GRIFFITHS' MENTHOL LINIMENT

FOR RHEUMATISM

If you are anxious to get rid of these Rheumatic pains now and for all time there is only one way to do it. The quickest way to reach the blood is through the skin. Nature put these million of pores in your body so that poisons could come out and soothing healing remedies could go in. The only thing that goes in where the roots of Rheumatism are located is Griffiths' Menthol Liniment. First open the pores by bathing the painful parts with warm water and good soap, wipe dry, then rub Griffiths' Liniment right in to where all the pain is. You will be surprised how quickly the pain, swelling and inflammation will all disappear. Rheumatism is inflammation of the joints and muscles, which causes them to swell and pain. Griffiths' Menthol Liniment isn't a cure all, but it does cure inflammation, that is why it will cure all bodily aches and pains. It is a clean, pleasant, vegetable, white oil Liniment that rubs right in. It's the only absolutely non-poisonous Liniment made. Sold everywhere 25 and 75 cents.

W. J. Woodward of Massey-Harris Co., Toronto, writes: "I was laid up for several days with inflammatory rheumatism, pains being almost unbearable. I got relief as soon as Griffiths' Menthol Liniment was applied, and one 75 cent bottle rubbed on at intervals during two days cured me.

LOCAL NEWS.

Frederick L. Kickley, of Goderich, visited friends in town last week.

Rag Carpets made to order. Apply to John Laing, Fultonist., Milton. 39-3t

Dr. Herd's Kidney Pills strengthen the weak kidneys. For sale at Red Cross Drug Store.

Raymond's Record says that W. S. Davis says that he is still town clerk and still holds the town books.

Alderman Wm. Birrell, of Hamilton, has been appointed license inspector in succession to the late Fred Walter.

Oakvillians travel to Hamilton by the new radial electric railway for 35 cents, and return tickets cost 60 cents. There is a Sunday service.

FOR SALE—A quantity of white linen shirts, collars and studs, and a number of other articles, such as pants and shirts. Enquire at the Champion Office.

MEN'S CLUB.—Arrangements are being made for another entertainment at the town hall, under the auspices of the Men's Club, on Friday evening, 23rd inst. Particulars later.

PROMOTED.—The following appeared in the last militia general orders: 20th Halton Regiment "Lorne Rifles."—To be provisional Lieutenant: Sergeant William James Peppiatt. 12th February, 1906.

Robert Randall, of Galt, general agent of the Union Life Ins. Co., was in town for a couple of days last week at the home of his sister-in-law, Mrs. Field. Mr. Randall was G. T. R. station agent here about 25 years ago.

FENCE BURNT.—A large section of the picket fence opposite W. N. Scott's residence, near the G. T. R. station, was burnt on Tuesday. It caught from dry grass which had been set on fire either intentionally or through some careless smoker dropping a match into it.

Mrs. Wm. Kerns, Water-st., met with a painful accident at her home on Thursday evening last. She slipped on some ice in the yard and fell, breaking a small bone in her left arm, just above the wrist. Dr. Speers reduced the fracture, and she is progressing as well as can be expected.—Burlington Gazette.

The ladies of Knox Church will give an Irish entertainment in the schoolroom on Friday evening, Mar. 16th. A good supper, an Irish programme, and a sale of useful articles in the afternoon and evening. Supper served from 6 to 8. All are cordially invited. Admission 25c. Children under 12, 15c.

DANGEROUS CROSSINGS.—The level crossings in Trafalgar on the Hamilton and Toronto division of the G.T.R. are notoriously dangerous. Fatal accidents have occurred and there will be more if something is not done to protect the public. The township council has appointed a committee to take action in the matter.

NIAGARA CAMP.—A list of the corps which will go to camp at Niagara in June has been published. There will be five brigades, one each of cavalry and artillery, and three of infantry. The 20th Regt. Lorne Rifles will be in the third brigade with the 12th York Rangers, 23rd Parry Sound Pioneers and 44th Welland, all under command of Lieut.-Col. Bertram as brigadier.

Dr. Herd's Rose Wafers, the great heart, nerve and blood tonic. For sale at Red Cross Drug Store.

PUBLIC LIBRARY.—The directors of the Public Library have ordered Appleton's Universal Cyclopedia and Atlas, in 13 large volumes. This is the latest work of the kind, the last volume having been issued only two months ago, and it is also the best. It is rather expensive, the regular price of the cheapest edition being $78. None of the volumes will be allowed to be taken to the homes of readers, but all will be at their disposal in the library at all times, for reference.

MEN'S CLUB.—The entertainment at the town hall on Tuesday evening drew a fair sized house. Local amateurs took part in a good programme. Mrs. Chambers, Misses Lewis and Sherk and R. E. Gollins sang solos. Misses Hall and Kelly played a piano duet and Miss Dewar was the accompanist. The news boys' parade made a great hit. Rev. A. J. Belt gave a short address, in which he explained the objects of the club. The enjoyment of the audience was marred by the unruly behavior of some boys in the back seats.

