LEIBIG'S FIT CURE

The Canadian Champion

MILTON, Mar. 8, 1906.

Hon. Wm. Templeman, who succeeded the late Hon. Raymond Prefontaine as Minister of Inland Revenue, was returned in last Tuesday's bye-election at Victoria, B.C., by a plurality of 696 over Mr. Beckwith, Conservative, and Mr. Marcon, Socialist.

The French Ministry was defeated yesterday on a vote of 267 to 234, after a debate on the church disorders, arising from the separation of Church and State and the riots and loss of life occasioned by the taking of inventories of church property. Premier Rouvier and his colleagues have resigned.

Fish and Game Protection.

Branches of the Ontario Fish and Game Protective Association are being organized in many places. There is need for one here. Local sportsmen should call a meeting for organization here. The objects of the association are:—

1. To act as a voluntary auxiliary force to aid the constituted authorities in the prosecution of offences against the regulations on this subject.

2. The organized observation of the habits, propagation and seasons of all fish, game and birds, and from the knowledge so obtained, the suggestion to the authorities of the best regulations for their preservation and increase.

3. To encourage the protection of the song, insectivorous, and other birds not classed as game birds, and to educate the children, especially boys, accordingly.

4. To oppose the sale or export of game and game fishes at all times and under all circumstances.

5. To take steps to endeavor to prove to residents along our lakes, rivers and streams, and in our forests, that their financial interests are best served by the protection of fish and game.

6. To cultivate more friendly relations afield among sportsmen and the residents of the districts where sport exists.

7. To produce a widespread sentiment looking towards the continued preservation of the large districts already set aside as public game domains, and, where possible, the still further extension of this system.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

The great success of this preparation in the relief and cure of bowel complaints has brought it into almost universal use. It never fails, and when reduced with water and sweetened is pleasant to take. It is equally valuable for children and adults. For sale by all druggists.

Disrespect for Our Flag.

At the recent annual meeting of the Canadian Veterans of 1866 Association a resolution was passed which should commend itself to all loyal Canadians and which should open the eyes of many people who have been in the habit of thoughtlessly treating our country's flag with disrespect. The resolution was:—

"The flag of our country being the emblem of Britain's might and glory, it ought, whenever and wherever displayed, to evoke feelings of patriotic pride in every British subject, but this Association views with regret the prevalent and increasing custom of making it the medium of calling attention to auction sales and otherwise using it for advertising purposes, demeaning the flag and taking from it the respect with which it ought to be viewed. Resolved, therefore, that the President appoint a committee to act with kindred associations or otherwise in endeavoring to secure a discontinuance of the practice of using the British or Canadian flags for such purposes."

The county council of Renfrew has passed a by-law "To provide a bounty for the destruction of foxes." The bounty is $1.00 per fox killed in the county.

Every Two Minutes

Physicians tell us that all the blood in a healthy human body passes through the heart once in every two minutes. If this action becomes irregular the whole body suffers. Poor health follows poor blood; Scott's Emulsion makes the blood pure. One reason why

SCOTT'S EMULSION

is such a great aid is because it passes so quickly into the blood. It is partly digested before it enters the stomach; a double advantage in this. Less work for the stomach; quicker and more direct benefits. To get the greatest amount of good with the least possible effort is the desire of everyone in poor health. Scott's Emulsion does just that. A change for the better takes place even before you expect it.

We will send you a sample free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

House Wedding.

One of the prettiest weddings of the season was solemnized last Wednesday, Feb. 28th, at the home of Mr. and Mrs. James Jarvis, "Riverview Farm," Palermo, when their only daughter, Verna B., became the wife of E. Herbert Featherstone, of Nelson, in the presence of one hundred guests.

Punctually at 4 o'clock, to the strains of the Wedding March, played by Miss Mathewson, of Palermo, the bride entered the drawing-room leaning on the arm of her father and took her place beneath a bell of white roses, while the Rev. Mr. Hill, of Palermo, performed the ceremony.

The bride looked charming in a gown of white silk, with chiffon trimmings, and carried a shower bouquet of white roses and lily of the valley.

She was attended by her cousin, Miss Murvel Featherstone, who was dressed in cream and carried a bouquet of pink carnations.

The little flower girl, Miss Olive Pruden, was also dressed in cream and carried a basket of pink and white carnations.

The groom was ably assisted by Edwin Emerson, of Nelson.

After the ceremony and congratulations, the wedding party adjourned to the dining-room, where the wedding breakfast was daintily served.

The newly-wedded couple left on the 8.45 train for New York, and on their return they will reside in Nelson.

The bride's travelling dress was of fawn broadcloth, with an all-over lace hat, and a mink stole and muff, the gift of the groom.

The popularity of the young couple was attested by the numerous and useful presents they received.

The groom's gift to the bridesmaid was a gold bracelet, to the flower girl a gold brooch, and to the groom a pair of gold cuff links.

PURE RED BLOOD

Is Necessary to Health, Strength and Happiness.

