The Canadian Champion

MILTON, Nov. 22. 1906.

Parliament opens to-day at Ottawa.

County Councillor H. P. Moore, editor of the Acton Free Press, says that the hope expressed in Georgetown Herald that he would be a candidate for the reeveship of his municipality is unfounded, and Warden R. D. Warren, of the Herald says that he, too, will retire from municipal politics.

It is desirable that some members of this year's County Council should be in that of next year, not only to give the new members who will be elected under the new Act, the benefit of their experience, but to explain such business as may be left unfinished by the present council. The news that the valuable assistance and advice of Messrs. Moore and Warren will not be available will be received with general regret.

Acton, Nov. 14th, '06.

Mr. Tracy:

Sir,—Some men reason like this: Is life so dear or peace so sweet as to be purchased at the price of justice? I know not what course other men may take, but as for me, give me justice or give me death. The idea of locking up a man's goods, which means his money, is enough to make a man desperate. If something happens to you, you will have yourself to blame. Remember the case of G. Brown. Don't wait for the mule's hint.

The above anonymous threat was received by License Inspector Tracy a few days ago. Whether he knows who wrote it or why it was written he has not said, but he is not easily frightened and it may be taken for granted that it will not deter him from doing his duty at Acton as well as elsewhere. All good citizens of the county expect this from him and will support him in it. They will join in the hope that the cowardly Actonian may receive a full measure of the justice for which he asks.

ASSIZES.

The fall assizes for the County of Halton opened on Tuesday before Mr. Justice Anglin.

There was no grand jury, but there was one criminal case in which the grand jury at the assizes last spring brought in a true bill, and an adjournment was made on account of a material witness being sick. The case was

Rex. vs. Fox.

The prisoner was indicted under two counts, attempted rape and indecent assault. A jury found him guilty of the first, and yesterday morning he was sentenced to 18 months in Central Prison. He had already put in five months. Mr. Meakins was Crown Counsel and D. O. Cameron defended the prisoner.

Hilson vs. Robertson et al.

The plaintiffs, the widow and children of the late Robert Hilson, sued D. Robertson & Co. for damages. Robert Hilson was killed in August, 1905, by a premature explosion of dynamite in defendants' quarry. After hearing the evidence for the plaintiffs His Lordship dismissed the action without costs, on the ground that there was no proof of negligence on the part of the defendants. Morrison, of Hamilton, for plffs. E. E. A. Du Vernet, of Toronto, for defts.

Hutchinson vs. Stewart.

This was a Guelph suit, sent here for trial. The plaintiff claimed damages for the loss of one of his thumbs while working at a circular saw in defendant's planing mill. Verdict, by jury, $1800 for plaintiff. Hugh Guthrie, K.C., for plff., C. L. Dunbar for defts.

Bank of Hamilton vs. Anderson.

There were three suits against members of the Anderson family, arising from the failure of their private bank at Oakville, about two years ago. All were settled without going to trial. G. T. Blackstock, K.C., Toronto, and W. Lees, Hamilton, for plffs., G. H. Kilmer for defts.

Sinclair vs. Township of Nelson.

Damages for accident alleged to have been caused by alleged defective road. Transferred to Hamilton winter assizes. Jas. Harrison and A. M. Lewis, of Hamilton, for plff. F. Morrison for defence.

Downs vs. Dixon.

Evidence heard and case was transferred to Toronto. Jas. Bicknell, K.C., for plff.; Wm. Laidlaw, K.C., for deft.

McPherson vs. McPherson.

This was a case arising from the will of the late Robert N. McPherson, of Esquesing. Judgment that probate issued to the executors therein named and that plff's costs be paid out of the estate. J. W. Elliott for plff.

Board vs. Board.

Plaintiff, Edwin Board, sued Lydia Board, administratrix of Thos. Board, deceased, for wages, for 17 years' work. He got judgment for $5000. The parties live at Glenwilliams. Hugh Guthrie, K.C., for plff.; G. H. Kilmer, of Toronto, and W. A. E. Campbell, Georgetown, for deft.

Smith vs. Smith.

Lucy Smith, of Oakville, sued her mother-in-law, Hannah Marilla Smith, for dower in certain property her late husband had transferred to deft. Judgment reserved. G. H. Kilmer, for plff. D. H. Watson, K.C., Toronto, and J. G. Farmer, Hamilton, for deft.

The court closed this morning. The docket had been the heaviest for many years, but no time was lost and there were two night sessions.

A Good Liniment.

When you need a good, reliable liniment try Chamberlain's Pain Balm. It has no superior for sprains and swellings. A piece of flannel slightly dampened with Pain Balm is superior to a plaster for lame back or pains in the side or chest. It also relieves rheumatic pains and makes sleep and rest possible. For sale by all druggists.

We Shall See.

ALL DRUGGISTS: 50c. AND $1.00.

A CRIPPLE CURED

Helpless and Bent with Rheumatism—Cured by Dr. Williams' Pink Pills.

