LOST HIS LEG.—John Howard, of Nassagaweya, met with a nasty accident at Guelph on Saturday afternoon, which will make him a cripple for life. Just as the 4.40 p.m. mixed C.P.R. train was pulling out, Gordon attempted to board it, when he fell under a coal car, resulting in the left foot being cut off and the left leg broken below the knee. The victim was removed to the General Hospital, where he is doing as well as could be expected.

Chas. Mills, the Bank of Hamilton's architect, visited the Milton branch of the Bank on Tuesday and took the necessary measurements for enlarging the present premises. They are likely to have 12½ feet more frontage for the Bank, more customers' room, more desk room, new office fixtures, etc. This is necessary to cope with the times and handle the increasing business. The plans call for the present office to be extended to the street, the front steps done away with, etc.

A QUIET WEDDING.—A very quiet wedding was held on Wednesday evening, Dec. 7th, at the residence of Mr. and Mrs. J. Curtis, when their fourth daughter, Maggie, was united in holy matrimony to Jacob Newell, both of Nelson township. The bride was supported by her sister and the groom by his nephew, W. Powell, of Toronto. The bride was dressed in blue silk and carried a bouquet of white roses. The presents were numerous and costly. The happy couple left by the evening train on a short honeymoon trip. On their return they will reside in Nelson.

A SUCCESSFUL ENTERTAINMENT.—Miss Jessie Alexander, reader, appeared at the town hall on Thursday evening, under the auspices of the Ladies' Aid of Knox Church. She was assisted by Miss Gertrude Hollinrake, soprano, and the Milton orchestra. The hall was well filled and everyone was delighted with Miss Alexander's readings. Though she has plenty of dramatic power, her elocution is never stilted, and in her lighter selections she is simply irresistable. Miss Hollinrake's fine soprano voice was never heard here to greater advantage, and the orchestral music was excellent.

BUSINESS COLLEGE TRAINING.—The Elliott Business College, Toronto, is meeting with excellent success in securing situations for their students. The school has lately had to refuse eighteen firms that required office help because none were ready to send and all available ones were in positions. The Principal of the college claims that the demand for their graduates is very great because business men are well aware of the high quality of work that is done in the college. All intending to spend a term in a business college should write to the Elliott Business College, Toronto, for one of their handsome catalogues.

POISONED BY GAS.—On Saturday evening two farm hands, John McDonald, whose home was near Waterdown, and Wilmer Lawrence, who lived near Burlington, went from Hamilton to Dundas, where they put up at the Melbourne Hotel. They were given a room in the top storey. The hotel is usually illuminated by electric lights, but has gas also. The young men were shown how to use both. At noon on Sunday they had not appeared, and the door of their room was forced. Both were found dead and the gas turned on. Lawrence was a married man, but had not been living with his wife. McDonald was unmarried.

DEATH OF AN OLD SETTLER.—Jacob Brooks died at his residence, Esquesing, on Monday morning. He had reached the good old age of 85 and had been in feeble health for some time, but was no more so than usual up to last Saturday, when heart weakness set in. Mr. Brooks was born in Ireland and came to Canada when four years of age with his parents, who settled on the farm on which he died, and which was his home throughout his life. He was a fine specimen of the original settlers of this county, had a particularly cheerful disposition and was very popular with his neighbors. In religion he was a Presbyterian and his remains were buried at Boston Church cemetery on Wednesday afternoon.

DEATH OF DR. SITZER.—Dr. W. E. Sitzer died at his home at Ida, Mich., on Monday. He had suffered for some time from inflammatory rheumatism, which caused heart failure. Milton was his home until he graduated from Trinity College, Toronto, 12 years ago, when he went to Ida. He had a large practice there and was very popular. In September 1903, he was married to Miss Mattie, second daughter of Wm. Caldwell, Esq., of Milton. The news of his untimely death was a great shock to his many old friends here and the deepest sympathy is felt for Mrs. Sitzer and other members of his family. His body arrived here this morning and the funeral will take place at 2 p.m., from the residence of Mr. Caldwell to Evergreen Cemetery.

EXTRADITED FOR STABBING.—On Monday Chief Constable Bradley went to Hamilton and brought back Antonio Piaza, whom he lodged in jail. Piaza is charged with assaulting Loreto Valenza and Fortunato Valenza at Burlington Junction on Aug. 10th "with intent to kill and murder" them. Benedicto Pilgato, Basilo Piaza and Guiseppe Pardo are wanted on the same charge. The parties are all Italians, who had a quarrel in in which knives were used. According to the evidence given before the magistrates the elder Valenza was seriously wounded by Pardo, who stabbed him just below the left nipple. Piaza was arrested at Buffalo and extradited after an investigation there. He will be tried at the spring assizes. The other men implicated have escaped arrest so far and their whereabouts is not known.

An Oakville Wedding.
Star.

There was a pretty wedding at the residence of Mr. and Mrs. H. Robinson yesterday afternoon when two of Oakville's popular young people entered married life in the presence of a small company of immediate relatives. The bride was Miss Frances Robinson and the grom, Wm. H. Carson. They have a host of friends who were interested in the event and wish them every possible happiness and good fortune. At 3.30 the bride entered the parlor with her father as Mrs. V. P. Hunt, of Belleville, played Wagner's wedding march. Rev. Geo. Kenney, uncle of the groom, performed the ceremony, being assisted by Rev. Dr. Ross. The bride's dress was white silk eolienne over satin, trimmed with embroidered chiffon and silk fringe. She carried white chrysanthemums. The bridesmaid, Miss Parsons, of Toronto, was gowned in brown eolienne, trimmed with applique, her bouquet being pink mums. The flower girls, Misses Daisy McDougall, of Milton, and Marion McColgan, Brantford, were in frocks of cream. Masters Hugh and Charlie Carson were pages. After a dainty dejeuner congratulatory speeches were made and the best wishes of the party extended. The presents were numerous and handsome, the groom giving the bridesmaid a gold shower of forget-me-nots, set with pearls, and the groomsman, Wm. T. Coote, of Toronto, received cuff links. Mr. and Mrs. Carson left on the evening train for Buffalo amid a shower of rice and good wishes.

Extraordinary Business.

We learn that the Family Herald and Weekly Star of Montreal is this season having an immense increase in the number of new subscribers over all previous years. The premium picture, "The Princess at Work," is no doubt accountable for a share of the increase, but the immense value of the Family Herald itself as a great family and farm paper is every year becoming more generally known and is adding thousands of new readers annually. We notice the publishers are calling on all old subscribers to renew earlier than usual this season to help them out in the Christmas rush. The dollar dailies fail to tempt the Canadian public when the Family Herald and Weekly Star with such a handsome picture can be had for the same amount.

Nassagaweya.

Dec. 6.

On Saturday evening as John Howard was taking the C.P.R. train for home at Guelph, he had the misfortune to have a toot cut off just above the ankle. As Mr. Howard has a wife and five small children depending upon him, this is a very serious matter. He is assured of the sympathy of his many friends.

Mrs. Hillis, of Campbellville, who was taken to the Guelph Hospital for treatment, is progressing very favorably.

There will be a celebration of the Holy Communion at the 10.30 service in St. John's Church next Sunday morning. The W. A. of this church are making arrangements for a Christmas Tree, to be held Tuesday, Dec. 27.

Mrs. Bert Turner, Mrs. Morse and Miss Easterbrook have gone on a mysterious purchasing trip to Guelph. There is a suspicion that Santa Claus has taken them into his confidence and asked their assistance.
