The Canadian Champion

Milton, Mar. 7, 1907

Under a by-law of the town council which received its third reading on Monday evening the salary of the clerk has been reduced from $400 to $300 a year, and that of the treasurer from $150 to $100. The treasurer is to have the free use of an office in the town hall which has been rented at $30 a year, so that the net reduction in his salary is $20.

Economy in municipal affairs is commendable, but corporation officials should not be underpaid as long as their work is satisfactory. If they neglect it, or are found to be incompetent, they should be dismissed. Their salaries should not be cut down on the ground that other men can be found to perform their duties for less money than they receive. The lowest-tender plan should not be applied. It is said that the salary reductions here will be only temporary and are due to the present high rate of taxation. If so, it is not fair to make the town officials pay more than their share of the municipal expenses or debts. They pay this in their taxes.

A short time ago certain Milton men were found assembled in a place and at a time that gave rise to a suspicion that they had been gambling, though no cards or stakes were seen, nor did any of them make any admission. As there was no evidence to convict them there were no arrests or prosecutions, and there were no allusions to the matter in either the Reformer or the Champion. There was plenty of talk, however, and it seems that one busybody, whose name has not been made known, accused the publishers of the newspapers of accepting bribes of $20 each to keep quiet.

The Champion did not consider it worth while to pay any attention to the absurd slander, and had no space to spare last week for its discussion, but the Reformer gave it an indignant denial, which those who know Mr. White, must know was quite unnecessary. To insult him by offering him a bribe to suppress any story would be the surest way to bring about its publication. The Reformer dealt so effectively with the slanderer that there is no need to enlarge on his case. The Reformer says he is a liar. So does the Champion. Let that suffice.

The Game Act.

Last week, in the Legislature, a bill was introduced for the protection of game and fish in Ontario It has the approval of the Game Protective Association and is likely to pass unamended.

Among its provisions are the following

The prohibition of automatic firearms by hunters.

In order to secure exemption from the penalties for killing game out of season in the unsettled districts, a man must be a bona fide farmer or the son of a bona fide farmer in the district. Heretofore settlers were entitled to do this, but the privilege has been abused by persons who became settlers for the purpose of hunting.

A gun license at a nominal fee, $1, but farmers, their sons and military men are exempt.

Fawns must not be taken under any circumstances.

No person shall be allowed to kill more than two deer, and no person shall be allowed to kill more than one doe. In the case of hunting parties, however, two deer will be allowed for each one, but only one doe for each of the party.

The close season for deer, moose, reindeer and cariboo will be between Nov. 21st and Oct. 10th of the following year, both days inclusive. Those for other kinds of game are generally unchanged.

The hunting non-resident license will be raised from $25 to $50, and the lieutenant-government-in-council is empowered to increase the fee at any time

Hunting by men hired for the purpose will be illegal.

The game law will be abolished and provision made for the appointment of three inspectors, whose duty it shall be to see the game laws enforced, and report on the enforcement at stated periods.

The penalty for the violation of any of the provisions of the act is raised from a minimum of $5 to $100.

WEAK AND WORN OUT.

Dr. Williams' Pink Pills Give New Strength to Overworked Women.

The life of a domestic is a hard one. She toils from early morning till late at night; her work is never done. Often she is too busy to get out of doors for a breath of fresh air. Unless her blood is kept rich and pure this confinement wears on her health. Her strength will fail; she may lose her appetite, become pale and dyspeptic. In fact she is in danger of a general breakdown. Such was the condition of Miss Marie Fleury, of Ste. Anne de la Perade, Que., before she used Dr. Williams' Pink Pills. She says: "For a number of years I have been a servant. Up to a year ago I always enjoyed the best of health, but suddenly I was seized with pains in my side, my appetite left me, I became dyspeptic and lost all strength. I consulted a doctor who told me I was suffering from general debility. I was forced to stop work and for three months I followed the doctor's treatment, but without benefit. I was advised to try Dr. Williams' Pink Pills, and as I had often read of the cases they cured, I decided to do so. I only took eight boxes before I was cured and to-day I am stronger than I ever was. My digestion is good and I can now go about my work without fatigue. I owe a debt of gratitude to Dr. Williams' Pink Pills for what they have done for me and I strongly advise other weak sickly girls to give them a trial."