"I was a helpless cripple. I was bent in form and could not straighten up. Crutches were my only means of moving about. I tried many medicines, but they all failed until I began using Dr. Williams' Pink Pills—they cured me." George Schaw, of Short Beach, N.S., made the above almost startling statement to a reporter a few days ago. Mr. Schaw is now a well built man, strong and broad shouldered. Like thousands of other Novs Scotians, he is a fisherman, and is consequently exposed to all kinds of weather, just the conditions to set the rheumatic poison in the blood at work. Mr. Schaw adds: "It is impossible to overrate the severity of the attack. The trouble was located in my back and right hip. I had to quit work and was mostly indoors. There was a time when I never expected to stand erect again, but Dr. Williams' Pink Pills straightened me up again, not only that, but they made me the strong, hearty man you see me to-day. I can never describe the awful pain I suffered before I used these pills. I tried many medicines and had treatment from several doctors, but to no avail. My legs became so stiff that in order to move at all I had to use crutches. Finally the doctors decided that I was incurable, and told me they could render no further assistance. I continued to suffer day and night, and then came the turning point of my life. A friend from a distance came to see me and it was from him I learned that Dr. Williams' Pink Pills were a great cure for rheumatism. At once I got a supply and began to use them. The first indication that they were helping me was when the pain grew less severe. In a few weeks more the swelling in my legs and hips began to leave, then my joints seemed to loosen up, and then it was not long until my crutches were thrown aside and I could straighten up. Then I began to go out doors and soon was able to resume my work as well as ever. Since that time I have never been troubled with rheumatism or lame back. I can tell you my neighbors were all astonished at my cure; they had all thought I would always be a cripple."

Dr. Williams' Pink Pills cure rheumatism by going straight to the root of the trouble in the blood. They make new rich blood that sweeps out the poisonous acid and soothes the jangled nerves. That is how they cure all troubles rooted in the blood, such as anaemia, indigestion, neuralgia, St. Vitus dance, general weakness and the special ailments that only girls and women folk know. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for $2.50 from the Dr. Williams' Medicine Co., Brockville, Ontario.

MODERATE TARIFF.

"The adoption of extreme protective views which prevail in some quarters would undoubtedly lead to a disturbing and perhaps dangerous agitation in the west. I have repeatedly urged upon many industrial friends that whatever policy would best fill up the Northwest is the best policy to serve the manufacturers.

"We have labored also to show the western farmer that he must not expect to have things entirely as he would wish them, but he must be prepared to give and take. I think our efforts in this direction have not been in vain, and I think most of the manufacturers of Canada are disposed to recognize that the policy of a moderate tariff is on the whole a better one even from their point of view.

"We are about to ask parliament to join us in the work of tariff revision, although this does not mean that great changes are to be made. We have determined to change the form and shape of our tariff schedules, and while we are doing this we may find it necessary here and there to make changes as regards particular items.

"It is our intention to adhere to our principle of British preference, as laid down in 1897. We will also have another tariff column which will contemplate legitimate discrimination between the products of those countries anxious to trade with us, and those which put up bars against us."—From the speech of Finance Minister Fielding at Reform Club banquet in Montreal.

HAVE THE BEST ALWAYS.

When a very superior article can be had at the same price as an inferior article, the buyer has no hesitation which to take. This should be your rule regarding your reading matter. In addition to your local paper, you should read the Family Herald and Weekly Star of Montreal, by long odds the best weekly in Canada. It costs the same as other weeklies, not in the same class—one dollar a year—and includes a premium picture entitled "A Ting of War," which alone is worth the money. Get the best for your money—subscribe to the Family Herald and Weekly Star and you will get the best value for your money.

The Cattle Embargo.

(Canadian Associated Press Despatch.)

London, Nov. 20. The Association for the Free Importation of Canadian Cattle have resolved to prosecute with unabated vigor a campaign to secure the repeal of the embargo, and have decided to circularize all bodies interested. P. L. Gray, Secretary of the Scottish branch, says that if the appeal meets with unanimous support there is every probability that the Premier will be compelled to comply with it. Commenting on Mr. Bailey's evidence before the Irish Congested Districts Commission, Mr. Dunser says:—"If Ireland is to advance in wealth and population tillage must be more largely resorted to. An exclusive market which disfavors needful alteration in agricultural practices is far from a boon."

Regained Nerve and Vital Energy.

From Walton P. O., Que., comes the following from Mr. Nazaire Begin:—"If anyone had told me any remedy could build up my nervous system so well, I would not have believed them. Before using Ferrozone, I was run down in nerve and vital energy, and in very weak health. I didn't get enough sleep at night, and felt poorly in the day time. Ferrozone has filled me with energy and vim, increased my weight, and made a new man of me."

Hundreds tell the same story—Weak and dispirited, everything going wrong, unable to catch up. They took Ferrozone and all was changed to health and serenity. Price 50c. per box at all dealers.