Wall Paper, latest American designs, hung in latest styles.—Alex. Armstrong, painter and paper-hanger.

BAND RE-ENGAGED.—At the annual meeting of the officers of the 20th Regiment at Milton last week, it was decided to re-engage the Georgetown band to attend camp this year. It was agreed that the band had given excellent satisfaction at the 1905 camp, and their services were in demand for 1906. The regimental officers will provide the band with 24 new caps of latest make and will devote $100 toward repairing old instruments or purchasing new ones. All of which will be very much appreciated by the band and the local committee.—Herald.

The monthly meeting of the Woman's Institute will be held at the home of Mrs. Hall on Wednesday, March 21st, at 3 p.m. An excellent programme has been prepared, as follows: An address on "How to Travel," by Miss Deacon; a short history of "The Use and Production of Cocoa," by Mrs. S. R. Bews; discussion on "House-cleaning," prepared by programme committee; recitation and a fine musical programme. The secretary will have the new membership tickets at this meeting and will be pleased to receive the renewals of the members for 1906.—Sec'y.

Bob's Cough Balsam stimulates the heart while it heals the lungs and cures bronchitis.—Red Cross Drug Store.

A GRAIN-GROWERS' PARADISE.—Thos. J. Chisholm, of Hornby, has left at the Champion Office a copy of the Yorkton, Saskatchewan, Enterprise, which gives figures, supplied by the C. P. R., of the amount of grain marketed from the Yorkton district. For the twelve months ending Aug. 31, 1905, the figures were 422,230 bushels. From that date to Jan. 13, 1906, the number of bushels marketed was 1,095,590. It is estimated that the total shipped for the year will be at least 1,500,000 bushels, the amount kept for seed 500,000 bushels, and the grand total 2,000,000. The Enterprise says that there was grumbling about the way in which the C.P.R. handled the crops, but it was undeserved, as the company had already moved 802,450 bushels for this season, more than twice the total yield of the previous year, that the elevators are taking the grain as fast as it comes in, that there are plenty of cars and shipments are prompt.

MR. MCDOUGALL RETIRED.—John McDougall has resigned on account of bad health the treasurership of the township of Trafalgar, and Charles Hall is now clerk and treasurer. Mr. McDougall has given the township good service, but is very ill at Guelph hospital. His physicians hold out no hope for his recovery. His condition is greatly regretted by his host of friends throughout the county. The township council of Trafalgar has passed the following resolution of sympathy: Moved by Mr. Waldbrook, seconded by Mr. Ford, that this council hereby tender our sympathy to John McDougall and family in their affliction, and we also desire to express our appreciation of his services as treasurer for many years, and regret very much that the condition of his health necessitates his resignation from the position he has filled so honorably and well, and hope that rest will restore him to a measure of health.

WALL PAPER.—Let me bring my sample books to your house and show you the latest American designs. No trouble.—Alex. Armstrong.

County council minutes are crowded out this week. They will appear next week.

Councillor Geo. Erwin, of Nelson, is recovering from an attack of pneumonia.

Lieut.-Col. Kerns has been re-elected first vice-president of the Federal Life Assurance Co.

HALTON MAGISTRATES.—It is expected that the new list of Halton magistrates will appear soon.

Chas. W. Smith, of the West End Meat Market, left town on Tuesday on a two-weeks' visit to relatives at Brooklin and Lindsay.

Mrs. Robert Brush, of Milton, has taken up residence at the home of her son, W. J. Brush, at the Queen's Hotel here.—Burlington Gazette.

Murray Campbell has resigned his position as teller in the Bank of Hamilton and accepted one in the Metropolitan Bank, where he goes to work to-day.

Fred Sanders, of the Red Cross Drug Store, left yesterday morning for the home of his brother, Rev. C. W. Sanders, Lucknow, to stay until he recovers from the effects of his illness.

In last week's issue of the Canadian Graphic there was a portrait of W. J. Armstrong, of Toronto Junction, formerly of Milton, Grand Councillor of the Royal Templars of Temperance.

ROUGH ON RATS.—Galloway & Sons, butchers, have been troubled by rats for some time, and, becoming tired of it, they got two fox terriers and a ferret last week, set them at work and made a big killing, 49 full grown and 15 young rodents.

Alex. B. Wright, of Streetsville, died last week in a Toronto hospital, after a long illness. The funeral took place on Sunday. Mr. Wright lived at Acton before removing to Streetsville. He was well known in Milton. He was a prominent Mason and very popular.

DON'T DOSE THE STOMACH.

Hyomei Cures Catarrh by Breathing Aromatic Healing Air.

You cannot afford to risk permanent loss of health by taking strong drugs into the stomach in the vain hope of curing catarrh of the nose and throat. The only true way of curing catarrhal troubles is by the use Hyomei, which is breathed through a neat pocket inhaler that comes with every outfit.

