treasurer was able to report a surplus on hand of about $360. It was decided to apply $200 out of the surplus towards the reduction of the debt on the society's grounds.

Messrs. D. S. Robertson, John Dickin, Adam McKay and J. D. McGibbon were appointed a ground committee.

Judges were appointed and other arrangements made for the spring show, which will be held on the 25th inst.

AN OLD LADY'S TALE.

Remarkable Results from Dr. Clarke's Wonderful Little Red Pills.

To the Editor of The Champion:

Sir,—I was troubled with the rheumatism for about eight years, and tried a great number of different kinds of medicines, without getting relief. Last spring I became worse and I could hardly walk. It was then that I tried Dr. Clarke's Wonderful Little Red Pills, and two boxes cured me completely. I have had no rheumatism since taking this. I am eighty-two years of age, and can walk now quite smartly, thanks to this remedy wonder.—(Mrs.) Paul McDonald, Eden Lake, Picton Co., N.S.

We have yet to know of a single case where these wonderful pills have not been almost entirely successful in affecting a cure.—CANADA CHEMICAL CO., Peterborough, Ont.

They cured me of rheumatism after I had been given up.—Andrew Closkey, Victoria, B.C.

Ex-Ald. Bailey, St. Johns, writes: I cannot speak too highly of Dr. Clarke's Wonderful Little Red Pills. They worked a miracle in my case and cured me after many years of suffering. I do not think their equal is to be obtained. Nothing like Dr. Clarke's Little Red Pills for the cure of heart trouble, weakness, and blood diseases. Have used them everywhere with success. Dr. E. F. Mann, late of H. M. Forces, South Africa.

Dr. Clarke's Little Red Pills permanently cured me of headache. I suffered for years, and only took two boxes. That is a year ago. I have not had a symptom since.—James R. Jackson, Sault Ste. Marie, Ont

I do not believe there is a medicine to compare with Dr. Clarke's Little Red Pills. They cured me of indigestion and catarrh of the stomach, after nine years' suffering.—H. S. Macdonald, G.T.R. shops, Montreal.

Dr. Clarke's Little Red Pills are a certain cure for rheumatism, asthma, paralysis, catarrh, eczema, coughs, backache, indigestion, stomach and liver troubles, female complaints, even when the diseases have been standing for many years. Price, 50 cents per box. For sale by Higginbotham & Co. The Canada Chemical Company, Peterborough, Ont., will forfeit $10 for any case that these pills do not help.

Dr. Clarke's Sure Cure for Catarrh and Dr. Clarke's Sure Cure for Eczema, same price. $10.00 will be paid for any case they will not cure.

Grace Church.

The Easter services were very bright and hearty with large congregations at all. The floral decorations were very pretty and the white hangings—those for the lectern and pulpit being new—formed a bright contrast to the plainness during Lent and Holy Week. The music was very well rendered under Mr. Gollins's careful training, ably assisted by the organist, Miss Mary Hollinrake. At the evening service Miss Gertrude Hollinrake sang as a solo at the offertory Granier's Easter song, "Hosanna." It was sung very effectively and was much appreciated. The offertories were large, amounting to nearly $150 in all, over $55 of which was given in answer to the special appeal. The number of communicants was large. In the afternoon a hearty children's service was held, when, in spite of the rain, most of the Sunday School scholars were in attendance. The children's offerings, in all, were about $7. The rector preached both morning and evening, the address at the early communion being given by Rev. A. B. Gordon.

Vestry Meetings.

The annual Easter vestry meeting at Christ Church, Omagh, was held on Tuesday afternoon at 3 o'clock. The reports were very satisfactory and the old officers were re-elected. Churchwardens, Messrs. Robt. Biggar and W. T. Beaty; Sidesmen, Messrs. Jos. Askin, Wm. Dent, W. McCartney and John Gibson. The usual votes of thanks were passed.

The annual vestry meeting of St. Luke's Church, Palermo, was held on Tuesday evening; the rector in the chair. The reports showed receipts to be $244; there will be a balance on hand when all amounts due are paid in. The following were elected: Churchwardens, Messrs. George Wilkinson and Columbus Carrique; Sidesmen, Messrs. Arthur Smith, Ernest Rayner, John Graham and Harvey Smith. The Woman's Auxiliary has done an excellent work during the past year

Details of the crime for which Lieuts. Hancock and Morant, Australians, were shot have been published. They learned that ten Boers were going to Pietersburg to surrender, and heard that they had £20,000 with them. They interrupted the Boers, held a mock court martial on them, and ordered them all to be shot, which was done. Found no gold on the Boers, only worthless Transvaal paper money. A German missionary heard of the affair and Hancock undertook to silence him, which he did by shooting him in cold blood. A boy who was with the missionary was wounded, got away, and reported the affair. The German consul heard of it, went to Lord Kitchener, and asked for an enquiry.
