O'HERON & FLETCHER.

Foot Ease.

The flexibility and elasticity of "Queen Quality" Shoes and Oxfords adapt them to any and all types of feet.

The leather is soft and delightful to the touch, and they fit here, there and everywhere with a firm, but gentle pressure that does away with any possibility of the foot slipping forward and cramping the toes.

The upward cling of the under arch, and the perfect clasp of the instep, make them the realization of a dream of foot easy.

BOOTS, - - $3.75.
SHOES, - - 3.00.

A. B. McDougall.

Y-Z (wise head) has an advantage over other soap powders inasmuch as it is also sold as a disinfectant.

CLEAN TEETH

The care of the teeth is an important duty, not to be overlooked.

Royal Tooth Paste

is carefully prepared after the formula of an eminent dental specialist and is an ideal preparation for the proper preservation of the teeth.

It sweetens the breath, prevents decay, hardens the gums, whitens the teeth and gives to the mouth an invigorating feeling of fresh cleanliness.

Preserve Your Eyesight

I HAVE ARRANGED WITH.....

TAUBE & SON

Manufacturing Opticians and Eyesight Specialists of Toronto,

TO BE AT OUR STORE

On May 21st & 22nd

And will be glad to have all those troubled with defective eyesight call and consult them.

They have been established in Toronto since 1871, and during that time over 100,000 cases have been successfully treated.

If your eyes bother you in any way, or the glasses you now wear are not comfortable, don't neglect this opportunity of having them properly attended to.

One advantage they have over others is the fact that they GRIND their own lenses and by so doing prevent any error in the process of LENS MAKING.

The new Electric Opthalmo-Metroscope used in making all examinations.

All work guaranteed. For references see small bill.

J. P. LAWRASON & CO., - RED CROSS DRUG STORE.

It Pays to Advertise.

Chamberlain's Cough Remedy
ALWAYS CURES
And is Pleasant and Safe.

LOCAL NEWS.

Harry Bews has completed his course in Pharmacy, and has returned home.

Mr. and Mrs. F. H. Deacon, of Toronto, spent Sunday at the home of Inspector Deacon.

Are your glasses right? Vision changes as all things do. See Taube & Son at Red Cross Drug Store on May 21st & 22nd.

KNOX CHURCH—The subject for Sabbath evening will be "A Just Man Defined." Mr. Mackay will preach.

Oakville's town council will apply for the use of the county's new stone crusher and road roller after Nelson is done with them.

LACROSSE.—Acton has a junior team in the Guelph district, and will be in a series of matches with Guelph, Elora, Preston and Hespler.

10 per cent. off all Wall Paper for rest of paper-hanging season at Red Cross Drug Store.

BASEBALL.—On Saturday Bronte defeated the crack Oakville Stars by 13 to 8 and wants to arrange a match for the 24th inst. with a Hamilton nine.

Miss Townsend, of "Oaklands", Hamilton, Miss J. M. Smythe and Miss Thornton, Toronto, visited Mrs. S. R. Bews last week.

FIRE AT MERTON.—Mr. Campbell's fine residence, "The Woodlands", Merton, was burnt on Tuesday 8th inst Clothing and a little furniture were saved. Insured in the Western.

When Taube & Son attend to your eyes, you get the benefit of over 35 years' experience. Call and consult them at Red Cross Drug Store on May 21st & 22nd.

The Star says that Councillor Reynolds will introduce a by-law to provide Oakville with a waterworks system and that he expects that it will be carried by a majority of 76. It certainly should be carried.

RECRUITS WANTED.—The 20th Reg't, Lorne Rifles, will go into camp at Niagara on Tuesday, June 12th. Recruits are wanted for No. 7 Company. Increased pay. Apply to Lieut. R. M. Clements. Armoury opens Tuesday, May 22nd.

FARMERS' BANK.—A great many of the shares of this Bank have been sold in Halton. Those who intend to invest in the first issue of shares should lose no time in doing so, as it is nearly exhausted and as it is understood that there will be a premium on the second issue, probably 25 per cent. Under Canada's model banking system, bank shares are the safest of investments.

MOVING PICTURES.—The Carey Bro's, of Freelton, will be at the Mountain Church on Thursday evening, May 17th. Their entertainment is highly spoken of, being both interesting and instructive. Admission, Adults 20c., Children 10c.

THE BAND.—Though the band has been weakened during the last few months by the removals of leading players, particularly by that of Stephen Conway, solo euphoneum, Bandmaster Gollins has got it into a fine state of efficiency. The first open air concert of the season was given on Saturday evening. On the program were several selections played in public for the first time. They were greatly admired. The general opinion was that the band played about as well as ever.

