LIVELY RUNAWAY.—Yesterday morning James Johnson left his horse and buggy tied in front of Dr. McColl's office. The horse was frightened by the bus, slipped his bridle and ran down Main street at a fast clip, struck Galloway & Son's buggy, which stood in front of their shop, damaged it somewhat and turned it and the horse hitched to it end for end. A little further down Mrs. Bush's rig was struck and damaged. The next thing struck was a telegraph pole in front of John Lawson's store. It stood the shock well enough and stopped the horse, but Mr. Johnson's buggy and harness were badly wrecked. A basket fell from the buggy and its contents, eggs, were smashed.

FROM CALIFORNIA—Some days ago, Miss Sara Dice heard from her cousin, Mrs. Creilan, of Oakland, that she and her husband were safe. The chimneys of their house were demolished and a good deal of other damage was done to it and its contents. This morning Miss Dice heard from her aunt, Mrs. Wm. McKay, who with her son, were in San Francisco. They were safe, but no particulars were given Nothing has been heard from Miss Dice's other aunt, Mrs. Millar, of San Francisco, but it is hoped that she escaped. This morning Wm. Panton heard from his sister, Mrs. Rixon, of Billings, Montana, who is at Alameda, across the bay from San Francisco, on a visit to her daughter, Mrs. Lesley Bates. Mrs. Rixon says that she, her son Harold, who is a student at the State University, her daughters, their husbands and her grandchildren are all safe. Her eldest grandson, Norman Bates, is a member of the militia and has been on duty in San Francisco. Nothing has been heard from the Brothers family, who live at Berkeley, but it is hoped that they are safe. Mrs. and Miss Conway were no doubt at Ontario, when the earthquake occurred, but the shock was light there and there is no cause for anxiety about them. Henry A. Culoden, another ex-Miltonian, was at Los Angeles, but the shock was comparatively light there.

ASSEMBLY.—The Assembly given by the Benedicts of Milton at the town hall on Friday evening was attended by about 125 ladies and gentlemen from Milton and vicinity, Georgetown, Toronto, Hamilton, Guelph, Oakville, Streetsville, Acton and elsewhere. The hall and stage were tastefully decorated. The music of the Ghona Orchester, of Toronto, was of the best. So were the refreshments supplied by Webb, the Toronto caterer, and served by waiters sent by him. The supper room was beautifully and profusely decorated with hot-house flowers. Altogether the assembly was one of the most successful and enjoyable ever given in Milton.

Ensnaring Victims
Steps Should be Taken at Once to Prevent Further Trouble.
Here in Milton, as in other cities and towns, dyspepsia or stomach troubles are ensnaring victims in a most insidious way.
Nearly every mother's son of us and daughter, too, expects the stomach to accustom itself to all manner of ill treatment, but the time comes when we cannot abuse it with impunity. How much better it would be to take steps at once to strengthen the stomach and prevent further trouble.
Use Mi-o-na now and soothe the irritated walls of the stomach, and strengthen the gastric follicles so that they will pour out their daily supply of digestive materials with regularity. Then the headaches, sleeplessness, specks before the eyes, poor appetite, tired feelings and nervousness will disappear, and you can eat what you want at any time you like.
Mi-o-na is a combination of remedies some of which are but little known in this country, and is a positive guaranteed cure for all diseases of the stomach excepting cancer.
Just one little tablet out of a 50 cent box before meals, for a few days, and you will soon regain perfect health and strength, and have no fear of indigestion or stomach troubles.
If you cannot obtain Mi-o-na of your druggist, it will be sent by mail, postpaid, on receipt of price. Write us for advice on your case from a leading stomach specialist which will be sent free. The R. T. Booth Company, Ithaca N. Y.
