NO MORE CATARRH.

The truth of this statement is shown by the great success that has followed the use of Hyomei in catarrhal troubles. So positive is this treatment in quick relief and permanent cure that it is sold under an absolute guarantee to refund the money if it does not do all that is claimed for it.

There is no other treatment or medicine for catarrhal troubles that is at all like Hyomei. With this treatment, health-giving oils and balsams are breathed through a neat pocket inhaler that comes with every outfit, so that every breath you take while using Hyomei is a breath of healing air. It kills all catarrhal germs and prevents their growth, so that the cure is thorough and permanent.

We positively guarantee Hyomei, for should you buy a complete outfit, price $1.00, and be dissatisfied with results your money will be refunded. Hyomei is sold by druggists everywhere. Write for literature. Booth's Hyomei Co., Buffalo N. Y.

(SUCCESSORS TO HOLLINRAKE & SON)

The Store of Quality

WHERE Cash Buying and Cash Selling has reduced profits to the smallest possible basis upon which business can be conducted.

Messrs. Galbraith & McDougall in making their announcement to the Buying Public wish to emphasize

That we will do Business on the Level.

That's the way we will sell merchandise. You take no chances when you trade here. We want every parcel of goods we sell to be so satisfactory in every way that when folks ask where you bought your goods you'll be glad to tell them and recommend this store. That's the only way we expect to stay in business. We don't expect any great profit in selling you one piece of goods; if in selling you one piece we gain your good will, the many future orders that we get through having that goodwill will enable us to go on serving you better and better. "This is the basis upon which we are building our business," and for this reason alone we can't afford a single dissatisfied customer. We want to wrap up every purchase in a strong paper, entitled

"Satisfaction"

and when we sell you materials or garments you know that we will be firmly convinced that the merchandise sold you will be worth the money asked before we allow it on our counters.

Furthermore, it will be marked in plain figures, and the price—the lowest possible. It's a matter of every-hour consideration with us—in buying of just such lines as will be absolutely satisfactory to our customers.

Finally, we say that you will find no store that will strive more honestly to give you Values and Assortments than our store in Milton, the hub of the good old county of Halton.