The monthly meeting of the Woman's Institute was held at the home of Mrs. Higginbotham on Wednesday, May 16. The reports of the year's work were given by the Sec'y, Mrs. S. R. Bews. The membership for Milton branch for the year 1905 and 1906 is 85. Halton leads for the fifth year, as the banner county of the province. The excellent program consisted of instrumental solos by Miss Lulu Hall, Miss Deacon and Miss E. Dewar. Very fine recipes for brown bread, Spanish cream, oatmeal bars and rhubarb marmalade were given by Miss Panton and Miss Bews. In Mrs. Andrew's well-prepared paper on home nursing, she described minutely the symptoms and treatment of children's diseases. This was full of helpful suggestions. The following officers were elected for the ensuing year:—President, Mrs. (Dr.) Robertson; Vice-President, Mrs. Geo. Andrew; Sec'y-Treasurer, Mrs. S. R. Bews; Directors, Mrs. Scott, Mrs. Dent, Mrs. Dunbar, Mrs. Higginbotham; Auditors, Miss F. Harrison and Miss Deacon.

85 per cent. of headaches are the result of eye-strain. Proper fitting glasses will give permanent relief. If you are troubled that way consult Taube & Son at Red Cross Drug Store on May 21st & 22nd.

PROGRESSIVE ACTON.—Editor Moore, of the Free Press, is proud of Acton's progress, often alludes to it in his newspaper, and delights in making it plain to visitors. The editor of the Champion was a visitor one day last week and Mr. Moore took him for a drive through business and residence streets, the public park and the cemetery. The visitor was greatly impressed. The roadways were good and so were the cement walks which have been laid on all the principal streets. There were many fine residences, with beautifully kept grounds, none finer or with more beautiful surroundings than "Morecroft," Mr. Moore's own residence. The park is large and encircled by a half-mile track. Within the circle are a baseball diamond, tennis courts, &c., all level and kept in perfect condition by a caretaker. The turf was velvet-like. The cemetery is situated in a romantic spot, is very large and contains innumerable fine shade trees, through which there is a labyrinth of driveways. Unfortunately there was not time for more than an outside view of the town's noted industries, the Storey glove works and the Beardmore tanneries, but the Beardmore village outside the corporation was visited. On account of the house famine, the company has laid out streets, erected a large number of model dwellings for its operatives and will erect many more, as its staff will, it is said, be increased before long to a total of about 1000 men. Including the Beardmore addition, which is practicarly a part of the village, though not within its corporation, Acton has a larger population than any of her sister towns or villages in Halton. It is expected that the addition will be taken into the corporation before long.

FOSTER SHOW—Sample sale of staple articles. Everything useful and necessary. A variety of attractive stalls. Goods are now arriving from the manufacturers. Town Hall, Milton, Saturday, June 2nd.

DANGEROUS CROSSINGS.—A joint committee from Trafalgar and Oakville councils met on Tuesday to arrange for an application to the Dominion Railway Commission for protection at the dangerous railway crossings on the Hamilton and Toronto division of the G.T.R. in Trafalgar. A number of lives have been lost on the crossings and more will be lost if no action is taken. The crossings should be elevated.

The King's Own Mission Band, of Knox Church, will give an entertainment in the Sunday School Room on Friday evening, May 18th, at eight o'clock. A good program has been prepared, and refreshments will be served. Admission 15 cents, children 10 cents.

Messrs. Christian and Terrill, representing Underwood and Underwood, of New York and London, Eng., in their most interesting and unique travel system, intend to be in town for a short time. Their system is unique in its simplicity and is instructive and entertaining, and the people on whom they may chance to call will not regret receiving them kindly.

TROUT FISHING.—Yesterday Judge and Mrs. Snider went to the Club house of the Milton Fish and Game Club to spend a couple of days. On Monday Mr. Roberts, of Guelph, caught a fine lot of trout at the pond. Mr. and Mrs. T. D. J. Farmer, of Hamilton and two children intend to come out in their automobile next Wednesday evening to spend Victoria Day at the club house.

J. P. Belisle, of Toronto, was drowned last Thursday in Montreal river, Northern Ontario. He was one of a party of surveyors. Two of their canoes were upset in the river and two men drowned. Belisle was a son of J. E. Belisle, merchant tailor, formerly of Georgetown. He was an ex-pupil of Georgetown High School and was graduated from the School of Practical Science this spring. He was 25 years of age and unmarried.