Farmers' Tariff Memorial.

Weekly Sun.

The Dominion Grange, Farmers' Association, and Manitoba Grain-Growers' Association are the only bodies in existence through which the organized opinion of the agricultural interest of the two chief English-speaking agricultural Provinces of Confederation can find expression. These bodies have united in issuing a joint memorial declaring in favor of the total elimination of the protective principle from tariff legislation. These organized bodies are supported in their position by the unorganized agricultural opinion of Quebec, as voiced before the Tariff Commission at the Montreal session. They are supported by every farm journal in Ontario and the West.

There can therefore no longer be any doubt as to where farmers stand on the question which will shortly engage the attention of the Parliament of Canada. Their demand is that the tariff shall be so revised as to make it serve as a revenue-producing measure, and that it shall no longer constitute the means by which a few great corporations are permitted to unfairly add to their wealth at the expense of our basic industry.

A Reliable Remedy for Croup.

With the dry, cold weather of the early winter months, parents of croupy children should be on the alert for ominous symptoms. There is no cause for anxiety, however, when Chamberlain's Cough Remedy is kept in the home. If this medicine is given as soon as the child becombs hoarse or even after the croupy cough has appeared, the attack may be warded off. Mrs. S. Rosinthal, of Turner, Michigan, says: "We have used Chamberlain's Cough medicine for ourselves and children for several years and like it very much. I think it is the only remedy for croup and can highly recommend it." For sale by all druggists.

Mount Nemo.

The funeral of the late Jonathan S. Gunby took place on Friday last and was largely attended. Mr. Gunby taught school in this section about ten years ago and had many friends in the vicinity, who extend their sympathy to the bereaved relatives.

The roads are very bad in this vicinity.

The carpenters that are working at Allen Eaton's barn made very satisfactory progress last week, considering the bad weather.

Miss Mahgie Wilson is visiting friends in Hamilton this week.

The members of St. John's church choir assembled at the residence of Mr. F. E. Spence on, Monday evening last in the form of a surprise party in honor of his birthday. All present report a very enjoyable evening.

Miss Bessie Wilson returned to Chicago on Tuesday last after spending a few weeks at her home here.

Messrs. Walker & Co., of Strabane, have several jobs of threshing in this vicinity. This is their first threshing in the vicinity and from reports they have a good outfit and know how to run it.

Miss Nicholson, of Marlatt, Mich., was the guest of Mrs. F. E. Spence recently.

Several from this vicinity spent a very enjoyable evening with Mr. and Mrs. Walter Readhead, Lowville, on Tuesday evening last.

Arrangements are being made to hold a meeting of the farmers' institute in the school house sometime next month.

EASY TO RETAIN HEALTH.

Most important of all is proper attention to the bowels. Avoid constipation, it's the health-killer of to-day. Harsh, griping medicine is ruinous—beware of it. Best results follow a truly vegetable remedy like Dr. Hamilton's Pills of Mandrake and Butternut, which not only relieve costiveness in one night, but cure the cause of the trouble and prevent its return. No distress or inconvenience attends the use of Dr. Hamilton's Pills, which are world famous for their mildness and efficiency. Sold everywhere, 25c. per box.

Does Your Stomach Bother You?

Dr. Shoop's Restorative Cures All Distressing Stomach Troubles Through the Inside Nerves.

As you value your health and happiness don't neglect to care for the slightest stomach pain—don't let it go. At the first sign of distress use Dr. Shoop's Restorative and end all these troubles. These aches are signals—they are symptoms of coming disease—is it wise to ignore them? You who never eat a hearty meal without a sense of fullness of lassitude or languid feeling after eating, these conditions invite distressing indigestion—you'll become a sallow, miserable dyspeptic. Do you experience any of these symptoms?—distress after eating, belching of food, return to mouth, gnawing at pit of stomach, rumbling of wind, loss of appetite, headache, dizziness? If you suffer in any of these ways, your duty is clear—there is but one course open to you—strengthen the inside nerves—these special stomach nerves—the digestive nerves in evidence of disease. Put the inside nerves in condition to act as nature intended they should. Don't drug, don't force—just give the inside nerves natural force, gentle tonic nature's help. Dr. Shoop's Restorative (Tablets or Liquid) should be taken to do this—it is the only prescription which builds up or even attempts to restore the inside stomach nerves. Sold by

Your Doctor

Can cure your Cough or Cold, no question about that, but—why go to all the trouble and inconvenience of looking him up, and then of having his prescription filled, when you can step into any drug store in Canada and obtain a bottle of SHILOH'S CURE for a quarter.

Why pay two to five dollars when a twenty-five cent bottle of SHILOH will cure you as quickly?

Why not do as hundreds of thousands of Canadians have done for the past thirty-four years: let SHILOH be your doctor whenever a Cough or Cold appears.

SHILOH will cure you, and all druggists back up this statement with a positive guarantee.