Miss Fleury's case is one of many that Dr. Williams' Pink Pills have cured after doctors' help had failed. The success of these pills lies in the fact that they strike right at the root of the trouble—the blood Other medicines simply act on the symptoms of a trouble—and may relieve, but they do not cure. Dr. Williams' Pink Pills make new, rich blood—that is why they cure dyspepsia, rheumatism, anaemia, heart palpitation, headache, backache and the ills of women; all these are caused by bad blood—Dr. Williams' Pink Pills cure them all because they make new blood. For sale at druggists or by mail at 50 cents a box or six boxes for $2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

E. B. Anderson, of Oakville, Dead.

Oakville, March 4—Egbert B. Anderson, for many years manager of the private bank of C. W. Anderson & Son, Oakville, died on Friday at the home of his brother here. Over four years ago, when the bank failed, all the property was handed over to the creditors. Mr. Anderson then went to Toronto, where he held several positions. Through worrying over his misfortunes he was obliged to give up work last summer, as he continued to fail in health. The cause of death was pernicious anaemia. Mr. Anderson in his prosperous days was one of the most popular men in Halton county. He had been reeve of Oakville, and a member of the county council. He frequently declined being a candidate for the Liberal party. He was 43 years of age.

CATARRH

To prove unquestionably, and beyond any doubt that Catarrh of the nose and throat can be cured, I am furnishing packages through druggists, small free Trial Boxes of Dr. Shoop's Catarrh Cure. I do this because I am so certain that Dr. Shoop's Catarrh Cure will bring actual substantial help. Nothing certainly, is so convincing as a physical test of any article of real, genuine merit. But that article must possess true merit, else the test will condemn, rather than advance it. Dr. Shoop's Catarrh Cure is a snow white, healing antiseptic balm, put up in a beautiful nickel capped glass jars at 50c. Such soothing agents as Oil Eucalyptus, Thymol, Menthol, etc., are incorporated into a velvety, cream like preparation. Improved by Dr. Shoop from European ideas. If Catarrh of the nose and throat has extended to the stomach, then by all means also use the tablets. Dr. Shoop's Restorative, Stomach distress, a lack of general strength, bloating, heartburn, headache, bad taste, etc. surely call for Dr. Shoop's Restorative. For uncomplicated catarrh only of the nose and throat nothing else, however, need be used but

OBITUARIES.

MRS HUGH G. JOHNSON.

Bertha Hamburgh, wife of Hugh G. Johnson, of Toronto, died on Monday in that city after a very short illness. She was born and brought up in Milton, and her bright, sunny disposition made her a host of friends to whom the news of her death was a great shock. From her childhood she had been a member of the congregation of Knox Church and for years a member of the choir. She left Milton for Toronto a happy bride only last May. The body was brought to Milton on Tuesday evening and was buried in Evergreen cemetery yesterday afternoon. Rev. W. M. McKay, of Knox Church was the officiating minister. There was a very large attendance. The pall-bearers were Messrs. Harry and Ephraim Johnson, brothers-in-law, and Edgar Fielding, of Toronto, and Messrs. Cecil Earl, Jos. Peacock and Alfred Bastedo, of Milton. There were many beautiful floral tributes.

ERNEST CORBETT.

Ernest Corbett died suddenly on Saturday at his home in Milton from heart failure, following la grippe. He was an Englishman, 26 years of age. He served in the Boer war in South Africa, where he contracted enteric fever, from the effects of which he never fully recovered. He came to Milton in 1905. He was steady and industrious and made many friends. He left a widow and a daughter, two years old, besides his mother, who came from England last year to live with him. General sympathy goes out to the bereaved ones. The funeral took place on Tuesday to Evergreen cemetery. Rev. Rural Dean Belt conducted the services.

Omagh.

Mar. 5th.

Miss McDonald is visiting friends at Sandhill.

Ed. McCann sold a horse last week to Prentiss Bros. for a handsome figure.

Mrs. J. Graham, 5th line, called on friends in town on Sunday.

Mr. Robert Wales had the misfortune to fall and break his wrist last year.

Mrs. Dixon is seriously ill at the home of her daughter, Mrs. Geo. Sitzer, 1st line, and but slight hopes are entertained for her recovery.

It is with deep regret that we this week announce the death of Mrs. Ford, beloved wife of Edward Ford. Deceased underwent an operation for appendicitis last Friday and passed away very suddenly on Monday morning. She was in her 38th year, and had been a life-long resident of this vicinity. Besides her sorrowing husband and aged father, Thomas Pell, she leaves one sister and five brothers to mourn her early demise, who have the sympathy of the community in their bereavement. The funeral takes place on Wednesday afternoon to Omagh Presbyterian Church Cemetery.