COMMITTED.—The Streetsville Review says that C. E. Anderson, formerly of the Anderson private bank, Oakville, was committed for trial on the charge obtaining money under false pretenses by cashing a cheque on the account of Bell & Mitchell, a Toronto firm with which he has been connected, without having authority to issue cheques. He pleaded guilty, said that he was "under the influence" when he issued the cheque and pleaded for leniency on the ground that he was the sole support of his wife and baby.

Loss of eyesight is worse than loss of fortune. No matter how small your eye trouble may be, have it corrected. See Taube & Son at Red Cross Drug Store, May 21st & 22nd.

Thos. Wilson went to Toronto on Tuesday to attend the funeral of his brother-in-law, the late James S. Hardy. The interment was at Norway Cemetery and the services were conducted by the rector, Rev. Mr. Baynes-Reed. There was also the Masonic burial service, conducted by the W. M. of his lodge. There was a large attendance of brethren. Mr. Hardy and his family came to Milton about 16 years ago from Nottingham, England, and removed to Toronto two years later. He had many friends here.

The regular meeting of the "Y's" was held in the R. T. of T. hall on Tuesday evening. The Vice President, Miss Little, in the chair. After the business and devotional exercises a short programme was given. A reading was given by Miss M. Miles and Miss Debbie Kenney sang a solo. Miss Allan, from the Deaconess' Home, Toronto, gave a very interesting address which was greatly appreciated by all present. Miss Allan will always be welcomed as a speaker to the "Y's". The Rev. Mr. McKay will be the speaker at the next meeting of the "Y's", May 29th.

GOT TWO MONTHS.—George Barber, a young man who boarded with Rev. T. M. Jefferies, of Oakville, stole $9 from that gentleman on 5th inst., and went to Hamilton. He was arrested at that city and brought to Oakville. He pleaded guilty and was committed for trial by Mayor Kelly. He was arraigned before Judge Gorham last Friday, pleaded guilty and was sentenced to two months in jail, with hard labor. Barber wore a Salvation Army uniform, but the Oakville Star says that local members of that body say that he he had no credentials of membership.

CHARGED WITH PERJURY.—At Friday's sittings of the First Division Court there was a wages case. Benjamin McMicking said Allan McDonald and sons owed him for wages for work on their farm in the summer and fall of 1904. He swore to the correctness of his account, about $50, and got judgment for the full amount. On the same evening the defendant, Allan McDonald, laid an information charging McMicking with perjury. McMicking was arrested and jailed. He is out on bail now. The case will come before David Hartley, J.P., next Monday. McMicking is 75 years of age and his home is now in the county of Norfolk.

Remember the date of Taube & Son's visit to Milton and if your eyes bother you in any way, make it a point to consult them at Red Cross Drug Store on May 21st & 22nd.

The annual meeting of the W. M. S., of the Methodist Church, was held on Monday. The reports were very encouraging, as they showed an increase of both membership and finances. Twenty-five dollars constitutes a life-membership and the Auxiliary was honored this year by two new life-members, Mrs. W. B. Clements and Mrs. F. C. Willmott, making ten life-members to report. The officers elected for the ensuing year are:—President, Mrs. G. S. Bowes; 1st Vice-President, Mrs. J. C. Willmott; 2nd Vice-President, Mrs Deacon; 3rd Vice-President, Mrs. C. T. Bennett; Rec. Sec'y, Miss M. L. Hollinrake; Cor. Sec'y, Mrs. S. R. Bews; Treasurer, Mrs. Higginbotham; Organist, Miss F. Deacon.

A new organ has been placed in each of the two churches, under the charge of Rev. S. G. Wade, namely St. George's, Lowville, and St. John's, Nassagaweya. They were used for the first time last Sunday, when the Rev. F. A. Banks preached. Mr. Banks will conduct the services in the two churches again next Sunday in the absence of the incumbent. Mr. Banks will assist at the Confirmation Service in Grace Church in the evening. The Rev. S. G. Wade is working energetically in Lowville parish and the evidences of improvement are encouraging. The Bishop of Niagara will be in this parish for confirmation next Sunday. This is somewhat earlier than was expected, but the choice lay between this Sunday and a week day later, and the Sunday was preferred, the date being fixed only on Tuesday. The arrangement is Christ Church, Omagh, 10.30 a.m., St. Luke's, Palermo, 2.30 p.m., and Grace Church, Milton, 7 p.m.