Pure, rich, red blood is what is needed by every woman, young or old. Thin, weak, watery blood is the cause of all the headaches, and backaches, and sideaches—all the weakness and weariness, all the dizziness and despondency, all the nervousness and fainting spells that afflict girls and women. The only thing that can help you is Dr. Williams' Pink Pills. These pills make new, rich, red blood, that gives new life and strength to every organ of the body. In this way they make pale, feeble girls develop into healthy, happy women, and for the same reason bring ease and comfort, and regularity to women at all ages of life. Miss J. Dietrich, St. Clements, Que., is one of the many thousands made well and happy through the use of Dr. Williams' Pink Pills. She says: "I tried several medicines, but got nothing to help me until I took Dr. Williams' Pink Pills. I was subject to palpitation of the heart, a throbbing in the head, and dizziness and fainting spells. I had no appetite and was weak, pale and discouraged when I began the use Dr. Williams' Pills. Six boxes of these have made me feel like an altogether different person, and have given me new health and strength."

Rich, red blood is the true secret of health and strength, and it is simply because Dr. Williams' Pink Pills make new, pure blood, that they cure such troubles as anaemia, loss of appetite, indigestion, neuralgia, rheumatism, St. Vitus dance, partial paralysis, kidney troubles, and the special ailments that only women-folks know. But you must get the genuine with the full name, "Dr. Williams' Pink Pills for Pale People," on the wrapper around each box. If in doubt, send to The Dr. Williams Medicine Co., Brockville Ont., and the pills will be mailed at 50 cents a box, or six boxes for $2.50.

Lowville.

St. George's Church, Lowville, was the scene of two very pleasant events on Shrove Tuesday.

At half-past eleven, J. A. Brain, of Toronto, and Miss P. Scheid, of the same place, formerly of Lowville, were united in holy matrimony by the Rev. S. G. Wade, incumbent of the parish. The charming bride was given away by her uncle, Thos. Dales, at whose residence a delightful reception was held.

At three o'clock the contracting parties were Oswald Twiss and Miss Mabel Giles, the Rev. S. G. Wade performing the ceremony, assisted by the Rev. W. J. Brain, of Holy Trinity Church, Toronto. The groom was supported by his brother, Chas. Twiss, and the bride, who was given away by her grandfather, John Richardson, sr., by her cousin, Miss Ada Richardson, of Rockwood. The bride wore white India silk trimmed with liberty silk, white rose buds and a veil. Her going-away gown was a navy blue cheviot, with a hat to match. The groom's gift to the bride was a gold carmen bracelet; to the bridesmaid a gold chain bracelet, and to the best man a pair of gold cuff-links. The bride was the recipient of a large number of valuable gifts. After the ceremony a reception was held at the residence of John Richardson, sr.

Champion Liniment for Rheumatism.

Chas. Drake, a mail carrier at Chapinville, Con., says: "Chamberlain's Pain Balm is the champion of all liniments. The past year I was troubled a great deal with rheumatism in my shoulder. After trying several cures the storekeeper here recommended this remedy and it completely cured me." There is no use of anyone suffering from that painful ailment when this liniment can be obtained for a small sum. One application gives prompt relief and its continued use for a short time will produce a permanent cure. For sale by all druggists.

It Should Be Cut Out.

Toronto Globe.

In the machinery of legislation and administration a Senate is as useful as a third wheel on a cart or a fifth leg on a dog. Perhaps it is even more useful than such appendages, but its greater usefulness is not apparent. It is the obsolete implement of a governing class, and it appears and reappears as a result of man's faculty of imitation.

A Senate is the vermiform appendix of the body politic, and, like that functionless organ, it will persist for ages beyond its time of usefulness. It is in the surviving organs which have become functionless that the germs of decay find a fruitful ground. The contagious danger of idleness is always pregnant with them. In usefulness there are the possibilities of robust health, but the lack of utility prepares the way for degeneracy. Thus the second Chamber, if it does anything at all, is almost certain to do something that should have been left undone in the public interest.

J. K. McInnes, editor of The Regina Standard, was found guilty of criminally libelling Premier Scott, in charging that Mr. Scott had attempted to bribe him. At the request of the prosecution a nominal fine of a hundred dollars was imposed.

thousands of the most obstinate cases of Coughs, Colds and Lung troubles. Let it cure you.

"Last winter I coughed for three months and thought I was going into Consumption. I took all sorts of medicines, but nothing did me any good until I used Shiloh's Consumption Cure. Four bottles cured me. This winter I had a very bad cold, was not able to speak, my lungs were sore on the side and back. Six bottles of Shiloh made me well again. I have given it to several people and every one of them have been cured.—D. Joseph, St. Hyacinthe, Que." 602

A Chicago Alderman Owes His Election to Chamberlain's Cough Remedy.

"I can heartily and conscientiously recommend Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John Shenick, 220 So. Pebria St., Chicago. "Two years ago, during a political campaign, I caught cold after being overheated, which irritated my throat, and I was finally compelled to stop, as I could not speak aloud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflammation had largely subsided. I took several doses that day, kept right on talking through the campaign, and I thank this medicine that I won my seat in the council." This remedy is for sale by all druggists.

Prominent Mason Dead.

Fred Walter, License Inspector of Hamilton, while walking home on Thursday evening fell in an apoplectic fit and died within a few minutes. He was a most efficient officer and estimable man. He was so popular that he was one of the very few license inspectors appointed by the Liberal Government who were not removed from office by the Whitney Government.

He was one Hamilton's most prominent Masons. He was a Past District Deputy Grand Master of Hamilton District and Past Grand Superintendent of Royal Arch Masons for the same district. He visited St. Clair Lodge, No. 135, in his official capacity a little more than a year ago and delivered an address at a banquet. He paid that lodge and St. Clair Chapter many unofficial visits. His death is deeply regretted by the craft and nowhere more than in Milton.
