Rev. Nelson Burns, B.A., died at Toronto on Tuesday, in his 71st year. He was a graduate of Toronto University, and was ordained as a Methodist minister, but on account of his voice becoming weak he took to teaching. He taught the old grammar school here in the 70's. His widow survives and he left three children—Ernest, of Vancouver, B.C., and Misses Lillian and Florence. He was an elder brother of Theodore Burns, who was editor of the Georgetown Herald in the 70's and afterwards established and published the Milton News, a Conservative newspaper.

THE WORLD'S FAIR.—The passenger department of the Grand Trunk Railway has issued a particularly handsome folder, beautifully illustrated with views of the Fair buildings, Niagara Falls, Hamilton and many Canadian scenes, also containing fine maps of the Fair grounds, the City of St. Louis, the Provinces of Ontario, Quebec, Nova Scotia and New Brunswick, as well as Northern States. It contains a great deal of useful information for those who intend to visit the fair. For all such information, time-tables, maps, rates and further particulars, apply to the nearest Grand Trunk agent.

FROM THE CHANNEL ISLANDS.—The Champion has received a copy of the Guernsey, C.I., Weekly Press of the 28th ult., which contains a report of the re-opening of Castel Church, which had been closed for some time for renovation, and the sermon delivered on that occasion by its rector, Rev. P. T. Mignot, formerly of Grace Church. Castel Church is one of the oldest and largest in the Channel Islands, and the Weekly Press says the appearance of its interior has been greatly improved by the work of restoration. The same paper reports a most successful sale of work held in the Sunday school-room by the ladies of Castel Church Work Guild, which was opened by Major-Gen. R. S. D. Campbell, C.V.O., Lieut.-Governor. The proceeds of the sale were £43.

ACCOUNTS TO BE INVESTIGATED.—The county council being dissatisfied with the accounts of the Oakville high school, on which a grant for maintenance was claimed, Mr. McGibbon, chairman of the standing committee on education, was appointed to investigate them. He did so lately, assisted by the warden. The result was the adopting of a report at last Tuesday's meeting of the county council from which the following is an extract: "That as the accounts from the high school of Oakville, in the opinion of this council, are not satisfactory, and have not been for years, we would recommend that the accounts of the Oakville high school be referred to the County Judge for adjustment, and that the warden and the educational committee be empowered to employ a solicitor to guard the interests of the county."

A MAN IN HIS MOUTH.—On Saturday a carriage stallion called Picador came within an ace of taking a man's life. The horse was being led behind a buggy down one of the lines of Amaranth, when he suddenly became angry and upset the outfit into the ditch. There were two men in the buggy, and as one of them, named Saunders, was getting up, the stallion grabbed him by the inside of the thigh. The frenzied animal carried the man for about three rods in his mouth, when flesh and cloth gave way and the man dropped to the ground, fortunately close to the fence. The horse then tried to stamp on him with its forefeet, but its attention was just then distracted by the other horse, which had got free from the buggy and was running away. The stallion went after the other horse, and the man's life was saved. His injuries are very severe, but he runs a chance of recovery. It took five men to recapture the stallion.—Hillsburg Beaver.

GARDEN PARTY AND CONCERT.—A first class entertainment will be given, under the auspices of the Epworth League of the Lowville Methodist Church, at the home of Wm. Coulson, Guelph road, on Monday evening, 27th inst. A splendid programme will be supplied by the renowned Masurgia Male Quartette, of Hamilton, composed of the following artists: M. H. Lounsbury, first bass; R. E. Devine, second bass; G. J. Clark, first tenor, and A. S. Devine, second tenor. The Milton Brass and Reed Band will play a number of selections. A football match, Kilbride vs. Lowville, will come off between 4 and 5 p.m. Tea will be served from 6 to 8 p.m., and the usual refreshments will be provided on the grounds. Rev. Mr. Smith will be chairman. Admission, 25cts.; children, 15cts. Don't fail to hear the quartette, which has received most flattering notices from the Toronto Mail and World, the Hamilton Times, Spectator and Herald, and many other newspapers.