Hyomei is not a secret remedy, and its formula is given to all reputable physicians. Its base is the famous eucalyptus oil. This is combined with other healing, aromatic gums and balsams, so that when using Hyomei, the air you breathe is filled with germ-killing, health-giving, curative powers. It kills all catarrhal germs and restores the mucous membrane of the nose, throat and lungs to a perfectly healthy condition.

The complete Hyomei outfit, consisting a neat pocket inhaler, a medicine dropper and a bottle of Hyomei, costs but $1.00, and extra bottles can be obtained for 50c., making it the most economical method of curing catarrh, as well as the most reliable.

If you cannot obtain Hyomei of your dealer, it will be forwarded by mail, postage paid, on receipt of price. Write to-day for consultation blanks that will entitle you to services of our medical department without charge. The R. T. Booth Company, Hyomei Building, Ithaca, N.Y.

Galbraith—Shain.

The residence of Mrs. E. Shain, Sheridan, was the scene of a pretty event on Wednesday, Feb. 21st, when her second youngest daughter, Mary, was united in marriage to Thomas M. Galbraith, of Omagh. The Rev. T. Neil, of Toronto, tied the nuptial knot, in the presence of about seventy guests.

The bride entered the parlor, to the strains of the Wedding March, played by her cousin, Miss Florrie Shain, and was given away by her brother.

The bride wore a gown of blue silk, trimmed with all-over lace, and the bridal veil, and carried bridal roses.

Miss Florence Slacer, niece of the bride, made a charming little flower girl. She wore a dress of white organdie and carried a basket of roses, with the wedding ring.

After the ceremony, the guests adjourned to the dining-room, where the wedding breakfast was served. After the toasts, the guests sang "For He's a Jolly Good Fellow."

Amidst showers of confetti, Mr. and Mrs. Galbraith left for points north.

A Guaranteed Cure for PILES.

Itching, Blind, Bleeding, Protruding Piles. Druggists are authorized to refund money if PAZO OINTMENT fails to cure in 6 to 14 days. 50c. 38 1yr

Hockey.

There was an exhibition game between Georgetown and Milton juniors at the rink on Thursday evening. When the visitors came they were seen to be a husky lot, much heavier than some of the local juniors. The locals, therefore, strengthened by taking on Bob Fleming and a couple more fairly heavyweights and laying off some of the smaller boys. It was no use, however. The visitors won by a score of 3 to 2. The ice was soft and, in consequence, the play was not fast.

Three Toronto alleged amateurs, two from Barrie, and Regan, a straight professional from Sault Ste. Marie, were hired to play in an exhibition game in New Ontario, between New Liskeard and Haileybury. The Soo man got $100 and the Toronto and Barrie bunch $265. It was a case of win or get no money. It proved to be win and money. The big play is explained by big betting. The bogus amateurs have to face an investigation and are likely to be disqualified. If all the paid "amateurs" were to be paraded for trial before the executive of the O.H.A for trial, that tribunal would have to sit all the year round.

Acton and Milton will play an exhibition game at the rink this evening and it promises to be a fast one. Acton has a strong team. Go and see the game, perhaps the last of the season.

Death of Mrs. John Scott.

Last week the Champion reported the death of the late John Scott, of Nassagaweya. His aged partner in life followed him on Tuesday. She had been ailing for some time, and the death of her husband prostrated her. She was in her 81st year. Her maiden name was Isabella Pringle Carradice. As stated in the Champion last week, she and Mr. Scott were married about 55 years ago at the Carradice homestead, lot 1, con. 3, Esquesing. Mrs. Scott had a very large circle of acquaintances and was greatly liked for her kind, hospitable disposition. The funeral will take place to-morrow. Interment at the U. P. Church Cemetery, Scotch Block.

The Late Mrs. Corrigan.

The death of Mrs. Richard Corrigan, which occurred very suddenly at the family residence, 11 Amelia-st., Toronto, on the 3rd inst., will be learned of by many of her friends here with sincere regret.

Mrs. Corrigan, nee Susannah Dice, was a daughter of the late George Dice, of Nelson township, where she was born on Feb. 14, 1833. She became the wife of Richard Corrigan, of Nelson, on the 5th day of April, 1861, and most of their life was spent on their farm in that township. During the years she spent there she made many sincere friends, for she was always the embodiment of kindness and good cheer. She was of a particularly bright and cheerful disposition, and her whole life was one of devoted service to her husband and children. About 12 years ago she moved with her husband to Toronto, spending nearly every summer since then on the old homestead.

The family consisted of eight sons and four daughters, all of whom survive except one daughter who died last May, and one son, the late George Dice Corrigan, C.E. Three sons are practising medicine and two dentistry, while one daughter, Miss Daisy, is teaching in Toronto.

The deceased was a member of the Shelburne-st. Methodist Church, Toronto, the pastor of which, Rev. Mr. Bowles, conducted a short service at the house, where many of her most recently made friends came to take a last farewell. The interment took place at Evergreen Cemetery, Milton, on Tuesday, March 6th. Rev. Mr. Bennett, of Milton, conducted the funeral service at the grave.

The loss to her husband is a very severe one, after a long married life of nearly 45 years.

Curling.