MCDOWELL vs. C.P.R.—This case was heard at the sittings of the Fifth Division at Campbellville on Saturday. The plaintiff, Samuel McDowell, claimed damages for two calves killed and one injured on the track of the defendants by being struck by a freight train on 13th October last. He valued the two calves which were killed at $12 each and computed the damage to the injured one at $6. He testified that in the spring of 1905, a part of his line fence next to the railway crossing was destroyed by a fire caused by a spark from an engine or rubbish heaps which were being burnt near the crossing by section men. He asked the section foreman whether the company would replace the burnt fence. The foreman said he had no fence material. Witness said, pointing to a coil of wire, "What's the matter with that wire?" The foreman filled the gap with wires. Witness did not inspect the work, but took it for granted that it was all right. When the calves were killed he found, by their tracks, that they had got through the wires, which were loose enough to let them do so. This evidence was not disputed, but the driver of the train swore that the calves were struck on the crossing of the highway. Mr. Walker, of Toronto, counsel for defendants, argued that as the wire fence had been put up at the plaintiff's request, as he had found no fault with it, as the wires might have become slack from various causes and as the defendants were not to be required to keep up plaintiff's fences permanently, they were not responsible for the escape of the animals to the highway. Mr. Elliott, counsel for plaintiff, argued that the defendants having been responsible for the burning of the fence, should have replaced it with a good one, since they had undertaken to replace it. It had been proved that after the accident, defendants had put extra posts or braces into the fence, which was an admission that it had been defective. Neither counsel could quote a decision on a corresponding case. The points raised, therefore, appear to be new. They are as important as if the amount involved was thousands of dollars instead of $30. Decision reserved.

AGENTS WANTED.—There is nothing better than a tea route. Afred Tyler, London, Ontario.

Farmers' Bank.

The following extract from the Toronto Mail and Empire's report of the proceedings of the House of Commons committee on Banking and Commerce at Ottawa on Friday will interest the many Halton investers in shares of the Farmers' Bank of Canada:

"Ex-Mayor Urquhart, of Toronto, appeared before the committee on behalf of the Farmers' Bank of Canada.

He explained that the period allowed the bank for organizing expires on July 18. It was probable that the promoters might not be quite ready by that time. The capital stock is one million dollars, of which $290,000 has been subscribed, and subscriptions are coming in at the rate of $30,000 a week. In view of this statement, the time for organization was extended for six months."

Pernell—At Freelton, on Thursday, May 10th, Emma Curry, wife of Robt. Pernell, in her 29th year, formerly of Milton.

LITTLE POCKET PHYSICIAN

Hyomei Inhaler that Never Fails to Cure Catarrh.

Thousands who have been cured by Hyomei, call the inhaler that comes with every outfit "The little pocket physician," as it is so small that it can be carried in the pocket or purse.

Prior to the discovery of Hyomei, statistics showed that at least 97 out of every 100 persons in this state were suffering from catarrh in some form. The remarkable results following the use of Hyomei are shown by the smaller percentage to-day of people suffering from catarrh.

A complete Hyomei outfit consists of "the little pocket physician," a medicine dropper, and a bottle of Hyomei, and costs only $1, while additional bottles of Hyomei can be procured for 50 cents, making it the most economical, as well as the most reliable treatment for the cure of catarrh.

Do not delay longer the use of Hyomei if you have catarrh. This is a purely local disease, and Hyomei goes right to the spot where the catarrhal germs are present, destroys them, soothes and heals all inflammation, and makes a permanent and lasting cure.

If you cannot obtain Hyomei of your dealer, it will be forwarded by mail, postage paid, on receipt of price. Write to-day for consultation blank that will entitle you to services of our medical department without charge. The R. T. Booth Company, Hyomei Building, Ithaca, N. Y.

MAIN ST., MILTON

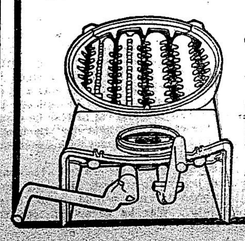
Sunshine Furnace

The "Sunshine" furnace and "sunny" ways are synonymous.

The cold, dreary winter days can be made cheery and warm with a pure, healthful heat if you have a "Sunshine" furnace.

Is easier to operate, cleaner, uses less fuel and "shines" in many other ways over common furnaces.

Two shakers are used to shake the heavy, triangular-shaped grates. This just cuts the work of shaking-down in half, besides being easier on the furnace than the old one-shaker style.



Sold by enterprising dealers everywhere.

Booklet free.