CHURCH PARADE.—On Sunday evening No. 7 Co., Milton, and No. 8, Hornby, of the 20th Lorne Rifles, paraded and marched from the armoury to Grace Church, headed by the Milton band. The officers were Captains Deacon and Morrison, Lieut. Panton and Second Lieut. Clements. There were about 50 non-commissioned officers and men. Main-st. was lined with spectators, and the church was crowded. Rev. A. J. Belt, chaplain of the regiment, preached an excellent sermon, introducing a few remarks on church parades. He said that they might be objectionable in cases where they interfered with general public worship or with the attendance at Sunday Schools, but not otherwise. He gave the men some good advice about submitting to discipline at camp. After the service the parade marched to the court house square, where the band played a fine programme of sacred music. As many of the men, especially of No. 8 Co., lived a long way from Milton, had left home early and would not get back until late, they were given an excellent lunch at the McGibbon House, sandwiches, tea and coffee, which had been ordered by Captain Deacon, whose thoughtfulness and liberality were much appreciated.

Dr. R. K. Anderson is home again after spending some time "walking" Toronto hospitals.

E. Gollins, baritone. A rich treat is in store for those who attend this entertainment. Admission 15 and 25c. Plan of hall at Mrs. Kelly's music store.

GOES TO CAMP.—Rev. A. J. Belt, chaplain and honorary captain of the 20th Lorne Rifles, will drive to Bronte, this evening and go thence by train to the camp at Niagara. He has been detained by the meeting of the Synod of Niagara which opened at Hamilton on Tuesday, and on account of having to officiate this afternoon at the funeral of the late Mrs. Wright.

Public thanks are due to John Macdonald, of Oakville, for an effort to force automobolists to obey the law and compel them to pay some respect to the lives and limbs of their fellow citizens. These people seem to think that they are lords of the road and that all other people muft use it at their peril. The automobilist who caused Mr. Macdonald's horse to run away, throwing him out and doing him bodily injury, never stopped to see if harm was done. This is like the automobilists. It is hoped that Mr. Macdonald will be successful in his public-spirited effort to keep them under the control of the law.—Weekly Sun.

DEATH OF MRS. WRIGHT.—Elizabeth Armstrong Cartmer, widow of the late Thomas Wright, died at her residence in Milton on Monday, in the 90th year of her age. Mrs. Wright had been a resident of Milton for nearly fifty years. She came here in the 50's with her husband, who was a stone mason and was employed at the erection of the court house and the old jail. She was a member of the Church of England and of the congregation of Grace Church. Notwithstanding her great age, she was very active until her last illness set in, and her mental facilities were unimpaired. She was greatly respected, and her death is sincerely mourned by many old friends. She was married twice. The late Isaac Cartmer was a son of the first marriage, as was also Miss Cartmer, with whom she lived up to the time of her death. Her younger son, Thomas Wright, is in the United States. Mrs. Maggie Rixon, widow of the late Rev. Thomas Rixon, and Mrs. A. S. Gillet, of Toronto, are step-daughters. Her late husband had been also married twice.

NIAGARA CAMP.—The 20th Regt. Lorne Rifles, went to camp at Niagara on Tuesday under command of Lieut.-Col. Applebe. Thanks to the increase of pay for the men, the company officers have been very successful in recruiting, notwithstanding the great demand for men for farm work and consequent high wages, and the regiment is strong, mustering about 270 men, who compare favorably in physique with those of former camps. Captain Deacon, of No. 7 Co., Milton, took 27 men with him. The Champion heard from the camp this morning. The special G. T. R. train which took the 20th and 36th regiments to camp, and which left Milton at about 12.45 p.m., had a long wait at Niagara Falls, from 3 to 5.30 p.m., and another delay about a mile from camp, until 7.30. After leaving the train about 45 minutes were spent in forming the parade according to the new Dundonald drill, which was introduced for the first time, and of which few of the officers had much idea. The men got their tea after dark and their blankets were served out at 9.30, but they were all supposed to be in bed by "lights out." The regiment tackled the Dundonald drill yesterday morning for the first time, and the old hands were about as green as the recruits as far as it was concerned. Lt.-Col. Cruikshank, who commands the brigade of which the 20th forms a part, and Major Mewburn, of the 13th Regt., brigade major, mess with the officers of the Lornes. The rations served out to the men are very good, and if favored by fine weather they will no doubt enjoy the camp. They will be kept at work pretty steadily, the drill hours being about the same as usual and the first parade at 8.30 a.m., but they will have more target practice than at former camps.
